THE SINGLETARY PEA,

The [singletary] [uncertain] pea was introduced into Ffouston county some six or seven years ago, The first planting was made by Mr. Tom Parker near Lovelady. He obtained fifty pounds of the seed from the Soil Conservation ee service. Some of these weed were planted in rows and others were broadcast. In all, a little more than an acre was planted. Mr. Parker harvested approximately 800 pounds of seed, Last year near 66,000 pounds of weed were harvested in the county, Not all of this, but a large part were seed from the parent stock grown on Mr. [Parkers] [uncertain] farm ae at.
