**LATEXO MOTHER
DAUGHTER AND
FATHER SON PICNIC**

The Latexo Future Homemakers and Future Farmers entertained their mothers and fathers with a fish dinner at the school park Friday evening, May 6. At 7 o'clock 150 boys, girls, their parents, teachers, school board members and their wives, and the advisory council members gathered in a beautiful grove of pines to forget the cares of the day and have fun. All indications are that every one enjoyed it to the fullest extent.

Games were directed, groups chatted and visited and at eight o'clock the invitation was made to fall in line for a delicious meal that was spread on the picnic tables. The menu consisted of fried cat fish, catfish, chicken, potato salad, fresh onion, dill pickle, bread, pie and iced tea. After supper, the guests were invited to the gymnasium for a picture show.

The park is a project of the vocational advisory council as a means of providing recreational facilities for the community. The Future Farmers trimmed trees, cleared out the grounds and built the picnic tables. The location is ideal for a lake and it is hoped that plans may be developed for the lake, benches, barbecue pits and garbage disposal.

**LIONS HEAR DICKEY
TALK PRODUCTION
CREDIT ACTIVITIES**

D. C. Kennedy and Bill Perdue, as program chairman for Lions Club luncheon this week, introduced as speaker T. H. Dickey who spoke on the activities of the Crockett Production Credit Association.

"Our loans outstanding at the end of April," he said, "were \$1,100,000, of which only \$500,000 is government capital. In the fifteen years we have operated in Houston County, Texas, \$20 million has been loaned to farmers in this section with only \$16,000 repaid in losses, about eight cents in every hundred dollars."

Five directors are elected by the stockholders, all farmers. There are 604 of these associations in the U. S., 30 in Texas. We have 110 members. This is not relief, not a government agency. In 1912 congress sent a commission to Europe to study their credit system. It took six months. This resulted in 1917 in the creation of the Federal Land Bank for long term loans.

Mr. Dickey said the Lions Club were beginning to help the credit activities of the community. He said the club had been successful in securing a loan for the purchase of a new building for the club. **WESLEYAN SERVICE
GUILD HOLDS MEET**

The Wesleyan Service Guild met Tuesday night, March 16, in the home of Mrs. E. D. Smith. The meeting was opened by the president, Mrs. Mae Sallier, who then turned the program over to the devotional leader, Mrs. Gussie Easterly, whose subject was "Let Your Light Shine." A review of the new study book, "China, Twentieth Century," was very capably given by Mrs. Mabel Hall.

We had, as another guest, the incoming president of the W. S. G., Mrs. Ruth Lewis. New projects were discussed and business disposed of. It was decided that a slide projector be bought for the church school. The nominating committee placed before the meeting a list of officers for the coming year. These were voted on and accepted. Mrs. Sallier and Miss Maude Hall were retained as president and vice-president respectively. Miss Nina Miller was elected secretary and Mrs. Frank Dillard treasurer. A social hour followed with delicious refreshments.
