[INFLATION"] [uncertain] RUNNING AHEAD OF TAXES,

[Senator",] [uncertain] George, chairman of the Senate" finance committee a few days ago said about the" most sensible thing

that has been said in- Washington Since the beginning of [thé] [uncertain] present crisis. It was-a simple statement and" something that everyone should know, Yet consistently disregarded. Senator George said: It will be futile to try to raise additional taxes without effective wage-price controls."

A few days before Senator George made this statement, President. Tru-

it is something that. Washington" has

map had said that the two recent tax the rackets, he replied: Everythings

increases by congress are entirely inadequate." Senator George calls attention to the fact that the rapid in-

mention to the [Ithing] [uncertain] legal?" ae [A] [uncertain] beautifully arranged [Program} 9]) [uncertain] es us ore he the general price for tee see te A lot of people fee that way.
