cr MANFORDS CRIN PICTURE th It is an arresting picture of the/ al [atates] [uncertain] prospective financial plight at which a of the House Durwood Manford painted in bis letter to [the]] [uncertain] x governor, lieutenant-governor, and tt members of the Gist Legislature e They, of course, should already have had in [miod] [uncertain] as clear a picture ci as the speaker has of the forbidding situation into which the free-apepding h legislature has gotten the state. For many of the citizens, however, it will come as a shock to [Searn] [uncertain] that August 31, 195), will find us with a 100,- 000,000 deficit In the general fund and facing an annual general fund deficit of \$55,000,000 unless something o is dene. Mr. Manford [presenta] [uncertain] facts and! figures lo support his analysis. [ths] [uncertain] ae unfortunate that charts similar [to/] [uncertain] those he sent along with bis letter) could not have been prepared and/y hung, on huge scale, in both houses

on first day of the current sees

The speaker makes three suggest:

[thoms] [uncertain] we to a course of action to meet):

this threat: That appropriations [be:}] [uncertain] reexamined in the light of our true); financial condition" and that we then pease such [sppropriations] [uncertain] as are essential" that action upon all [ap-:] propriations] [uncertain] for buildings ard [other:}] [uncertain] construction be deferred until adequate financing plan have been developed and that new revenue be [provided-|.] [uncertain] if expenses are to be maintained at), the rate tow being considered, the [gmount] [uncertain] to be [ralard] [uncertain] approximates) a [year."—Houston] [uncertain] Chron-

THE [CAMELS] [uncertain] HEAD.

Arsop, in his [farpous] [uncertain] fables, tells the [famillar] [uncertain] story of the camel [whe] [uncertain] asked his Arab master for permission to put his bead tn the tent His master readily agreed. Then the camel wanted his neck in, then his forelegs, then his whole body, and finally

he shoved bis master out of the tent. That is the way socialism works ir a democracy, as illustrated in Britain today and in the United States. A little government [contrul] [uncertain] of our lives ia like w soothing drug. It is pleasant at times, but it grows to be a habit ab and insidiously undermines" self-reli- A [ance] [uncertain] until the weakened [citiaens we!-] [uncertain] come somebody from Washington to take care of [them—and] [uncertain] make their decisions for [them—cren] [uncertain] tf it should be a, dictator. The British socialist-labor government, already deep in the [quickaanda] [uncertain] of government control! with, private investment in bousing at s standstill because of laws and regulations, now proposes to put the government not only in the rent business, but also In the restaurant and laundry service business, and also authorize city governments to operate boarding [Louse] [uncertain] and ert furniture on the installment plan. [Nel] [uncertain] propose to delete the words working class" from the Housing Act of 1934 and open the blessings [(t)] [uncertain] of government subsidy to all. Traly, the camel is almost all the way In the tent. How soon will be oi begin to shove out bis master [THivee] [uncertain] bert M. Harrison oa THE SVREST WAY.

It might be appropriate, at Chie time ef the year, when many young [4] [uncertain] people of Houston county are [finishoa of] [uncertain] ing their high schmo educations, te suggest to them that most of the [ple] [uncertain] in the world [whe] [uncertain] amount t [Ai] [uncertain] anything work hard for what the)

acquire. Tod often the youthful mind is im.

with the [casy accumulstior] [uncertain] of a fortune by some exceptional fi [gure] [uncertain] that looms in the public con [aclousness, Sittle redfizing] [uncertain] that [suc!] [uncertain] a [carcer] [uncertain] is the great exception amon;
