JUST A WORD WITH OUR SUBSCRIBERS

In our list of subscriptions and renewals this week we have fifteen names, just one less than for each of the last several weeks. The Courier wishes all of these, and all of the others, a happy and prosperous New Year, and we hope you had a very Merry Christmas. May contentment be yours throughout the year, and may your years upon this earth be many more and your Christmases no less. We wish to thank in this connection our friends and patrons for their continued loyalty and support and to solicit its continuance. May all of your troubles be little ones. Following is this week's list:

Mrs. L. S. Stevenson, Lovelady.
Mrs. Ruby Bentley, Crockett.
Albert Stubbinsfield, Palestine.
D. J. Johnson, Crockett Rt. 1.

ANNE JO LEATHERS NAMED TO COLLEGE "WHO'S WHO"

Huntsville, December 20.—Anne Jo Leathers, daughter of Mr. and Mrs. Joel F. Leathers of Centerline, has been named as one of the 20 Sam Houston State students listed in "Who's Who on the Campus" for the fall semester.

The list of outstanding students are given special mention in the Alameda campus yearbook, according to John Dunn, editor. The qualifications for the honor were participation in extracurricular and school activities, C average, and at least thirty-two semester hours credit.

Miss Leathers is a senior home economics major and a member of the college student council. She is also secretary of the Anne Gibbs Literary Society and a member of the Future Teachers of America.

A PRAYER BY MRS. MABEL DOLAN

Dear Lord, as we come to the close of the year, we come thanking Thee for the love and the many blessings Thou hast given us. Lord, we have so many things to be thankful for. Make us worthy of Thy love, give us more faith, help us as Christians to live closer to Thee each day.

Lord, help us to bear our burdens. We cannot bear them alone. Help us to do unto others as we would have them do unto us. Dear Lord, deliver us from all evil. Watch our footsteps lest they stray and help us to walk the narrow way.

Dear Lord, we pray for our loved ones and friends who know Thee not. Help them to realize that every knee shall bow and every tongue confess. Call upon the Lord—He will help you. O Lord, our hearts are so burdened for the lost of this world. Lord, give us the old-time religion that will do when we are dying. Help us to live our religion every day that we live.

We may be called the children of God, if God can be for us, who can be against us?

Dear Lord, bless the sick and all who are in sorrow. Comfort them. Lord, help me to live a life in Thy service for Christ's sake—Christ who gave His life for me that I might have life everlasting. Lord, take us and use us for Thy glory, and when we close our eyes in death, give us a home on high, where all is peace and joy forever and forever. Amen.

Gracie Allen.

No matter how unpleasant the snow is, it has been a real godsend to Los Angeles reporters. The stories they've written lately about what goes on during snow blockades are amazing. Consider, for instance, the one about the bride who had her husband arrested for missing. They met and

were married in the snow—and when it cleared up she thought a stranger was kissing her and called the police. Another report tells about a lost duck being rescued by a policeman. The snow was so deep the poor duck couldn't fly and finally was itself out swimming through it.

The snow is a wonderful, love for everybody. Usually our Southern California weather is so mild that the only way we can start a conversation is to talk about how chilly it is in Florida. Houston Chronicle.

SERVING the Gulf South

...through SAFETY TRAINING

There will be fewer accidents in your home if you know and follow the simple rules of safe living. That's why industrial safety programs are so important to our welfare and happiness. In the United Gas organization there is a continuing, intensive safety training program, teaching employees safe work practices, safe driving, safety in the home.

By instilling the need for safety in its 5,000 employees, United Gas helps make the Gulf South a better place to live in. This is another example of the way the American Business System works to bring better living to your community.
