Franklin High Lions Come Here
Friday Night, First 1949 Game

A new football season will be celebrated Friday night when the Franklin High Lions face the Crockett High Bulldogs in Building Stadium at 8 o'clock. Coach Joe Hendrick will bring a rugged eleven here, one that already has a 25 to 6 victory over Taylor High to its credit.

Coach Darryl Simmons was much impressed by the Franklin performance on the field Friday night, as he admitted his first-game opponent. He said the Lions were the spittest formation as if they were old hands at that popular offensive style.

Franklin will average 109 in the line and 102 in the backfield, 166 over all. Crockett probably will run about 145 in the line, 135 in the backfield and 141 over all—an average of pure-played players purchased directly from the outstanding breeders of poultry in the entire world. There will be quality to spare, they say.

Among the breeds exhibited they will have Rhode Island Reds and Silver Laced Wyandottes, eggs of which they purchased from the state of Massachusetts. New Hampshire Reds from New York, Cornish Game from North Carolina and from Connecticut. The White Leghorns, Silver Spangled Hamburgs are from Ohio, White Plymouth Rocks are from Indiana; Buff Orpingtons are from Louisiana; Farm editor from the West. Tri-

The poultry show at the Texas State Fair in Dallas has been attended to the Franklin of Houston county chicken. The first show which will be held in connection with the fair next week will be possible because of the cooperation of the American Legion, Joe Ray Faver, Sullivan Motor Co., Alvin Ball, Lee Knox, T. D. Craddock, Walter Funeral Home and Ross Lee Allen.

There were in excess of 600 baby chicks that were placed in good hands throughout the county, and all of them have done well. "You should see the first crop of chickens," said the poultry expert, "with any poultry show where quality is to be considered," declared the gentlemen who are exhibiting them.

FINEST BREEDS OF
CHICKS EVER SHOWN
WILL BE AT FAIR

Not only fried chicken, but those on the hoof can be very interesting and exciting if one is to take the enthusiasm of Ross Lee Allen, "Doc" Hunter, Earle P. Adams and Glen-Don Jones as an example. They say that Houston county will have, at the coming fair, an opportunity for the first time ever to see assembled in one group seventeen breeds of pure-bred poultry purchased directly from the outstanding breeders of poultry in the entire world. There will be quality to spare, they say.

Among the breeds exhibited they will have Rhode Island Reds and Silver Laced Wyandottes, eggs of which they purchased from the state of Massachusetts. New Hampshire Reds from New York, Cornish Game from North Carolina and from Connecticut. SPIDLES ORIGINAL
IN DECORATING
INSIDE STORE

When Spidles' 5 cents to 10 store opened Saturday with everything bright, shiny and new, following the first crop of chickens, it was to display their new merchandise in an original, designed setting. Knowing the tastes of the American Legion, Joe Ray Faver, Sullivan Motor Co., Alvin Ball, Lee Knox, T. D. Craddock, Walter Funeral Home and Ross Lee Allen.

There were in excess of 600 baby chicks that were placed in good hands throughout the county, and all of them have done well. Mrs. Roy (Julge) Selman has returned from a summer attending Texas State College for Women, Denton. She did not find the latter part of the summer as pleasant as she had hoped. She was disappointed in the tomatoes and fruit that she could not stand to see so in waste. He has 200 tons to his credit.

Times Do Change.

Inasmuch as long skirts for women disappeared with long beads for men, we are now going to have long beads for men and long skirts for women. Even with such a crowd of company around the family home, it is not unusual to see a woman in a long skirt, if it is not too long.

"Meet Me at the Fair" Placards
Given Out by Good-Will Caravan

"Come to the Fair" was the invitation extended by several caravans of merchants and other business men and women, accompanied by the band of Bob Greer, Friday all day.

They started from the city hall about 9 a. m. and made stops at all stores along the way to Grapeland for putting out posters and handing out placards. In Grapeland, Elkhart and Alto they gave concerts. People poured out of stores and cars to hear the electric steel guitar, the violin and big bass fiddle played by the maestro (Mr. Greer) himself. Singing, too, was part of the entertainment.

While the men played, the good-will trippers were handing out invitations with the label button and key chains. Between numbers, B. Bert Sherron, chamber of commerce manager, took the "mike" to tell high points of the Houston County Fair and to stress the date, which is the week of September 19 to 24.

"Meet me at the Fair" was the slogan on the posters which were put into the store windows, not only at Grapeland, Elkhart and Alto, but also in Lovelady, Trinity and Groveton, as well as Pennington and other towns of the nearby counties.

This is the third annual American Legion Fair; \$1800 will be in premiums for the variety of prizes. The prizes are open to all citizens. The committee hopes to make this the largest and finest parade which this county has ever staged. They have asked long in advance that all clubs and business firms enter, and to encourage more participation they offer prizes ranging from \$10 down to \$2.50. Horseback and bicycle riders are encouraged to enter. At Fair Park stands are being built by concession holders who have made arrangements with Herbert Callaway, Joe Cloits Jr. and Roland Bear. Food and drinks will be sold at these stands.

POTTED PLANTS
WILL BE SHOWN
AT COUNTY FAIR

If you have a green thumb and can make any plant under the sun grow, here is your chance to win a cash award at the Houston County Fair, September 20-24th. A booth for potted plants, to be located in the Exhibit building between the hours of 10 a. m. and 5 p. m., Monday, September 19, Members of the Magnolia Garden Club will be on hand to receive your entries. Plants will be given proper care, as specified by the owner.

The plants must have been in the hands of the exhibitor for at least three months. Fancy pots and wrappings are not necessary, because the entries will be judged on a horticultural standpoint only. An accredited judge, Mr. W. F. Killingsworth of Palestine, has been invited to judge the show.

For further information concerning the potted plant show, please contact Mrs. Nat Patton Jr. or Mrs. C. N. Sullivan, Crockett, Texas.

BIGGEST PARADE IN
ALL THE COUNTRY
PLANNED SEPT. 20

J. W. Arledge, chairman of the opening parade Tuesday, has the following committees working with him: George Reed, H. J. Trube Sr. and Robert W. Doshoff.

The parade is open to all citizens. The committee hopes to make this the largest and finest parade which this county has ever staged. They have asked long in advance that all clubs and business firms enter, and to encourage more participation they offer prizes ranging from \$10 down to \$2.50. Horseback and bicycle riders are encouraged to enter. At Fair Park stands are being built by concession holders who have made arrangements with Herbert Callaway, Joe Cloits Jr. and Roland Bear. Food and drinks will be sold at these stands.

PROCEEDINGS IN
DISTRICT COURT

District Judge V. Melvin Johnston of Palestine, presiding in Houston county district court Friday, heard the case of a habeas corpus action. The pleadings for a writ of habeas corpus were brought on behalf of Roy Thomas Hubbard, a convict held on the Eastman farm. Attorney J. B. Sallas of Crockett represented the prisoner in the action.

The convict, through his attorney, alleged that he was illegally held in prison. His pleadings contend that he was not properly identified in court in Marion county when the court there assessed a sentence against him as cumulative to a previous sentence in Harris county, therefore the action was not legal.

Judge Johnston will submit the facts as brought out in the hearing here to the court of criminal appeals. The court of criminal appeals will pass on the final disposition of the case. The district court is not given the authority to order a prisoner released.

FINAL RESULTS
OF HAY CONTEST

Houston County Agricultural Improvement Association's hay contest was officially closed September 2. Final weights and placings are:

Ralph L. Moore, Augusta, 6084 pounds.

Lyfe Cherry, Perulla, 5748 lbs.

Thomas Turner, Porter Springs, 5435 lbs.

James Satterwhite, Shady Grove, 5150 lbs.

Woodrow Patrick, Porter Springs, 4910 lbs.

The top place winners produced three tons of good quality hay on one acre, or 121 fifty-pound bales.

Formal awarding of prizes will take place at a date to be announced later.

LOVELADY HOSTS
TRINITY TIGERS

The Lovelady Lions will open their 1949 home football season Friday night when they entertain the Trinity High Tigers, on Memorial Field at Lovelady. The Lions will appear in their new game uniforms for the first time.

Croquet Fife's charges are smarting from a 24 to 0 spanking administered by Grapeland last week. Trinity is not fazed in spirit, at least by a 19 to 0 trouncing at the hands of Navasota. Last season Trinity scored Lovelady 35 to 13. Marvin Cross is the Tiger tutor.

Q. D. Scarborough, weekend visitors were Mr. and Mrs. R. Lang of Austin, who came Thursday, and Mrs. Scarborough's mother, Mrs. D. Scarborough of Oakwood, who came Friday.

A Fish Story.

Mr. and Mrs. Dick Pliska were hosts Thursday night to 24 guests at a fish dinner, served at their vacation home near Austin. But the fish were not fresh, they were the local variety. After returning to Crockett from a non-successful try on his fishing vacation, Mr. Pliska was accompanied by Jim W. Henry, went Thursday morning and caught 24 large white perch; he brought that afternoon and brought in 24 more. Even with such a crowd of company around the family home, it is not unusual to see a woman in a long skirt, if it is not too long.
