COMMUNITY CLINIC WEEK OCTOBER 24

The Crockett and Houston County Chamber of Commerce, with the aid of the East Texas Chapter of Commerce, is holding a Community Clinic the week of October 24. The purpose of the meeting is to find out what the people of Crockett and of the county want done. After the meeting is held we will take all of the suggestions and formulate our program of work.

"Meetings will be held in each community in the county: with the Veterans' Vocational groups, with the high school students, ladies' groups and businessmen of the town. You will be notified later of the time of these meetings. We want everybody to attend their group meeting and express their ideas so that the Chamber of Commerce can set up a program of work that has the backing of our citizens," said Herbert Callaway, president.
