CROCKETT COURIER: FEBRUARY 15, 1951

**AMERICAN SOPRANO
WILL APPEAR
IN CROCKETT**

Miss Ellen Faulk, American soprano, who will appear in Crockett on February 20 under the auspices of the Crockett Municipal Concert Association, was "perfected" at her first public appearance. But this was a few years ago when, at the age of nine, she sang a Christmas song in a grade school pageant.

Grade school pageants are behind her now and so is any sense of paralyzing fear in front of an audience. Today, this young artist faces the most difficult areas of the most formidable audiences with assurance and delight. For she is a singer born to sing.

Ellen Faulk recently recorded for the Concert Hall Society on LP Records of "Perseus and Andromeda." These particular songs had never been recorded before and Miss Faulk was the unanimous choice to bring them to the public's attention.

Last season Miss Faulk made her first appearance as the Marshall in "Der Rosenkavalier," a remarkable achievement for one so young. The public and critics alike were captivated by the warmth, tenderness, passion and poignancy of her performance. Members of the Crockett Municipal Concert Association will have an opportunity to applaud her brilliant dramatic soprano on February 20 when Ellen Faulk appears at the Crockett Municipal building.

**JUNIOR BAND
PARADES TUESDAY
AFTERNOON**

A parade of the members of the Junior Band of the Crockett Grammar School was held Tuesday afternoon in the downtown section to show off their new band uniforms. The new uniforms are blue coveralls with white lettering of Crockett Junior High School spelled out on the back of the uniform.

The Junior Band has 43 members. The twirlers are Shirley Hight, Sue Roberts, Janie Halyard, Patsy Cherry and Bebe Beasley. The Drum major is Patsy Ellis.

As the little band paraded through town it was of special notice that the group looked not only attractive in their new uniforms, but, especially proud and happy with their new uniforms.

We congratulate the Junior Band on their uniforms, and we were proud and happy for you that you have received them. We wish you the best of luck in contests which we feel sure you will enter in the future.

AT AUSTIN

Austin, Texas, February 12, 1961,

This should be the Houston county report this week, as spent the great portion of the week in Crockett and the county. I assure you it is

good to be at-home for a few days,
and it is of utmost interest to me to

hear favorable or unfavorable real ton to past and/or proposed [legisfution. 4] [uncertain] Two propositions of" importance happened in Austin this past week which I think is of vital importance to the veterans swell as to the people in general of this state iy [The"] [uncertain] first, proposal was that the house of representatives passed the house and senate joint resolution pro. Posing [watate] [uncertain] constitutional amendment with, if it passes the senate, will be submitted to the people at general [Necton sometinie:] [uncertain] later In the year, and will become a part of the

state constitution if voted favorable

by the people. The resolution provides that the [Veterans"] [uncertain] Land board may issue bonds up to of hundred million dollars, [Po T] [uncertain] personally think this ix.a fair pro postal because the Veterang" Land, bill4 wax originally draw to provide all

veterans of World War ID to purchase!

[illegible or non-text passage omitted —
see scan]

The veterans of Texas ace tu be commended on the interest and adan take they have taken of the original [bill—also] [uncertain] the opponents of the proposal should think twice" [beforé] [uncertain] they

criticize this [prograin,] [uncertain] because [Te gives:] [uncertain]

iy mary an advantage to show that he can-end is willing to produce and be

self sustaining. [9.] [uncertain] The necessity of this legislation.was

due to the fact" that the Veterans"

Land board had more than [HOO] [uncertain] up- [p¥divants] [uncertain] that could not be filled under the" original bond issues. [03 00%!] [uncertain] I

mentioned the fact [thattwo] [uncertain] things [Happened-~] [uncertain] this, second, proposition [4+] [uncertain] tentative-and [filled—with] [uncertain] lots of

foresight. [Mr..E2 BR.] [uncertain] Mclaroy, Honorable Frank: [Granberty-and] [uncertain] numerous

others are tore" commended on this

foresight. 7 oo Houston county had been provided with a security until-if and when the National Guard had been called to active duty. I sincerely hope that the latter wont-happen, but world conditions being such ax one can never tell a [Senatér] [uncertain] Colson and I thought that [Houston"] [uncertain] county should be given the

[ooo—same] [uncertain] consideration in the Home Guard,

as" established, when tHe National Guard was previously called to active duty during World War [I.] [uncertain] Senator Colaon contacted Colonel Gamble of the State Guard, and the Colonel virtually [assuredius] [uncertain] that Houston county would have i company in the Home Guard if the necessity of creating a Home Guard arose,

Some may be interested in the procedure necessary, to amend the state constitution.

The proposal is submitted to the legislature in the form of a house-and senate joint resolution. It in given a number, and referred to the committee on constitutional amendments, A majority report of the committee is required to refer it back to the respective legislative body." [Then] [uncertain] the two legislative bodies must vote favorable with 2/3 of the members of each bad, Thia means that 100 [votox] [uncertain] in the house and 22 votes jn the senate must be voted favoring the hill, This procedure differs from ordinary mean uses in the form of bill in that bills only require a majority vote of beth houses and the signature of the governor, The governor does not sign Joint [roxolutions,] [uncertain] ax they are strictly the business of the two legislative bodies. To become a law, the measure
