Willie Hayne Knox left Monday for
 Kansas City, Mo., to view the new
 Chrysler and Plymouth cars. All the
 Texas dealers were to meet in Dallas
 and board a special train to make the
 trip. Soon after his return, Mr.
 Knox will announce when he will have
 his show of the new cars.

Robert King returned Friday from
 a Southeastern regional Chevrolet con-
 vention in Dallas with headquarters
 at the Baker Hotel, the meetings with
 speeches being held in the Crystal
 Ball room. Mr. Armstrong, general
 manager of Chevrolet Motors, spoke
 to the 400 dealers present.

Attended Mrs. Funeral.
 Out of town relatives at Lady for
 the funeral of Bill E. Mrs. who died
 in action in Okinawa April 6,
 1945, were Mr. and Mrs. Joseph
 May, Mr. and Mrs. E. W. May, Mr.
 and Mrs. Thomas Story of Houston,
 Mr. and Mrs. Royce Gowan, Dallas;
 Mr. and Mrs. T. N. May and family
 of Kountze, and Floyd Merritt of
 Houston.

District Governor Congratulates.
 William Schmidt, president, re-
 ceived a letter of congratulations from
 Pat W. Jackson, 1st district govern-
 or, recently. It read as follows:
 "Thanks a million for your fine report
 and the new members. We in this
 district are proud of you and your
 fine club for the good work you are
 doing for the betterment of your coun-
 ty and community."

Programs are now underway that
 have as their objective a sound and
 practical approach to the problems of
 range management. Two range man-
 agement schools for county agents
 were held by the A. & M. department
 of range and forestry the past two
 summers, and the class rooms used
 were the ranges where something was
 wrong. Demonstrations have been es-
 tablished to show what can be done
 if proper stocking rates are observed
 and if the good grasses are given a
 chance to breed.

Courier's Best Wishes.
 Mrs. W. F. Killingsworth of Pale-
 stine, formerly Miss Clara Mortimer
 of Crockett, sending her subscription
 renewal to the Courier, writes: "I am
 a ship off the old black and love the
 people of Crockett; enjoy reading the
 news from my old home town as my
 dear mother, who has gone on to the
 great beyond, did. She would have
 been 92 years young had she lived
 until the 25th of this month."

Allee Chicken Predominant.
 R. L. Allee has received a report
 from the Houston Fat Stock show,
 showing that six white Wyandotte
 chickens he entered in the poultry
 show received the maximum awards
 possible. Mr. Allee entered three
 cockerels, which took first, second and
 third prizes. Two hens won first and

second places, and the lone pullet
 shown took off first prize. The re-
 port was from E. D. Parnell, super-
 intendent of the poultry breeding show.

Madisonville Wins.
 Madisonville, February 19.—Coach
 E. J. Ray's Madisonville Mustangs
 won the District 22-A championship
 Friday night by defeating Ernie Lab-
 rence's Martin Bulldogs, 37 to 29.
 Madisonville had previously defeated
 Martin, 38 to 27.

Woodward Barrett with 15 points led
 the Mustangs Friday night with his
 teammate, Bobby Bailey, outstanding
 on defense.

Volleyball Teams Tie.
 The girls' volleyball championship
 of district 60-B was very much un-
 decided at the end of last week. The
 double round robin schedule was played
 simultaneously with the boys' basket-
 ball schedule. After Kennard
 won over Glover Friday night in the
 final make-up contest, four schools
 remained in a tie—Kennard, Laton,
 Lovelady and Austin. Glover, the
 defending champions, were the only
 school eliminated. Glover did not
 put a team in the tie.

Don't be alarmed, folks; those
 prices you hear dropping are nothing
 to get excited about. They are only
 the leveling-off for which we have
 all been waiting and hoping. And the
 leveling-off is just incidental re-
 sults of the leveling-off. Everything is
 being leveled off, and it's leveling off
 that \$4 billion tax increase bill.

Is a Harry Truman speaking, and
 he ought to be an authority on busi-
 ness recessions and depressions, for
 he had a whacking personal experi-
 ence with one of the latter, back in
 Missouri. It started him on the road
 to the white house—Houston Post.

Ladies Men's Class Party.
 The Men's Sunday School Class of
 Baptist church, Lovelady, entertained
 the women's class with a Valentine
 party last Monday evening at home
 of Mr. and Mrs. L. Young.

It seems the ladies had gained in
 attendance over the men's class for
 several months, for which they were
 rewarded.

A Valentine theme was used for
 decorations, and acented most of the
 games.

The program of entertainment was
 opened with the entire group singing
 songs. Then two ladies were chosen
 for the humorous games, and a
 group was led in "Buttons" and the
 other by "Howls."

At the close of the last contest and
 spelling bee, the president of the men's
 class, E. W. Munkert, presented over-
 tea service. About forty mem-
 bers and guests were present.

Mr. and Mrs. H. L. Kirkpatrick of
 Houston were recent guests of Mr.
 and Mrs. C. H. Barber.
 Mr. and Mrs. C. E. Matchett of
 Jasper have been visiting in the Jeter
 home.

Marshall Platt of Baytown spent
 the weekend with his parents, Mr.
 and Mrs. J. H. Platt.
 W. W. Lundy of Huntsville visited
 his mother, Mrs. G. T. Lundy, Satur-
 day and Sunday.

Rev. E. V. Tunnell was in Hun-
 tsville Monday to attend the pastor's
 district meeting.

District Superintendent J. N. Gor-
 don conducted the evening service
 at the Methodist church Sunday, Feb-
 ruary 20th, and held fourth quarterly
 conference.

Mr. and Mrs. W. E. Baucum, Gal-
 veston, were guests Friday and Sat-
 urday of Mr. and Mrs. C. M. Clark.
 Mr. and Mrs. Cecil Rice have moved
 to Houston.

Every one is talking about the
 "Shame Quarters" which is to be in
 Lovelady, Thursday, February 24th,
 sponsored by "Lions' Club."

Mrs. C. R. Rush observed her 82nd
 birthday anniversary February 18th.
 Her daughter, Mrs. W. H. Collins,
 complimented her with a lovely birth-
 day dinner on Friday of last week
 at the home of Mrs. Collins in Crockett.
 Mr. and Mrs. C. E. Hayburn were
 also present.

10000 Horses POWER-UNITED GAS COMPRESSORS
 It takes a lot of horsepower to move natural gas through the 5,000
 miles of pipe lines that form the United Gas transmission system.
 Sometimes the gas is under sufficient pressure when it leaves the
 wells to carry it to its destination 50 or 100 miles away. More often,
 however, it must pass through a compressor station, where it
 gets a boost along the line to cities, towns and industries where
 it can be used. Operation of compressor stations at key points in the
 system is one of many important functions of the United Gas
 organization...all of which have the ultimate purpose of
 assuring a continued dependable supply of gas for our customers.

Field compressors are
 used to draw gas from
 wells and to pump it
 into a gas pipeline.
 Made line compressors
 are used to pump gas
 along transmission
 lines, and are frequently
 installed at intervals of
 50 to 75 miles.

Compressor towers are
 used to separate the
 gas from the liquid
 hydrocarbons. The tem-
 perature of the gas be-
 comes as low as -120
 degrees, for example,
 when the pressure is re-
 leased from 300 to 100
 pounds per square inch.
