THE GOOD LIFE.

For the first time since the Ameriz can
revolution, with the exception of the War
Between the States, the people of our
country are faced with astark test of faith. The conflict with
world [conimunism] [uncertain] now is
not to ve RESERVEthe world" for democracy, but to repel
an enemy who is determined to de-stroy in our own land the Christian
ideal of human dignity and individual
liberty and the political system which
upholds that ideal." Our faith and our
strength is this ideal oe As a nation, we
came through World War II with little
discomfort, Living standards have risen to
record levels. So has the public debt with
is exacting its toll in depreciating money.
However, it is evident that devalued
dollars have not yet cramped our style.
Last year, according to theCommerce Department, -U.
[S.-eitizena/ here~-today:] [uncertain]spent a staggering \$178,832,000,000.
The fabulous American way" is well
illustrated in a current joke which defines
a pedestrian as a motorist who has found a
place to park his The list of American
haves" could go [on,] [uncertain]
indefinitely, Already there are 8,000,000
television sets in our [homes—homes]
[uncertain] which are equipped with tens
of millions" of deep freezers, refrigerators,
electric stoves, radios. Washing machines,
ad [infinitum,] [uncertain]In retrospect, after nearly two centuries
of freedom and the boundless progress
that only freedom could have achieved, it
would be a wonder if we were not
confused when suddenly confronted with
the prospect of a fight for actual survival.
But the time when we can afford
confusion has nearly run out. These words
of Lenin, uttered thirty years ago, ring
with new significance; As long ascapitalism and socialism remain we
cannot live in peace. In the end, one or the
other will [triumph—a funera}]
[uncertain] requiem will be sung either
over the Soviet*[illegible or non-text passage omitted —
see scan]*Republic or over world capitalism We
have to use any ruse, dodges,tricks, cunning, unlawful methods,
concealment and veiling of the truth."

This is the ruthless concept, backed

TEXAS EDUCATION PROGRAM SHOWS" RAPID [ADVANCE:] [uncertain]

Austin, Texas, January [3.—One-half] [uncertain] cent less of each state tax dollar went to support Texas" public-schools last year than in 1939-40 despite the très [mendous] [uncertain] strides-made in the school [ayutem] [uncertain] since the Gilmer-Aiken jaws went into effect.

Nat only has. Texas climbed from very low on the national ladder to near the top in public school education in the first year.under.the Gilmer-. Aikin program, but the state accomplished what amounted to a near-revolution in education without taking a bigger bite out of each tax dollar," Dr. Mortimer Brown, president of, the Texas [States] [uncertain] Feac hers pointed [outhere] [uncertain] today:

[In 1999-405] [uncertain] the public school [AUP,] [uncertain] port totaled [30:31] [uncertain] cents of back state dollar expended, During the last school year the schools share of that dollar. Was 29.67, of exactly 266 of cent [Tess:] [uncertain]

[At] [uncertain] tho [same-timéenrollnient] [uncertain] great ly increased, te number of teachers employed went much higher and the average [dailyvattendance] [uncertain] skyrocketed:

uo [FThe] [uncertain] average daily attendance jump:

[ed_jn] [uncertain] one year 35,708. under the new school program. Too, il is" pertinent to point out that every child-in Texas is guaranteed the opportunity of hav-

ing 175, days of actual instruction per

year.

There ares now. 49, 628 classroom y teachers in: [Texas] [uncertain] schools, Dr. Brown pointed out. That is i 4,225 niobe than in [4939-40,] [uncertain]

[That] [uncertain] makes for better education of our children," Dr. Brown commented smaller, allowing tor more individual instruction.

Too, there were only 156-supervisors, counsellors and special services personnel, such as nurses, available

Classes are now

[illegible or non-text passage omitted — see scan]

Charles, H. Tennyson, executive sec- ton, [COT:] [uncertain] rented that" until the Gilmer-Aikin program gave Texas a position near the top in the national" educational field, a proportionate share of the state dollar was not [Roing] [uncertain] to the schools. [Weare] [uncertain] delighted to find that the vastly-improved school [systéim,] [uncertain] and [I}] [uncertain] believe very one will agree that our

schools are far superior to those of

such a short time ago as 1948-49, is taking less of the state dollar," he said.

The total cost of state government during-the 1949-60 fiscal year was [\$527 262,453.] [uncertain] Of, that amount, \$156,- 430,559 went to he vast network of schools,

A total of \$145,350, 068 was used by the per capita apportionment, the [supplenienting] [uncertain] foundation program [and{]} [uncertain] for administration, Tennyson reported. Textbook costs and distribution accounted for \$3,410,723. The free lunch program cost \$3,758,361. The state commission for the blind used \$117,006. Vocational education cost \$3,794,401, of which \$2,014,657 was federal funds,

Tennyson said,

US.REMOVES WHEAT,
CORN" RESTRICTIONS

Washington, January [5.—The] [uncertain] government removed al restrictions Friday on production of wheat and corn this year in an effort to maintain sure reserves of these vital bread and livestock feed grains under the national emergency.

[This] [uncertain] action--taken by Secretary of Agriculture Charles F. [Brannan—tis]) [uncertain] expected to result in-larger crops than otherwise would have been produced. More of these grains were said to be needed fo supply an expanded meat production program and to replace

grain reserves expected to be [used].] [uncertain]

before new crops are harvested,"

Ample supplies of both corn and what ire-an essential safeguard in the national [deferise: program,'] [uncertain] the secretary, said in a formal statement.

Only crops [catill:] [uncertain] under production controls are BONE types of tobacco, peanuts and rice. It is possible, officials said that restrictions [maybe] [uncertain] cased on peanuts and rice: Tobacco reserves were said to be ample. Fridays action reversed previously announced programs for wheat and corn. [The.] [uncertain] department had [sct_up] [uncertain] acreage

plantings allotments for" wheat; [It]-] [uncertain]

also had announced that allotments would bekept/ in force for corn, but at higher levels than Jast year.

But heavy use of grains in recent months under un expanded meat production [prograni:] [uncertain] ted Brannan, to make the change.

His action" will have practical effect

for the spring wheat [Lie] [uncertain] a wheat crop only because it is.too late yc. Womack and. Georgia Mae to plant

Crockett Courier — January 11, 1951 — Page Three

additional winter. [wheat.] Stowe.]
[uncertain]

Spring wheat makes up about 30 per cent of the wheat crop.-

Brannan said-corn is being used at an annual rate in excess of last years 8-per-cent-above crop. As a consequence, it will be necessary to dig

into reserves which, he said, should be-kept at high levels under the critical international situation.

**[MISS] [uncertain] SUE
CRADDOCK WEDS PAUL
[KEVINSMcKINNEY]
[uncertain]**

[Hotkton] [uncertain] Chronicle.

The marriage of Miss Sue Craddock, 1319 South Shepherd, to Paul Kevin McKinney was solemnized Saturday morning in the rectory of St. Annes church.

The brides parents are Mr and Mrs. Daniel Page Craddock of Austin and the groom is the son of the late John J. McKinney of Rockville Center, N. Y.

The bride wore a gown of snowfinke-hued ottoman and her pillbox hat was fashioned of cloud pink satin accented with jewel trim. A fitted count of the same material styled with deep cuffed [dofwan] [uncertain] sleeves and duchess collar lined with cloud pink satin, completed her ensemble, She carried u shower arrangement of brown or-chips.

Mr and [Mra\d] [uncertain] seth Gienny II attended the couple, Following the ceremony, a reception was held at the
