PLANS ALL READY FOR CHAMBER OF COMMERCE BANQUET

Robert von Doenhoff, as chairman of the banquet for the chamber of commerce tonight (Thursday) at 7 o'clock, presided at an informal meeting of directors at the city hall Wednesday, reporting A. B. Brewer as the winning ticket seller. About 200 ticketholders are expected at the banquet, he announced, urging that no communities be overlooked. The primary purpose of the banquet is to bring the county business people and farmers together to work for a common cause, namely, better business progress for all.

Staley Mims, as program chairman, reported that Jack Beasley Jr. would be master of ceremonies and would introduce directors, guests and speakers on the program. Claude Brown would give a historical background of the chamber of commerce. Mr. von Doenhoff would speak on potentialities of the organization; Harry Truitt would explain the budget and finance; and George Reed would provide music and entertainment. Time is provided for grapes and bouquets.

Mention was made that the P. T. A., whose president is Mrs. Jack Beasley Jr., is serving the banquet, and that their elaborate plans include decorations by Mrs. Stuart Leaverton.

Can Black-Drainage Help Physical Fatigue?

Black-Drainage may help physical fatigue if the only cause is lack of circulation. Black-Drainage, the remedy for circulation, is usually spruced and shrouded when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, dizziness, physical fatigue, sleeplessness, mental exhaustion, bad breath — and if these symptoms are due only to congestion — then see what Black-Drainage may do for you. RUPTURE SHIELD EXPERT HERE

H. M. SHEVYAN, widely known expert of Chicago, will personally be at the O'Neil Hotel, Palestine, Thursday only, March 24, from 9 A. M. to 4 P. M.

Mr. Shevyan says: The Zottie Shield is a tremendous improvement over all former methods of rupture repair. It will not only hold the rupture perfectly in place, but it will increase the circulation, strengthen the weak end parts, and thereby close the opening in ten days on the average, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevyan will be glad to demonstrate without charge.

A motion by Democratic Leader Lucas (Ill.), aimed at an eventual halt to the filibuster, was defeated by a 54-vote majority. This was a heavy blow to the Truman administration, which has been

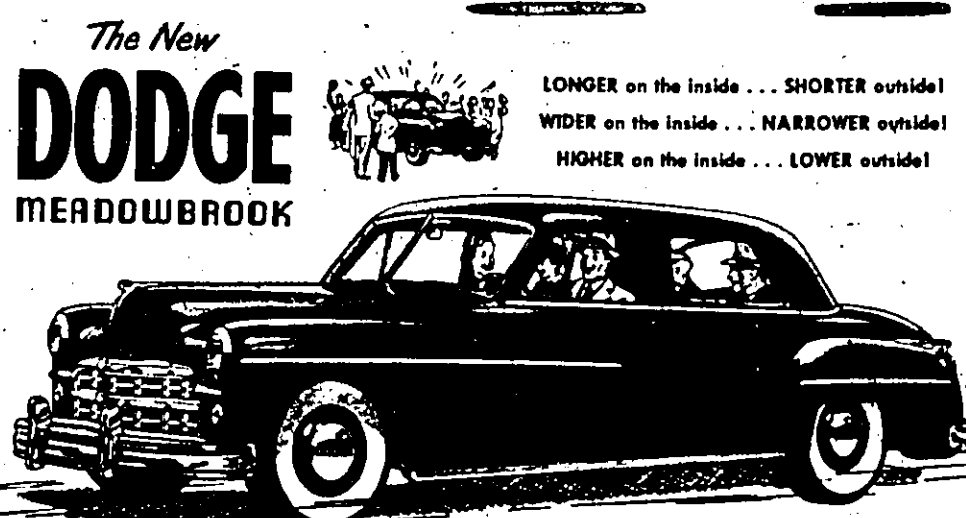

battling for a change in Senate rules so filibusters can be curbed.
Southerners, fighting to retain the filibuster weapon so they can talk to the death, were jubilant. They figured they had the anti-lynch, anti-poll tax and other civil rights legislation as good as whipped.

HERE'S THE CAR THAT DARES TO BE DIFFERENT...INSIDE AND OUT!

LONGER on the inside... SHORTER outside!
WIDER on the inside... NARROWER outside!
HIGHER on the inside... LOWER outside!

Still, you need something that lets you ride relaxed and comfortable mile after mile! That's why Dodge made this new car bigger three ways inside—longer, wider, higher!

But many people don't want a car that's big and bulky outside. No Dodge made this new car shorter outside, narrower outside, lower outside.

Here's an engineering miracle that gives you more room of handling in traffic, more ease of parking, and more freedom of movement. And now, because Dodge took time from your functional demands, lowering the exterior roof line in the famous Dodge "Low-Away" design, high-compression engines to deliver extra power with greater economy, and the proved smoothness of great fluid drive, you have much more Dodge given for your new car dollar today!

Our customers tell us that they can notice a difference in gasoline the first time they use Humble Esso Extra. They say they notice the extra anti-knock performance that Esso Extra gives a car, and they feel the extra power. And though they don't notice it particularly, let me tell you that there's a patented solvent oil in Esso Extra to keep your car's engine extra clean.

The extra quality of Humble Esso Extra is something extra for your money. When you fill up with Esso Extra, you'll agree there is a difference in gasoline...

VON DOENHOFF OPENS SEASON CONCERT SUBSCRIPTION DRIVE

Introduced by Robert von Doenhoff, acting manager of the Davy Crockett Municipal Concert Series, the quartet of string musicians proceeded to bear out Mr. von Doenhoff's contention that the concert had progressively improved in quality and entertainment when they gave their concert Thursday night at Memorial Park.

Known as the Raphael String Quartet, this group of players adopted its name from that of the leader, Raphael Flegel, violinist, who came originally from Chicago. Irving Weller, violinist, came to Houston from New York. Alfred Unbach, cellist, is from Paterson, N. J., and only the cellist, Henry Hlavaty, is a native-born artist, he being a Houstonian by birth.

The string quartet played to the largest, and perhaps the most responsive, audience of the season. Mr. von Doenhoff took advantage of this fact by starting the subscription sale for the coming concert season, announcing at intermission that all this and much more would be possible with active support of all music lovers of the city.

The following items are taken from the Courier files of 25 years ago this week:

George H. Grounds of Chicago was visiting the old home.

The Beasley Drug Company and the Goolby-Sherman Drug Company were consolidated.

Night passenger trains were to be resumed through Crockett.

Trinity High was to play Crockett High in baseball on Friday.

County Judge Moore reported that Houston county dipped more cattle than any other county in February, 1924.

C. L. Edmonson, mayor, and C. A. Hazzell, city secretary, announced an election for mayor, two aldermen and a recorder for March 6, 1924.

John C. Lacy was appointed election manager.

Arbor Grove won the county track meet with 36 points. Other schools were consolidated.

JAYCEES AWARDED ALL CONCESSIONS AT FIDDLERS MEET

Jaycees were awarded all concessions for the Fiddlers' Contest program, to be held June 10, announced Roy Garner, president of the Junior Chamber of Commerce, Thursday, following a meeting of committees from both groups at the Hotel Coffee Shop.

From the Jaycees the representatives were Mr. Garner, A. B. Brewer and Vernon Strickman.

The Jaycees agreed to assist the Fiddlers gathering up donations from the businessmen for the prize to be given at the contest. "We agree," Mr. Garner said, "that the contest be as liberal and as freely given by us as possible."

Concessions, which are to be submitted to worthy groups, are to be of financial benefit to the Fiddlers. Jaycees will pay a percentage of all they make back into the treasury of the Fiddlers, who will in future make prize payments out of this fund. Subsequent to this, the Jaycees will be making a lump sum basis, and the Fiddlers will be making a lump sum basis.

The program for the big event being planned by the committee certainly looks good, Mr. Garner reported.

PROTECTION FOR THE SOUTH.

The South and all other minorities will enjoy a measure of protection which has not been in existence heretofore under the constitution, by which the senate filibuster has been ended.

Advocates of civil rights have lost more than any other in the controversy just concluded. Closure now may not be imposed, except by the vote of 64 senators, two-thirds of the whole senate rather than two-thirds of the majority.

TOM KING MADE ROTARY MEMBER AT CLUB LUNCHEON

Installation of Tom King as a new Rotary Club member was the important news at last week's luncheon held Thursday at the Crockett Hotel.

Raymond Cornelius, president, in the chair. Rev. Clint Williams conducted the installation in which he stressed the motto, "He who serves best profits most," and that Mr. King had by his ethical and moral conduct recommended himself as a suitable candidate for the honor of becoming an ambassador for the Rotarians.

Mr. Cornelius announced that in his probable absence next meeting, Sholor Edmister would preside, at which time Cary Mize and Earl Bennett will direct the program.

Biscuits In A Hurry With New, Self-Rising Robin Hood

Special to the Crockett Courier: Thursday, March 24, 1949. Need a batch of biscuits in a hurry? Take Mrs. Lilla Haines' word for it and try the new Robin Hood Self-Rising recipe for Drop Biscuits.

Mrs. Haines of Box 919, Crockett, recently tested this new recipe using the newly introduced Robin Hood Self-Rising Flour, and found it to be satisfactory in every way. Mrs. Haines was chosen as an official tester by the field research staff of International Milling Co., Greenville, Tex., millers of the new flour.

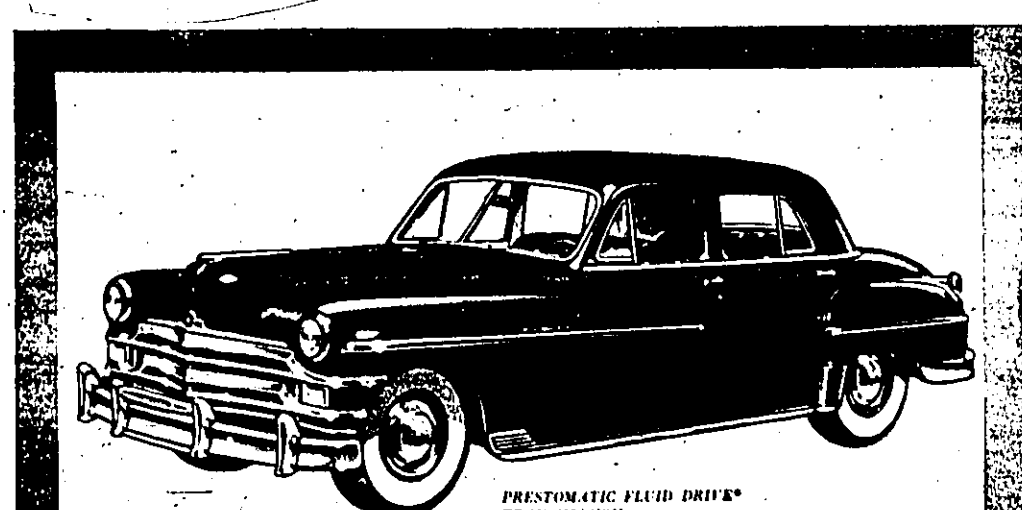

"Robin Hood Self-Rising Flour is certainly a time-saver when it comes to shipping out a fast batch of biscuits under pressure," was Mrs. Haines' report on her test baking.

"I'm surprised that this is the first time that a good flour already containing the baking powder ingredients and the salt for seasoning has been available here," Mrs. Haines went on to say. "For it is a fine idea to make

baking easier and quicker. Using the Drop Biscuits recipe, I found that I eliminated the necessity of measuring and adding in three ingredients, and since they are mixed in at the mill in scientifically exact quantities, I found that each batch of biscuits rose uniformly in the same manner—something that should be mighty important for young housewives just starting baking!" (A47)

ROBIN HOOD DROP BISCUITS
2 cups Robin Hood Self-Rising Flour
1 cup shortening
1/2 cup sugar
1/2 cup milk
Mix thoroughly in flour
Add milk to make a soft dough. Roll out only until flour is moistened.
Drop—By spoonfuls on an ungreased baking sheet
Bake in hot oven (450° F.) for 8 to 10 minutes
Yield—15 dozen biscuits.
