HUMBLE OIL AND REFINING COMPANY HAS NEW MOTOR OIL

At more than 2000 retail stations in Texas, Humble Oil & Refining Company this week is introducing new Esso Extra Motor oil, companion product to premium Esso Extra Gasoline.

The motor oil is being advertised through one of the most aggressive advertising campaigns ever placed behind a product by Humble. Advertising is being carried in more than 400 Texas newspapers, and the effort is being supplemented by radio, poster board, point of sale and direct mail programs.

Service stations in cities, towns and hamlets over the state are decorated for the occasion. On the drive-in of these stations are more than 4000 salesmen who have learned about the new product in a series of thirty additional meetings held in recent weeks.

WHY HAVE CHAMBER OF COMMERCE HERE

The Crockett and Houston County Chamber of Commerce membership committee held its kick-off meeting Tuesday at the chamber offices, according to Robert von Doehhoff, committee chairman.

Committee members were given an information kit prepared by Bert Sherron, chamber manager, containing information on chamber activities and why it is important for the community to have and to support their chamber of commerce.

Members were divided in teams of two: Robert von Doehhoff and Albert S. Brewer, Herbert Callaway and Alvin Hall, Rush Taylor and Joe Worthington, Harry Truett and Tully Breaux, C. N. Sullivan and Sam Aklage, M. J. Jones and Raymond Cornelius, George Satterwhite and C. W. Kennedy.

The three teams of two that got the highest number of points during the drive will be given handsome prizes. Points will be awarded on the basis of one new member and one new member that comes by the chamber office and gets acquainted and looks over the many sources of reliable information and services the chamber offers," von Doehhoff said.

HOUSTON COUNTY STUDENTS HONORED

Huntville, June 24.—Seven Houston county students are listed on the summer honor roll at Sam Houston State for outstanding scholastic achievement during the spring semester.

Richard, who made four A's; Patrick Brown, who made four A's and one B; William Howard Leediker, who made four A's and one B; all of Crockett; Ray Chandler of Balford; who made four A's and one C; Peggy Ruth McGilton of Laredo, who made three A's and two B's; Bernice Coon of Austin, who made four A's and one B; and Martha Ann Hill of Grapeland, who made four A's and two B's.

VACATION BIBLE SCHOOL HELD HERE

The vacation Bible school held in the First Baptist church, Crockett, from June 6 through 17 had an enrollment of 127. It was under the control of the church, with Brother Lee, Mrs. John L. Dean Jr. as principal, Mrs. T. E. Dawson as assistant principal and Mrs. Beale Waller as general secretary. The school had a faculty of about thirty-five willing women workers of the church, who gave of their time to the working test books published by the Sunday school board. A freewill offering each morning for missions amounted to \$21.90. It was indeed a very worthwhile school.

BOY SCOUTS LEAVE FOR CAMP TONKAWA

Members of Troop 432 will leave for Camp Tonkawa, near Garrison, on Monday, June 26. They will remain in camp all that week, returning on Saturday, July 2.

The bus will leave the home of Mr. Joe S. Aklage, 301 North Eighth street, at 12 m. This time has been fixed to allow all Scouts to attend Sunday school before their departure, and to eat their lunch before leaving for camp.

The Scoutmaster and assistant Scoutmaster, Fr. Spindler and Mr. Joe S. Aklage, will accompany the troop to camp.

One thing to remember while traveling on the highway is that lost time can sometimes be made up, but death is permanent.

LIBRARIAN REPORTS GIFT BOOKS ADDED

"I Capture the Castle" is a gift book from Mrs. Gail King to the City library. Written by Dodie Smith, it is praised by Christopher Motley, noted author, who said of it: "I can't think of anything I've read since 'The Constant Nymph' that is so complete, so enchanting." Another book from Mrs. King is Stanley Garner's "Half-Wakened Wife."

In memory of Forrest Jones Sr., Mr. and Mrs. George Beard of San Angelo gave to the library "The Test of Henry Ford," by Keith Sward.

Mrs. Mary Driskell, librarian, announces that the library's regular hours are from 2 till 5 p. m. on Tuesdays, Thursdays and Saturdays in the city hall, 2nd South Fifth street.

Many years ago congress passed a series of anti-trust laws to regulate interstate and foreign trade. These laws apply to industry, commerce, and agriculture. They protect the consumer from unfair practices. Yet, at the time, certain labor leaders and labor unions were wielding power to an extent which was never dreamed of by the "rubber barons" of the last century.

TRYING TO RESTORE FORMER PROMINENT DOMINIQUE BREED

C. C. Springfield in Houston Chronicle-Crockett, June 16.—Earle Porter

Adams, attorney and former D. A. of the district, has a habit of leaving his office now and then without telling anyone where he is going. If you really want to find him on such occasions and a check of the courthouse and office-stations fails to reveal his whereabouts, chances are you'll find him at home out in the area behind his house.

There, he'll be walking around chicks and the mature birds.

When Mr. Adams became interested in breeding birds, he could find only about 20 people who were breeding the bird. Letters to them asking for pieces brought him a few more. The truth is that the matter is that the breeders were reluctant to sell.

"They would, however, refer me to others whom they believed had Dominique birds for sale," says Mr. Adams. At any rate, he persisted until he got a few birds.

And now, we might well ask the question, what does Mr. Adams expect to get out of this hobby of his in which he has some 1200 birds, exclusive of the land?

He answers you: "Not money. Certainly not, although a person could make money by advertising. And already, I am getting numerous letters from people who would like to buy my stock."

Gives your car Extra protection

Esso Extra MOTOR OIL

The Finest motor oil we've ever sold

Your acceptance of motor oil quality is based on faith in the Company which supplies it. The new Esso Extra Motor Oil is the finest the Humble Company has ever supplied its customers. Extra motor oil testing has convinced us that Esso Extra Motor Oil will give the engine of your car extra protection against heat, wear, corrosion and the formation of sludge, carbon and varnish. We recommend Esso Extra Motor Oil without qualification. It is the companion motor oil to Esso Extra Gasoline.

The makers of Humble Esso Extra gasoline present with pride the new Humble Esso Extra motor oil. Esso Extra gasoline proved its quality with performance in your car—you noticed extra anti-knock quality, you noticed extra power. The extra quality of Esso Extra motor oil is hidden inside the engine of your car. But it shows up in the three-way extra protection it gives your car.

Extra 1 Humble Esso Extra Motor Oil gives extra lubrication quality—it covers and stays on metal parts.

Extra 2 Humble Esso Extra Motor Oil gives extra cooling—hot engine parts are quickly

bathed with cooling Esso Extra Motor Oil.

Extra 3 Humble Esso Extra Motor Oil keeps engines extra clean—its detergent action picks up, breaks up and disperses soot, sludge, varnish and dirt.

This extra performance is something extra for your money, for Humble Esso Extra costs no more than other premium motor oils. Stop at the Humble station in your neighborhood—today—and have dirty, dangerous motor oil drained from your car—then refill with new Humble Esso Extra. Your Humble station salesman can do this while you wait.

HUMBLE OIL & REFINING COMPANY

Here's How New Humble Esso Extra Motor Oil Protects Your Car

CLEANS!
You probably use a good detergent soap in your kitchen. Now use Esso Extra Motor Oil. It cleans a detergent specially designed to be added to motor oil to keep engine clean. It's a good detergent soap and not mud and dirt. It's a good detergent. The mild detergent in Esso Extra Motor Oil is safe for use in the most exacting automobile engines made.

NO RING!
You know how a good salt water carries dirt down the drain pipe—leaves no ring in the tub. Just the same, new Esso Extra Motor Oil breaks up dirt, soot, sludge and varnish and holds it in suspension in particles so tiny—so small you can't see them. They don't harm the engine. When you drain the oil, you also drain the harmful substances which Esso Extra cleans out of your engine.

GOOD FOR YOU—BAD FOR MOTOR OIL
You need oxygen, but oxidized motor oil forms harmful sludge in the engine of your car. New Esso Extra Motor Oil has the highest viscosity index of any motor oil in Texas—over 100.

HOT OR COLD—ALWAYS THE SAME
In cold weather, you want a motor oil that won't thicken so fast. In hot weather, you want an oil that stays full bodied and tough. Scientists rate the ability of an oil to stay the same, hot or cold, by its viscosity index, and, generally, the higher the viscosity index, the better the oil. New Esso Extra Motor Oil has the highest viscosity index of any motor oil in Texas—over 100.

OVER A MILLION MILES
New Esso Extra Motor Oil has been road tested in cars for over a million miles of driving. In every test, whether the car was driven slow in city traffic or pushed on the highway, new Esso Extra Motor Oil proved to the engineers who made the test that it gives extra motor oil performance.
