CROCKETT LIONS HAVE INTERESTING LUNCHEON TUESDAY

Lion A. S. Ifeewer, president of the Girl Scout executive board, and Lion Herbert Callaway, president of the chamber of commerce, brought the Lions' Club luncheon Tuesday a varied program following a call to order by Lion President William Schmidt. Mr. Brewer introduced Miss Vee Mims, high school student and Girl Scout member, who listed the advantages she, as a member since she was seven years old, had derived from the summer camps, trip camps and work programs of the Girl Scouts.

Lion Staley Mims, who is president of the East Texas Area of Girl Scouting, was next introduced by Lion Brewer and asked to give a brief history of the two years growth of the coordination of he scattered lone troops into the single and efficient area group which Lion Mims has effected through intense personal sacrifice of time, money and effort. Lion fines, donated to Girl Scouts collected by Acting Tail Twister R. L. Allee was $4.45.

Lion Callaway then presented a motion picture in technicolor, "Power Behind the Nation," which stated that "We are shareholders in the greatest company in the world, the United States Unlimited." Scenes of the great natural resources pointed out that our growth as a nation has been due to an urge toward wider horizons, and that production and distribution are the backbone of commerce.

Members present were 26; visitors, Judge Bob Slagle, Sherman; Harold Nuckols, Rush Taylor, Bud Hale, district clerk, and Henry Puckett, Western Auto. Miss Dian Bennett's piano music drew enthusiastic applause. Next week's program will be planned by W. F. Churchill and Pete Capmerlian.

LOVELADY READING CLUB HAS MEETING

The Lovelady Reading Club met on Thursday, March 3, at the home of Mrs. V. L. Ward.

As the theme for the program was on Texas, the club colors of red, white and blue were artistically used in the flower arrangements. Three Texas songs, entitled "Texas, Pride of The South," "Beautiful Texas" and "Eyes of Texas," were sung by Betty June Arnold, Paula White, Ann McCullough and Norma Monzingo, accompanied by Ruth Word on piano.

Reading, a burlesque called "Hell In Texas," was given by Paula White. Mrs. J. N. Collins gave a "Review of Texas Authors of 1948," and a hearty discussion was contributed by members present.

During the business session a nominating committee was appointed by the president. Mrs. C. L. Moore came into the club as a new member, and Mrs. Edna F. Parker was a special guest.

Mrs. Word was assisted in hostess duties by the guest singers, in serving punch and ice box cookies.

PALESTINE PLAYS CROCKETT HERE THIS THURSDAY

The Palestine Hugh Widdeats, coached by Bob Knight, will play Coach Dusty Summers' Crockett High Bulldogs in a return baseball game on the Fair Park diamond this (Thursday) afternoon at 4 o'clock.

The Wildcats defeated the Bulldogs Tuesday afternoon at Palestine 6 to 2. The Bulldogs, making their first start of the season, had the jitters and threw the game away in the first inning. After opening with a run, the Crockett crew kicked in five runs in Palestine's first time at bat, at the expense of starting Pitcher Bobby Beard. After that, there was little scoring. Johnny Jones caused three knitwit innings. W. T. Hoskins led Crockett hitters with two base knocks. Coach Summers used a large number of sacrifices, letting them under fire. Tonight (Thursday) a district baseball meeting will be held at Buffalo. It is probable that the district schedule will be formulated at that meeting.

Pvt. Elvie M Barnett will participate in the mountain warfare and ski training which is now going on at Camp Carson. The training has qualified the men of Camp Carson, together with their wives to be of great service in the Operation Snow Bound, in feeding and aiding civilians marooned in many of the mountainous plains area today.

District Track Meet Saturday.

The district track and field meet has been set at Huntsville for Saturday. This is very early for the event and Crockett High's Bulldogs are poorly prepared. Workouts started after basketball season and have been hampered by unsettled weather conditions. Bookmen will enter a number of contestants, including two letter men. The letter winners are Gerald Chaney, mile runner, and W. T. Hoskins, weight man. Crockett was third place in a close meet last year, largely on the individual efforts of Larry Hickmon, who graduated.

Third and Last in Concert Series is Held at Memorial Building March 17

The Raphael String Quartet.

From a formal quartet to a specially written arrangement of "Turkey in the Straw" and everything in between is in the musical bill of fare which the Raphael String quartet will bring to Crockett Thursday, March 17, at 8:15 p. m., as the third in the series of concerts sponsored by the Crockett Municipal Concert Association. Ticket holders only are admitted; the Memorial auditorium, Fair Park, is the place.

The Raphael Quartet is presented by an organization in Houston which was formed to make it possible for the smaller towns to hear good music without too great expense. This program promises to be of such variety that all musical tastes will be satisfied. Not only "long hairs," but the average theater-goer is given music he will like. The flattering number of invitations for repeat performances" is ample evidence that music as played by the Raphael String Quartet is great entertainment for every one.

Plans for next year's program will be announced at the concert, announced Mrs. W. M. Lewis, chairman.

PRESIDENT'S OWN LEADERS REVOLT AT RULES PROPOSAL

Washington, March 8. President Truman's own senate leadership flared into revolt Thursday night at a white house suggestion that senate rules be changed drastically to speed approval of the "Fair Deal" program.

Immediate indications were that the president's intrusion into senate affairs had so upset the apparent that no curbs on filibusters might be voted this year.

Failure to change the rules at this time almost certainly would doom chances of any of the president's disputed civil rights bills.

Mr. Truman told his weekly news conference he favored a simple majority gag rule in the senate. Southerners and some Republicans now are opposing actively a proposal to make even a two-thirds gag vote workable. Even the most ardent administration leaders have gone no further than to suggest that a "constitutional majority"—or forty-nine senators—be allowed to stop debate.

The president's proposal evoked immediate sharp reactions from southerners and a sad note of resignation from Democratic Leader Scott W. Lucas, who told reporters:

"I regret that I can not agree with my president on majority cloture. I am on the record in favor of a constitutional majority cloture. But I can not go for this."

Southern spokesman, Richard B. Russell (Dem.) of Georgia, charged in one breath that Mr. Truman's proposal would strike down all legislative responsibility and would make both houses of congress subject only to the "executive's will."

In the next breath, Russell claimed the president's proposal materially had helped the cause of southerners who have been vigorously opposing the proposed rules changes designed to limit debate.

"This is proof that we have been telling the facts all along," Russell said. "We have been saying that this attempt to tighten up the present rules near the first step toward majority cloture. This confirms it.

"Such a proposal would mean the end to constitutional government as we know it if it were ever adopted."

Kite flying time is here!

It takes good judgment to fly a kite properly . . . but that makes it more fun! Wonderful, windy March days provide the best kite-flying weather . . . but gusty winds are tricky. Just as airline pilots observe flying rules for the safety and pleasure of their passengers . . . top-flight kite flyers can double their fun and have a high safety record by following these simple rules:

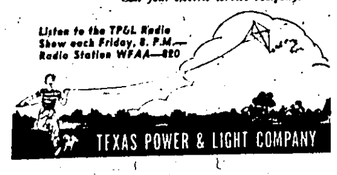

FIRST: Fly your kite in open spaces where there are no electric lines!

SECOND: Do not use metal or wire in your kite string!

THIRD: If your kite should get tangled in electric lines, do not climb the pole or try to get the kite loose with a pole or stick.

TEXAS POWER & LIGHT COMPANY

New York, March 3.—Herbert Hoover said Thursday that "step by step" the American citizen "has surrendered a large part of the control of his life to an increasingly centralized government."

"Our people, under the illusion that money from Washington is pure manna, are selling right and left their birthright as free men and their responsibilities in a free man's government, in order to get it," he told the state chamber of commerce in a speech.

The former president, who heads the commission on organization of the executive branch of the government which is completing a comprehensive study of federal departments, said the number of federal employes had grown from 600,000 to 2,200,000 in the last 16 years.

"Ninety per cent of them are out in the sticks endeavoring, under direction from Washington, to improve the position of persons "impatient with the slow processes of local reform and who conceive that all may be good if the federal government would only pass a law, set up a bureau, and make an appropriation."
