**RAIN FORECAST
COOL WEATHER
TO CONTINUE**

The Trinity river is expected to rise two feet above flood stage, the Weather Bureau warned Tuesday, and the San Jacinto River, after overflowing its banks early Tuesday, began to fall. The city's pumping station near Sheldon reported.

More rain is predicted for the Houston area during the next 36 hours, and a low of 48 degrees was predicted here for early Tuesday.

Clayton B. Crocker, acting in charge of the Weather Bureau here, said a rise in the Trinity may come "at any time."

There was a slight drop in the Trinity at Riverdale Monday," he reported. "This drop was felt Monday and early Tuesday at Liberty, but the flood has a double crest and will rise again, any time now."

The Weather Bureau reported its warnings to cattlemen and farmers to get their cattle out of the Trinity bottoms.

The Weather Bureau also warned stockmen to evacuate cattle immediately from the lowlands of Long Lake, bordering the Trinity River near Palestine.

**HOUSTON COUNTY
REPRESENTED AT
GALVEZ MARDI GRAS**

Old world grace entered Texas' early Mardi Gras Saturday, February 25, in the persons of Linda Lou Driskell and Larry King, both of Love, in full dress with picture hats and baskets. Linda not only held the attention of her velvet-coated escort, but drew admiration from the many other spectators. The pair rode on the float of the king and queen, San Joaquin, in the parade. It was the Galveston Mardi Gras, and Linda Lou Driskell and Larry King had gone from Houston to represent their city of south Houston county. Crockett was most creditably represented by Sandra Sevier, young daughter of Mrs. Alma Sevier, according to the Galveston News.

**DATES SET FOR
THE 1949 STATE
CHICKEN CONTEST**

The 1949 Texas Chicken-of-Tomorrow contest will be held May 20 to June 2 at Gonzalez, Tex., making the announcement today. State Chairman F. Z. Beardslee, poultry marketing specialist at Texas A. & M. College, reported that birds competing in the contest must be hatched a week of March 16, in order to meet contest specifications.

"Goal of the new three-year program," Beardslee said, "is a 1949 model chicken patterned along the lines of progress made in the initial years of the contest. The new bird, to grow faster, with all more meat, is being scientifically re-designed to bring increased consumer satisfaction, in the same fashion that science has converted cattle, hogs and other food animals," he said.

Broilers and growers throughout the state are encouraged to help develop and produce the meatier bird—one with better domesticity and less layers of fat. State, regional and national contests are scheduled from March to June, and \$10,000 in awards from the A. & P. Food Stores is being awarded to the winners.

**CROCKETT LIONS
DISCUSS BASEBALL**

The Crockett Lions Club "played" baseball with words at their regular luncheon Tuesday. Guests of the club for the occasion were Jimmy Levey, Dusty Simmons and Hower Bennett. A visiting Lion was Lon Webb of Tyler. Lon George Reed, who announced a Mexican supper to be given Tuesday night for the band uniform fund, was also present. The program was headed by William Schmidt, turned on the program over to Lon Harvey Bayne and Roland Bear, program leaders. He yielded the floor to Lon Webb, who was still the toast of the evening.

Mr. Reed recounted the experience of a lion in Legion baseball, with a bunch of green youngsters and a diamond without fence or grandstand. He declared that a good start was made, however.

Coach Reed announced that the team of 1948 at Crockett High and reported that about 35 boys had responded to the call this week for candidates. Simmons said that Trinity, Huntsville, Grapeland and Crockett were definite entries in district 20-A in 1949, and that a meeting of school officials was called for Wednesday to adopt a schedule.

Brewer Bennett expressed gratification at the progress made in high school and Legion junior baseball in 1948 and expressed the hope that 1949 would see an expanded program.

Lion A. B. Brown Jr. reported good progress in the drive for support of the American Heart Association.

Lion J. W. Martin reported on the work he reports on in the South house. The Lions sponsor troop 410. The matter was referred to the troop committee of the club.

Lions Tully Breaux and Brown were appointed program leaders for the next luncheon.

**DEMOCRATS WAIT
TALK MARATHON**

Washington, February 24.—With President Truman demanding a show down, the senate picked into a fight Monday over whether to adopt a filibuster-chilling change in its rules. The Democratic leadership of the senate, however, may hold up all senate action on legislation for weeks or more.

Democratic Leader Ladd of Illinois touched off the war by moving to bring the rule change before the senate.

A show-down between Democrats and Republicans in their senate, all prepared to talk indefinitely, to keep the rule change from going through.

The administration wants the rule change to clear the way for action on the president's civil rights program.

Card of Thanks.

I wish I could thank every one who for the many, many kindnesses shown me during the three months I have been ill. As I can not, please let me say "THANK YOU" to every one who has helped me in any way. I feel I wish I could do something for each of you to show my heartfelt appreciation. I am still very thankful to you; you helped me to be patient and to get well. With love from Bill and I.
