FATHER SPINDLER ASSIS. SCOUTMASTER TO SECOND JAMBOREE

Father Frank McJ. Spindler, Scoutmaster of Crockett Boy Scout Troop 422, has been selected as a member of the East Texas Area Council, Boy Scouts of America, staff for the contingent to go from this area to the National Scout Jamboree, to be held at Valley Forge, Pa., in late June and early July of 1950. The assignment was made at a joint troop meeting and Tenderfoot Investiture Service of Troop 422, by Lehel L. Robertson, assistant council Scout executive and jamboree administrator for the council.

Over 40,000 boys from all parts of the United States and the civilized world will gather at Valley Forge between June 30 and July 6 in the second National Scout Jamboree. The first was held in 1927 at Washington, D. C., with almost 20,000 boys taking part. Five thousand boys will attend from Texas, Oklahoma and New Mexico (Region IX), and 350 will go from the 16-county East Texas Area Council.

Ten provisional Jamboree troops have been organized, each to consist of 10 boys, a Scoutmaster and two assistant Scoutmasters. Father Spindler has been selected as assistant Scoutmaster of Jamboree Troop No. 1, to be made up of representatives from Anderson, Leon, Trinity, Cherokee and Houston counties. Earl Stephens of Jacksonville is Scoutmaster, and W. E. Whitlaid is assistant Scoutmaster. Boy members of the troop are now being recruited by the jamboree leaders.

MRS. MARKHAM WINS 1950 SHELVADOR

Mrs. Estelle Markham took home the nice prize from Morrow Furniture store after the Saturday announcement of winner in the local Crockett "Give-Away" contest. She won in 50 words or less why she thought Mr. Etheridge Morrow, owner of the store, should give her the new 1950 Model CB-9 Shelvador Refrigerator.

Now that the local contest is finished, Mr. Morrow wants to emphasize that there is still a chance for some Crockett person to win in the large national contest. The winner will be picked December 20.

MISS KING QUOTES FROM NEWTON WIRE IN CHURCH HISTORY

Miss Katie King, in giving the church history in the 110th anniversary services last Sunday at the First Methodist church, read the following telegram from Mrs. Josie Newton: "Noted in the Courier of Methodist anniversary Sunday. Suppose you tell me my father donated the site for that church and I joined it in 1875 at the age of 13. Jim Foster of California and I are the oldest living members. Katie might welcome this information for her history. D. M. Stovall was her first pastor."

The telegram was addressed to Miss Minnie Craddock, who is another long-time member of the church. Miss King used as her chief source of information for her history Judge A. A. Aldrich's "History of Houston County, Texas." The judge began by saying that in the latter end of 1829, Texas was divided into two vast districts and seventeen churches were recorded, Crockett being one of the seventeen.

She read the names of the pastors of the Crockett church from its origin in 1829 to the present. From 1829 they were Ellis Smith, E. L. Crawford, George A. LaCivie, H. A. Hopley and Mervand Whaling, C. E. Smith, Irvin E. Manly, James W. Downs, F. M. Boyles, George W. De-

vis, D. H. Hutchins, U. C. McLarty, C. H. Garrett, E. A. Morris, C. W. Hughes, C. A. Lohmeyer, P. T. Ham, Terry W. Wilson, John V. Berglund, Bob L. Paul, P. D. Dawson, O. W. Hines, H. L. Murrey, Harry W. Hankins, Lew Lemons, C. L. Williams and Leslie LeGrand.

Records show that more than 50 years ago the membership was over 250.

The Houston Fat Stock Show and Livestock Exposition says: "Our 44th Club day will be Saturday, February 4, 1950. We believe your 4-H Club members will be greatly benefited by a visit to the 1950 Houston Fat Stock show. It will be our greatest show. Already the finest herds of the nation have made entries and, with Roy Rogers and his radio and movie troupe, heading the program, you are assured the very best. We are again making the same special price as last year to all 4-H Club members on Saturday, February 4. We want them to see the show."

COUNTY ENDORSES EXTENSION OF COTTON CONTROLS

Houston county voted on Thursday of last week on the question of further governmental cotton acreage control and further governmental cotton price supports. The vote was favorable to further extension of the program. On account of the government having so much unsold cotton in storage, acreage allotments are expected to be reduced and price supports maintained. The election, held under the direction of the farm board, was favorable in the cotton growing section. Congress will have the final say—the last word—when it meets in January session.

The vote in Houston county was as follows: For extending the national government farm programs, 105 votes. Against extending the national government farm programs, 107 votes. A large majority favored the government's crop controls. The government's large unsold crop in storage had its influence, no doubt.
