ECONOMIC HIGHLIGHTS. Un

It would have taken a super seer don to have forecast last November that a Democratic president, who had just won a stunning victory at the polls, would have his legislative program knocked on the head tn most [partxulan] [uncertain] by congress. But that seems lo be what has happened. Looking [inte] [uncertain] the crystal ball, here is the status of [bla] [uncertain] program at [preacnt:] [uncertain]

[Taft-HarUey Act—Mr. Tromac] [uncertain] wants complete repeal. It would re- quire a miracle to achieve It It ts doubtful if anything save technical changes In the law will Be voted. It may hot be changed et all.

[illegible or non-text passage omitted — see scan]

Whenever this comes up, a glacial atmosphere descends on congress.

Everything will be done to avoid any lomax increase. [Uf,] [uncertain] of dire necessity, a tax bill is passed, [wil]) [uncertain] be very different from Mr. [Trumafis] [uncertain] desire.

Expanded Socia! [Security.—Thie] [uncertain] 1s in the doldrums." The section with the best chance of approval would give increased benefits to the aged t

Opposition to the administrations medical proposals is very strong. The more moderate measure, proposed by Senator Taft and [uthers,] [uncertain] has many

Spray the entire surface of all [clos-] [uncertain] ct [walle, parteularly] [uncertain] around [tha base-] [uncertain] board and edge of the floor, at [3-] [uncertain] month intervals with G per cent [DDT:] [uncertain] in w [stainless]

[uncertain] kerosene solvent. [This}] [uncertain] method.offers the housewife a simple and effective means of protecting [gar-] menta [uncertain] from lying adult. Remove): clothes before [apraying] [uncertain] so the walls): Can be thoroughly treated. Apply [the]: apray] [uncertain] with wa hand sprayer, preferably a pressure type. In [auch aprey-}.] [uncertain]

[ers,] [uncertain] air pressure in pumped into the) tank before applications. The [nozzle] [uncertain] should produce a coarse spray. Ap- proximately pint of per cent DDT spray is necessary for a closet of average site, The [walla] [uncertain] dry within w few-hours. If the odor of the sol- vent In found ta be objectionable, di- [rect] [uncertain] an electric fan into the closet to dispel the odor more rapidly. The oils used as solvents may be inflam- mable am the proper precautions should be taken lo keep the spray away from fire or flame.

Sweaters and other woollens which are to be [atored] [uncertain] for several months in [dreaser drawera] [uncertain] may be protected by [apraying] [uncertain] the drawers [thoroughly] [uncertain] with [amall] [uncertain] amounts of 5 per cent DDT spray. The garments also may lightly dusted on both sides with per cent DT dust! Care should be taken to prevent the introduction of larvae or eggs on the materials to be stored by first dry-cleaning them.

DDT has no fumigation action and kill [onty] [uncertain] on contact or by consuming

Heavy woolen clothing, such ax [huntjing] [uncertain] clothes or winter clothes, which are not worn for several months at tm time may be protected by spraying [lor] [uncertain] dusting with DDT. A white crystal- line residue remains on the clothing lifter the spray solvent has dried, but lithia can be brushed off when the ap- pare is needed for wear. Furs or feathers may be dusted lightly [wih] [uncertain] DDT, The powder can [ibe] [uncertain] easily shaken out before the [garlitments] [uncertain] are worn. [1]] [uncertain] Carpets and rugs can be treated with per cent DDT dust. Apply the dust Mherally under the carpet on top of

the pad. Applications should be made each spring and again in Fithe fall. When carpets or rugs are [leleaned] [uncertain] with suction cleaners, the [DDT] [uncertain] will not only [ppiect] [uncertain] the back sion the carpet but [wMI] [uncertain] be pulled slowly [BI] [uncertain] into the nap. DDT dust can be [workdied] [uncertain] into the nap of the carpet from [a] [uncertain] the [topalde] [uncertain] In places difficult to clean with suction equipment. This method dies [Ueslrable] [uncertain] for use under furniture Tiand [slong] [uncertain] the edges of the carpet ki [The] [uncertain] DDT in the newer stainless sol.

Carl Goolsh West Side Prescription D Store Front enter from the top. Such applications should be made every two months and especially when moths are seen flying.

Upholstery can be treated ig the same manner af carpets. Those pieces of upholstered furniture which can have the bottom or beck removed are [exaily] [uncertain] treated with 5 or 10 per, cent DDT dust which will not only protect the padding but will keep the moths from feeding on the nap from the undersurface.

CAUTION: DDT dissolved In anything but water may cause Irritation to the akin. If it [contacta] [uncertain] the akin, wash [Immediately] [uncertain] with soap and water. Clothes treated in the above recommended manner can be worn safely as [acon] [uncertain] as the solvent has completely dried. Precaujlona should be taken to keep the D away from food. Velma Harrell, County Homs Demonatration Agent, Houston County.
