SUNDAY MORNING FIRE DESTRUCTIVE

The early Sunday morning fire that destroyed the Spide store might have been worse if Mrs. Mabel Harder had not come along and seen the blaze in the store. She ran across the street to the Crockett hotel and reported the fire to Mr. Rogers, the night clerk, who turned in the alarm from the hotel office. It was then fifteen minutes before fire struck. The local fire company responded promptly and saved adjoining property. Mrs. Harder is employed as a waitress at Mac's bus station cafe and was on her way to begin work at five o'clock. After reporting the fire, she hurried to the bus station cafe and was ready to begin work at five o'clock.

Mrs. E. K. Caprellian and Mrs. Vernon Gayle went to Dallas Tuesday to hear Douglas "The Fisherman" reviewed by Mrs. Caprellian's sister, Mrs. V. Y. Rejhan. Every day in Dallas during the pre-Easter season this book is being reviewed by volunteer reviewers. Mrs. Rejhan is giving the review in the name of her mother, Mrs. A. Veran.

DISH LUNCH FOR FAMILY NIGHT

Family night, celebrated at the First Presbyterian church monthly on the first Wednesday night, was in full attendance last week for the covered dish lunch served in the church basement at long tables. The speaker for the occasion was Rev. C. L. Chen, Chinese school professor who is completing his studies at the University of Austin and securing his master's degree in Education at the University of Texas.

Introduced by Rev. C. P. Owen, pastor, Mr. Chen urged his hearers to continue their charitable thoughts toward China as she struggles in the grasp of communism which is much harder on his country than was their defense against the Japanese aggression.

GOOD NEIGHBOR AND RED CROSS DANCE

Mr. and Mrs. R. L. Taylor of Crockett opened their beautiful place with a Red Cross dance, sponsored by the Good Neighbor Club.

Mr. and Mrs. Taylor are very, very charming people and make everybody feel a warm, hearty welcome. We want to thank Mr. and Mrs. Taylor, along with every person who attended their dance.

We made \$28.00 (thirty-eight dollars) for the Red Cross, for which we feel proud. Mr. Taylor's place is near "The Boone Den," and is of rock construction, a very large foot space and oh, so beautiful.

Every club member can very well say, "I'm proud to say I know the Taylors and have the privilege of going to their place of entertainment."

Thanks again, Mr. and Mrs. Taylor, and many happy hours at your new place.

Truman Can Speak for Self, but Not for Congress

From the West Point (Miss.) Daily Times Leader: President Truman declares that he isn't going to be satisfied with anything less than the entire program he recently recommended to Congress. But it should be remembered that the average congressman is much more concerned about pleasing the country than he is about pleasing the president.

BAPTISTS AWAIT ART WINDOWS FOR CHURCH OPENING

Crockett will see the opening of the new Baptist church in some 30 days, according to the opinion of the pastor, Rev. A. R. Lee. Built at a cost of \$200,000, the doors will open with all the equipment paid for, plus three-fourths of the total building is debtless free, which is an acknowledged miracle of cooperativeness of the five to six hundred membership.

Art glass windows on the two sides and across the front of the auditorium are causing the delay, but are expected with their beauty to be worth the extra trouble. The two large and two small windows of stained glass will feature the life, death and resurrection of Christ in full life size.

The large columns at the front, set on a circular entrance. Standing tall above the entrance is the steeple, inside of which are the chimes with amplification such that they can be heard a distance of about two miles.

Passing beyond the columns, one will note that the stained windows at the entrance when installed will symbolize the Baptist doctrine of baptism in the crucifixion, burial and resurrection of Our Lord. Inside the sanctuary, which will seat 500 in under dual cushioned opera chair rows, the floor will be covered with rubber tile with carpeting in aisles and on the pews.

The choir will seat 40 and, back of the choir at a level just above their heads, is the baptistry. A small balcony for overflow crowds is at the back.

In the educational section, with two covered ports cochers entrance, are an individual assembly opening into classrooms for each department of the Sunday school as follows: nursery and cradle roll, beginners, primary, junior, intermediate, young people and adult.

A large room adjoining the modernly equipped kitchen will be used by the 100 member Young Men's Bible class on Sunday mornings and at other times for suppers, baptisms, and other social church gatherings.

Heating and cooling ducts open into the rooms and auditorium supplied by their \$20,000 units. All are light and airy, with steel framed and plate glass windows, four of the windows being of the large picture plate glass type. The sanctuary has picture lighting, the choir has indirect lighting.

Traveling restrooms of our church have stated that when the church is complete, the First Baptist church of Crockett will be the finest Baptist church in all of east Texas. Mr. Lee reported.

More Abundant Fishing.

The Crockett bears of a flock of geese from eastern Houston county having gone to Ketchikan, Alaska, on a fishing expedition, and to be up there when the weather gets too hot down here. The Courier's idea is that they are seeking "the more abundant life" in a continuous promised in well remembered friends tails.
