ALL SAINTS' EPISCOPAL CHURCH

Corporate Communion at All Saints'. The corporate communion of the men and boys of the church will mark the beginning of the new church year on Sunday, November 27, which is the first Sunday in Advent. The service will be held at 8 a. m. at All Saints' Parish House, and it will be followed by a breakfast served at the Crockett Hotel.

"Up until this year," Fr. Spindler explained, "it has been necessary for our men and boys to go to Palestine to observe this corporate act of the church here in America. Now that we have a resident priest here, it is possible to institute this observance at All Saints' church, and we have done that this year."

At this communion service, the men and boys make an offering which is used for the expansion of the missionary work of the church here in the Lone Star State. By their prayers and by their gifts, they share in this work for the extension of Christ's Kingdom.

Thanksgiving to Be Observed. Although the vicar and congregation of All Saints' will have part in the observance of Thanksgiving at the union Thanksgiving service to be held on Wednesday night at the high school auditorium, the act of worship does not relieve Episcopalians of their obligation to carry out the appointed service of the Book of Common Prayer. The holy communion will be celebrated at 11 a. m. on Thursday, November 24, using the Proper Collect, Epistle, and Gospel for Thanksgiving day. There will be no sermon at this service.

There will be no early service on Thursday, because the vicar, as president of the Housatonic Ministerial Alliance, must provide at the Housatonic Thanksgiving service in Houston, which has been set at 8:30 a. m.

CROCKETT DOWNS GROVETON CAGERS

The Crockett independent basketball team, managed by George Barton, opened the new season Wednesday night of last week, when they downed the Groveton independent quarter 41 to 28 in the high school gymnasium here. Groveton, paced by Winton Lawrence, "Hoot" Gibson and Deaton, made a battle of it, but in the end, 18-16, at the intermission however, Barton's starters built up a lead after the rest of the team broke down to smaller reserves. Lefty Harrison made 14 points and Robert Summers 12 in the Crockett point totals.

A Thanksgiving Letter.

Dear Friends:

As I try to enumerate my blessings at this Thanksgiving season, I feel that I would be an ingrate if I failed to express verbal thanks to all of my old and new friends for the warm reception that you have given me in my business venture since last June. I count the new people I have met as "Friends," not just "Contacts" and hope I can count them so throughout the years. I want to assure you, both prospective buyers and sellers, that there is no effort too great for me to make to try to secure for you the place you want to buy and to sell the property you want to sell. I consider a deal that is not a blessing to both buyer and seller is not the right deal and I had rather miss a sale than be a party to a bad one. Most real estate is "bought," not "sold," and I endeavor to work along this line. If a buyer is "responsive" to a place he likes, the rest is easy.

I am most thankful to each of you and to the Giver of all good gifts for my many blessings.

Sincerely your friend,

Mary Lee DeWitt.

Currier, who was the talkative Mrs. Greene waiting to be ordained as a preacher, and Mrs. Nat Patton Sr., the demure Mrs. Snow who was glad to make up afterward. A talk on the work of Christian women was given by Miss Maude Hall.

Mrs. Claude Brown was devotional leader and accompanist for the song service.

If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, because it contains five of nature's vitamins and important minerals to the young and old alike. Because the HADACOL helps recover the nerves that control the stomach, thousands who had been troubled by HADACOL were a lot of it. A man of 45 who felt like he was 18, and a beautiful little girl two years old, I started and after three of the HADACOL, I felt like a new man. I had been sick for almost two years and was suffering with gastric disturbances and bloating. I had to stay in bed most of the time. I lost courage and felt that there was no hope for me.

Mrs. Duquet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL, I felt like a new person," said Mrs. Duquet. "I lost my weight without ill effects and sleep well. I feel much stronger."

Neville Duquet, of Route 1, Box 191, El Cerrito, Cal., is a successful farmer who had worked early and late at all kinds of hard work for 30 years. He had a lot of trouble with his stomach. He had been told that he would never be able to work that way again. He had tried many medicines, but he felt no better.

"I had all kinds of stomach troubles," said Mr. Duquet. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was unable to eat. I was so nervous that I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. Instead they will meet Saturday, November 19, from 10 to 12 a. m. for a winter roast and to start a Christmas surprise for their in-laws. This meeting will be held at the Girl Scout Little House. Bring 25 cents to pay for lunch. Why don't you come dressed as a hobbit. Meeting will end exactly at 12 noon.
