TEXAS PUBLISHERS TO OPEN PARLEY AT GALVESTON TODAY

Galveston, June 15.—Some 500 Texas newspaper publishers will gather in Galveston on Thursday for the seventeenth annual meeting of the Texas Press Association running through Saturday.

Thursday afternoon the publishers will board a dozen yachts which will be at their disposal for a cruise of Galveston harbor. Thursday evening they will attend a dinner honoring Lou Calder, one of the men chiefly responsible for the building of the Southland Paper Mill at Galveston, the largest paper mill in the state.

Friday morning business sessions will get under way with an Early Bird Breakfast followed by talks made by persons outstanding in various phases of newspapering and related fields.

JURY SERVICE AND JURY SELECTION

The right to trial by jury is basic under a constitutional democracy. So is the duty of rendering jury service. But how many of those getting a summons from the sheriff to report in district or county court at a certain time to discharge one of their obligations of citizenship know how they came to be chosen?

JUST A WORD WITH OUR SUBSCRIBERS

When George E. McLean of Crockett received his subscription to the Courier on Monday, June 6, he became the Courier's 500th renewal or subscription for the good year of 1949. That is keeping in step, right along, with last year, a political year, when newspaper subscriptions are usually up a little or down a little. In fact, it is a little ahead of last year, when our 500th subscription was received on June 18. If we were of those who brag, our temptation here might seem irresistible. But credit is due

SUMMER SORORITY

Our friends—those loyal friends who have stuck with us and are still sticking. They not only have our thanks, but our sincerest best wishes. As the old bachelor said when he congratulated the newly married couple, may all your troubles be little ones. We have thirty-two subscriptions and renewals this week against thirteen last week. The average of 100 per cent for the year is being maintained. Those whose names appear this and other weeks will please accept our thanks. This week's list follows:

GRAPELAND UPSET TRINITY RED HORSES

The Grapeland VFW softball team staged the upset of the young Trinity County Softball League season Thursday night by slugging out a 10 to 0 victory over the previously unbeaten Magnolia Red Horses of Trinity at City Park. Wade Fennington pitched well for Grapeland and, with good infield support, would have won easily. In the meantime, Spitz Nash, mound ace of the Red Horses, was ineffective. He was pounded hard by the Grapeland batters. It is reported that Nash had pitched a game for the Trinity Lions Club the previous night and apparently he was tired. He was hit hard, who brag, our temptation here might seem irresistible. But credit is due

CITY COUNCIL HOLDS REGULAR MEETING

O. B. Rhone, mayor, presided at the regular meeting of the city council last week, which, due to inability of the members to be present at the usual hour, was called by City Secretary Dudley Woodson for 3:30 p. m. for the purpose of getting current bills on a h. d. Those present were Aldermen Bob Overstreet, T. H. Craddock and Dr. Lyle Thompson. City Attorney Frank Granberry and City Engineer Sam Halyard. Other business included instruction to Mr. Halyard to get bids on erection of new sewer for the water tank which will increase the water supply and also prevent corrosion in the water mains. He was also authorized to install an eight-inch water line from the pump station to the new elevated tank; this, too, will increase the water supply.

Mr. and Mrs. Leonard Norman, following a visit to Mrs. Norman's parents, Mr. and Mrs. E. T. Over, returned last week to their home in Tampa, Fla.

CALCUTTA TAKES POPULATION LEAD WITH 12,000,000

New York—Calcutta, the teeming Indian city on the Gulf of Bengal, now has passed London and New York in population. It leads all cities, according to a dispatch from the Hindu metropolis to the Journal de Geneve, reporting that greater Calcutta now numbers 12,000,000 inhabitants.

The increase is due mainly to the influx of Hindus and Parsis displaced from Eastern Bengal and Southwestern Assam. Without its suburbs, Calcutta now counts 8,000,000 people, as against only 2,108,991 at the last official census. Greater London had 7,000,000 in 1939 and Greater New York 7,454,995 in 1940.

WOMAN'S SOCIETY CHRISTIAN SERVICE

The Woman's Society of Christian Service met Monday afternoon at the church for the regular monthly business meeting. Mrs. W. M. Lewis presided over a new year's work with instructions to the various committees stressing the importance of cooperation for best results.

Mrs. Claude Brown gave the devotional which opened the afternoon's program. Mrs. Fay Lewis was hostess for the regular monthly business meeting. Mrs. W. M. Lewis presided over a new year's work with instructions to the various committees stressing the importance of cooperation for best results.

FIREMEN FIGHT HOT BLAZE IN COLD ICE BOX

Omaha, May 29.—Several Omaha firemen suffered frostbitten fingers Saturday in putting out a fire.

The blaze was in a refrigerator at the Swift and Company packing plant, where the temperature was 10 below zero. Coats and helmets of the firemen were covered with ice after they finished their 90-minute battle with the stubborn blaze.

HERE IS BARGAIN COUNTER ECONOMY

Fried Millard, while here Saturday, said that inasmuch as Mrs. Millard believed in taking advantage of bargains, he expected to get her permission to travel some this summer. He said that Mrs. Millard read in a newspaper where it cost the railroads \$1.50 for every dollar that they received from passenger fares. That evidence was developed in a railroad hearing.

Mrs. Millard reckons that now is the time to travel, because whenever you buy something for a dollar, it costs \$1.50. He ought to be taken advantage of. He argued that 50 cents can be saved on every dollar that is spent for something that costs the seller \$1.50.
