received the [fina!] [uncertain] report of
the drive today in a letter from Nathan
Adams of Dallas, chairman of the
Treasury [deparments] [uncertain]
advisory committee for

Harry Owens of Dallas, state rector of
the savings bonds division of the Treasury
department, said that the opportunity drive
was an out standing success throughout
the state also, Sales for Texas were

held throughout the nation from May

16 through June 30, with bond purchases through July 18 [belng] [uncertain] count- ed In the [fina!] [uncertain] totals.

Mr. Owens said that Texas sales

[illegible or non-text passage omitted — see scan]

more than Series E sales during the similar period of 1948.

Mr. Adama described the opportunity [uncertain] drive as the most successful savings bonds campaign since the war" and praised the county chairman, his committee and [otber] [uncertain] Jocal volunteers for the fine success you have achieved in your county."

He said that results of the drive indicated a sharp increase in the number of employees bonds through the Payroll Savings Plan where they work and in the number of persons participating in the automatic bond- a-month plan of their banks.

This drive has been proof that increasing thousands of our [eifisens] [uncertain] are [recognising] [uncertain] thrift as the [sarest] [uncertain] means to economic security," he said

AL the [same_time,] [uncertain] our business and civic leaders are daily becoming more aware that the savings bonds program, instead of being merely a wartime expedient, is a powerful and [leontinuing] [uncertain] free for [stabilrring] [uncertain] the business and economic structures of the estate and nation. [Consequently,] [uncertain] throughout the state the finest kind of cooperation for the drive came from county savings funds

[[committees,] [uncertain] business, management, banks and other financial institutions, newspapers, radio [stgtiona,] [uncertain] organiza- those and clubs, and just plain, every day citizens t 2 think the people of Texas can be proud of their accomplishment in j the drive, not only In the large sales total but especially in the

increased Financial security that their investment money an [aavinge] [uncertain] bonds give to them."
