AMENDMENT DATES ARE POSTPONED

The Courier received a telegram Wednesday morning from Austin which reads as follows: "Stop publication immediately of constitutional amendments because legislature has postponed election date." The Courier had made up and printed these proposed constitutional amendments in its first four pages, the reverse side of which are printed later. The publication will be stopped next week. The law requires that they be published four consecutive weeks, two weeks of which cannot be counted when taken up again, as they must be published consecutively. Mr. Ben Hanes, secretary of state, also advises in his telegram Wednesday morning: "Further advice will be forthcoming by letter."

The program will be especially interesting to the RTT members as plans are being discussed for a creditable representation of the young people to go to Ridge Crest July 21 for a session of religious study and development.

COUNTRY BLESSED WITH FINE RAINS

The fine rains of the past week were all that could be asked for. Not gully washers, they mellowed the land without washing it away; they let the man who had it keep it with out carrying it down to the gulf, which didn't seem to need it. The last time the editor looked out upon the grass, as far out as we could see, it looked like it was about to rise up and overflow—certainly didn't need any more water now. However, there is a fine thing to have the gulf there to catch our overflows of water which fall sometimes. But, after all, as Friend Miller says, an island is only a part of the ocean's bottom sticking up out of the water. That settled. Let us be thankful for the fine rains that have come to bless us during the last week.

NEW 1ST CHRISTIAN REGULAR SERVICE

First Christian church morning and evening services are being held in the as yet uncompleted building, according to the president of the board of directors of the church, Dr. G. B. Laker. Sunday school classrooms are nearly enough finished for all classes to convene; the sanctuary is complete except for the church windows, which are memorials purchased by various members of the congregation, and also the carpet. The pastor's study in the tower is not finished. Midweek services are suspended until work is completed. The Communion organ, which is an unusually fine organ, is fully set up; temporary organ for the church is Miss Dorothy Ellen McLean. Choir singing is directed by Mrs. G. B. Laker.

EXPECTS TO SET COUPLE OF RECORDS

The Texas highway patrol expects to set a couple of records this holiday weekend. Record No. 1 will be a new high in tickets issued for speeding and other hazardous driving. Record No. 2 will be a new high for drunk drivers jailed.

This will be the first big holiday since the patrol reached its maximum strength of 450 privates, and every man will be on the job "from can to cap" in a concentrated effort to hold traffic deaths to less than the 25 predicted. Director Homer Garrison of the department of public safety said.

In Appreciation.
We deeply appreciate the many acts of kindness, expressions of sympathy, and the beautiful floral offerings during the illness and at the death of our beloved wife and mother, Mrs. V. Phillips. May God's richest blessings be with each of you as our prayer.

V. Phillips.
Mrs. Robert Jefferies.
Mrs. Cary Mize.
J. W. Phillips.
Leo Phillips.

Has Our Tag.
Mrs. Clara Frisell of Houston, renewing her subscription to the Courier, writes as follows: "Herewith check for your good and our good newspaper, the Crockett Courier. Wishing you the best of health, prosperity and happiness. I am
"Yours very truly,
"Clara Frisell."

Mrs. Frisell will please accept the Courier's heartiest thanks.

Improvement Noted.
Friend Miller, who attended a picture show while here Saturday, said that the greatest improvement made by the introduction of talking pictures was that no lines were left for people to read to you; that all each fellow had to do was listen for himself instead of reading for the other fellow. He said, however, that there were still some who wanted to do your own laughing for you.

Engagement Announced.
Reverend and Mrs. C. L. Williams of Van, Texas, announce the engagement and approaching marriage of their daughter, Martha Jane, to J. L. Heard Jr., son of Mrs. J. L. Heard and the late Dr. J. L. Heard of Crockett.

Dave Koon has returned from his visit in Beaumont with his niece, Mrs. Gerald Wright, and her mother, Mrs. J. W. Cunningham Jr. of Houston. He went from the White Heron Fishery at Anahuac last week to make the visit as his niece was there to meet him.

Mrs. Wilbur Meyer and sons, Wilbur Jr., Wayne and Michael David, of Elgin are vacationing in Crockett with Mrs. Meyer's mother, Mrs. E. F. Hall.

Drive safely on the highways—it might be your own life you save.

ANNUAL CAMPAIGN FOR BOY SCOUTS

The annual campaign for the support of the Boy Scout movement in sixteen east Texas counties, the territory served by the East Texas Area Council, Boy Scouts of America, will be conducted between September 15 and October 15, 1949, according to John B. Redditt, Lufkin, chairman of the council's finance committee.

The detailed budget for the operation of Scouting will be developed at a meeting of the Finance and Budget Committee and Executive Board, to be held as a part of the Council Planning Institute, scheduled to be held in Tyler on August 4, according to Redditt.

In some localities, Redditt pointed out, where outposts soundly managed community chests have been proven successful, Scouting will participate as a member agency of the local community chest. In most localities, however, independent Boy Scout campaigns will be conducted.

Approximately 15,000 different youths will have been served by Cub Scouting, Boy Scouting and Senior Scouting this year in the sixteen county territory of the council, Redditt pointed out. Over 50,000 boys have been trained by Scouting during the sixteen year history of this area council, he said.

Part of the East Texas Area Council includes: Anglin, Trinity, Nacogdoches, Anderson, Leon, Houston, Cherokee, Shelby, Gregg, Rusk, Harrison, Pecos, Marion, Upshur, Ward and Smith.

Have respect for your friends, relatives and enemies. A blend of what they say behind your back forms your reputation.

JOB HUNTING BEGINS.

The good old days of jobs-for-everybody are over. For the first time in 10 years, career hunters will need all the know-how they can get. Here are some up-to-date pointers from top employment experts:

1. Look for a job in the future. Don't wait until you are out of a job to start looking. Start now. Top-notch jobs are scarce and the competition for them is sharp and intense. The boom which for nearly 10 years allowed work on everyone who wanted it is waning. Business is tightening up. Employers no longer rush to fill a vacancy. They hold back—looking for the right man at the right price.

2. Be realistic. Don't expect to get the job you want. This is the outstanding impression I have gotten from a recent survey of job prospects throughout the country. It is a blunt fact that employment is becoming harder to find. Top-notch jobs are scarce and the competition for them is sharp and intense. The boom which for nearly 10 years allowed work on everyone who wanted it is waning. Business is tightening up. Employers no longer rush to fill a vacancy. They hold back—looking for the right man at the right price.
