MAGNOLIA GARDEN CLUB MEETING THURSDAY

The Magnolia Garden Club meeting was held at the Davy Crockett Memorial building at 2:30 p. m. Thursday afternoon, February 22.

Mrs. T. E. Dawson, president, greeted guests, and then introduced Mrs. Mary Wootters, a former resident of Crockett, and member of a popular garden club in Houston.

Mrs. Wootters introduced the guest-speaker, Mrs. John B. Victory of Houston, who is an enthusiastic and active member of the Colonial Garden club of Houston, popular speaker, and judge of flower arrangements. She is well known for her ability of precise detail, color arrangement and originality in flower arrangements, which are outstanding.

Mrs. Victory gave a most interesting lecture on the "History of Flower Prints," and as she talked she displayed to the group quite a number of her fine collection of originals of Fruit and Flower prints of the 18th and early 19th century, giving her audience a brief history of prints shown.

Mrs. Victory then displayed her prints as complimenting the four flower arrangements which were made by five members of the garden club.

In the flower arrangements the details for line arrangement were cleverly worked out by Mrs. D. H. Arnold; French bouquet arrangement, Mrs. C. N. Sullivan; Victorian period, Mrs. Albertine Dean and Mrs. Elizabeth Thomasson; fruit arrangement, Mrs. Denny Collins Jr.

With the fine print of her choice placed back of one of the flower arrangements, both the print and flower arrangement made a charming and complete picture as a whole.

The social hour followed. The refreshment table was decorated in a color theme of red, white and blue, honoring Washington's birthday. The charming center-table decorations of flowers was prepared by Mrs. Shelor Edmiston and Mrs. Edward Darsey.

Hostesses for the afternoon were Mrs. Gail King Jr. and Mrs. M. H. Victory.

PROCLAMATION DESIGNATING SCHOOL WEEK

To All Citizens, Greeting:

As we take inventory of our blessings and our accomplishments in this, our 104th year of statehood, we view with satisfaction the progress that has been made in education, the basis of which is our public school system.

The little red school house which was the symbol of public education a century ago expanded into a network of elementary and high schools, junior colleges and state colleges.

It has been a great cooperative venture. Both state and local governments have made their contributions. We like to believe that through their joint efforts the opportunities afforded our children for a sound basic education are not excelled anywhere. If we are justified in this conclusion, it is only because our citizens have shown a personal interest in education and because public-spirited men and women have been willing to devote their lives to the teaching of our youth.

It is of paramount importance that this civic interest be strengthened and that those in the teaching profession be supported and encouraged in their efforts. One of the best ways of accomplishing these results is for each citizen to know the public school system. The best way to know it is to keep in constant touch with it.

Therefore, I, as governor of Texas, do hereby designate the week of March 4 to 10, 1951, as

Public Schools Week in Texas, and urge every citizen to visit a public school during this period to become personally acquainted with the programs and accomplishments of our educational system.

In official recognition whereof, I hereby affix my signature this 10th day of January, 1951.

Allan Shivers,
Governor of Texas.

HEDONIA CLUB HAS ENJOYABLE DANCE

The Hedonia Club held a dance at the Davy Crockett Memorial building Thursday night, February 22, with Jack Remus and his orchestra of Waco furnishing the popular dance music.

Host and hostesses were Mr. and Mrs. Frank Towery, Mr. and Mrs. James Henry Leaverton, Mr. and Mrs. Steve Denny, Dr. and Mrs. Edward Darsey and Mr. and Mrs. Jamie Crawford.

A color theme of red, white and blue was carried out in keeping with the legal holiday of Washington's birthday. A lovely bowl filled with a graceful arrangement of red carnations, white stock and blue corn-flowers were used as the center-table decoration, while cherry trees formed the center decoration at the individual tables for four.

Mr. and Mrs. Merle Luker of Grapevine were out-of-town guests for this delightful affair.

About 65 guests attended.

BILLY NORRIS IS SERVICE TOPKICK IN INFANTRY

With the U. S. Second Infantry Division in Korea.—Being first sergeant of the "most scattered company" in an infantry regiment calls for "making some rules of your own," according to 1st Sgt. Billy Norris, 27, topkick of a service company in the 9th Infantry regiment.

Norris, whose wife and three children live at 300 Eighth St., Crockett, Texas, heads a company of truck drivers, whose vehicles and talents are put to use by every unit in the regiment, and sometimes on division levels.

"Paydays come whenever you can catch the men to be paid," Norris said. "Their mail is handled by a system of 'truckmasters,' each with a section of drivers assigned to them."

Reports on sick and wounded, he said, also come through the truckmasters.

"Don't know what I'd do without the truckmasters," he added. "I've never even seen about half the men in my company."

Norris is one of the few remaining Second Infantry Division veterans who fought with the Indianhead outfit in World War II. After he returned from Europe with his unit, he enlisted in the air corps.

"Couldn't make it, though," he grinned. "Stayed three months, and came back. Once a doughfoot, always a doughfoot. Only in the Second, it's worse, I guess."

PRAYER FOR PEACE BEING OBSERVED

Placards in various business houses of this city are urging people to "Stop Where You Are and Join in United Prayer" for peace.

A time, during February 16 through

April 13, set for a county-wide prayer for peace, is being observed for five minutes every day for sixty days.

On the placards in this quotation from II Chron. 7:14: "If my people, which are called by my name, shall humble themselves and pray and seek my face, and turn from their wicked ways, then will I hear from heaven, and forgive their sin and heal their land."

The county-wide prayer for peace is being observed conscientiously as requested by those who planned this observance in the county. It is understood that some merchants have closed their doors for the five minutes in order to better carry out and cooperate with this plan.

PROCLAMATION DESIGNATING SCHOOL WEEK

To All Citizens, Greeting:

Aw we take inventory of our blessings and our accomplishments in this, our 104th year of statehood, we view with satisfaction the progress that has been made in education, the basis of which is our public school system
