CROCKETT COURIER: DECEMBER 28, 1950

NAVY STATEMENT ON RESERVE RECALLS

The future recall of Naval Reserve personnel discussed above is predicated on the extension of the Selective Service Act of 1948 as amended by recent Congressional action.

Since members of the Naval Reserve have been commuted or enlisted since June 24, 1946, the date of enactment of the present Selective Service Act, are not thereby exempt from the draft, the Navy Department does not intend to commutation or enlist in the Naval Reserve draft eligible personnel unless their service can be immediately utilized on active duty.

Patrolmen Governing Officer Recall.
The primary consideration governing the recall of officers has been the needs of the service. Because of that fact officers with certain qualifications must be called while officers of equal capabilities but with other qualifications will not be required.

In general the recall has been limited to general duty officers for service in the grades of Lieutenant Commander and below.

The following categories of officers have either NOT been recalled or the number recalled have been severely restricted (and this policy will remain substantially in effect):

Captains of all categories.
Commanders of all categories.

Officers with special qualifications in law, public information, intelligence, communication security and hydrography.

General line officer specialists such as athletic instructors, educators, postal officers and civil administrators.

Warrant officers except those who have volunteered.

Civil Engineer Corps officers for CEs.

Officers over in grade.

Patrolmen Governing Recall of Aviation Reserve Officers.

More requests for voluntary active duty from Aviation Reserve officers have been received than can be utilized in the foreseeable future. Therefore until further notice no further applications for active duty are desired from Aviation Reserve officers.

Names of officers whose requests have already been received will be retained on file. It is anticipated that only a limited number of Naval Aviators will be required during remainder of this fiscal year (ending 30 June, 1951). Criteria for future recalls will normally be as follows:

(a) Officers who were released from the active duty in past eighteen months; or

(b) Officers who are currently assigned to Organized Aviation Reserve Units and have been so assigned for a period of more than six months immediately preceding recall to active duty; or

(c) Officers who possess special qualifications.

Requirements for Aviation Ground officer specialists have been substantially fulfilled for the immediate future.

As soon as the exact requirements for Aviation officers can be determined each individual applicant will be advised as to his status relative to recall.

Release of Officers to Inactive Duty.
Reserve officers involuntarily recalled in fiscal 1951 will be phased out in an orderly manner commencing in October 1951.

This will mean that some officers will be released after 15 months of service while others will serve varying periods but not to exceed 21 months.

Such releases would be phased evenly over the months, at the rate of approximately 1,500 per month, until December 1952, when the last of the original involuntary recalls would return to inactive duty.

Consistent with the needs of the service, the desires of the individual to remain on active duty will be taken into consideration prior to the establishment of a phasing-out schedule.

LOVELADY BAND TO MARCH IN HOUSTON

Houston, December 28.—Plans are rapidly taking shape for the largest opening day parade in the history of the Houston Fat Stock Show and Live-Stock Exposition.

Show President W. A. Lee made the announcement that the Lovelady Band Director Mrs. Vernon Fitzgerald that the Lovelady High School band would be one of the more than 50 organizations which would march in the gigantic parade on January 31, the day when the 1951 Houston show opens its 42-day run.

Members of the band will be guests of the stock show at the premier performance of the world championship rodeo, Mr. Lee said.

They will be the first to see the more than two-hours of lightning-fast entertainment which is being shaped for the rodeo by veteran rodeo producer, Everett E. Colburn of Dallas.

Highlighting the entertainment will be William (Hopalong Cassidy) Boyd and Eddy Arnold and his Oklahoma

MARCH OF DIMES INVESTMENT OF \$4,477 MADE THIS POSSIBLE

Thomas (Ted) Dillon, seven-and-a-half-year-old youngster of Los Angeles, hopes contributions to the March of Dimes flow as wide and deep as the water he's swimming through. Ted, an ex-respirator of the National Foundation for Infantile Paralysis, The National Foundation spent \$25,000,000 in March of Dimes funds last year and wound up operating its patient care program at a deficit. Help assure continued treatment for kids like Ted by giving generously to the 1951 March of Dimes this month.

JUST A WORD WITH OUR SUBSCRIBERS

Our list of renewals and subscribers this week contains fourteen names, which is a good list for this busy time, and each name is appreciated. The following will please accept our thanks for making up this good list at this time:

Mrs. Emil Weisberg, Riverside Drive, N. Y.

Mrs. Wilson Adair, Wilmar, Calif.

E. C. Hoyer, Houston.

W. R. Turner, Crockett.

Robert K. Bowdoin, Crockett Rt. 2.

Mrs. G. C. Jackson Jr., Anaheim.

Mrs. J. L. Burton for H. A. Phillips, Boyd.

Harvey McCarty, Boise, Idaho.

A. O. Ashmore, Houston.

Taylor B. Nelson, Orange.

L. A. Kieckhefer, Houston.

W. G. Greath, Houston.

Mrs. W. V. Berry for J. H. Berry, Beaumont.

Mrs. W. V. Berry for Mrs. Homer Graham, Snyder.

ABOUT THE TEXAS FORESTRY SITUATION

To: Members of the Texas Forestry Association and Other Friends of Texas' Forests.

A serious forest economy situation confronts Texas. The plain truth of the matter is that our forests are not being adequately protected or properly managed.

The demand for lumber and other forest products is increasing. More and more lumber is being shipped in to Texas, while 800,000 acres of our forest land is denuded and completely idle. The rest of the 10,000,000 acres of privately owned forest land in Texas is growing less than one-half the amount of timber it is capable of growing.

Forest fires continue to destroy vast quantities of merchantable stumpage and to kill millions of young seedlings needed to replace mature timber as it is cut.

This year pine bark beetles have destroyed millions of feet of pine saw log timber. Next year the situation could be much worse.

Texas, one of the richest states of the nation, is spending less on the protection and development of her forests, acre per acre, than any other southern state.

The Texas Forestry Association fa-

Smokey Says:

Time out for forest fire prevention

Building Permits.

Two building permits issued during December at the office of City Secretary J. D. Woodson add \$11,000 to the city's total of new construction for 1950. Included are:

A. C. Cutler, wood frame residence, Sixth street.

J. H. McElroy, brick veneer semi-dwelling, Grace street.

A well located electric light in the basement will make night trips to and from the barn and other outbuildings safer.

Unless good shelters are provided, huge are in great danger of contracting flu when cold nights follow warm days. Keep the human body, need a warm, dry place in which to sleep.

REMEMBER WHEN

...this was your warmest friend

Those were the days when you took the heater with you... to the bedroom, the bath or the parlor. That was when heating at its best left "pockets" of cold air which made many parts of the house uncomfortable. Today, adequate, vented, automatic natural gas heating will keep every room in the house at "shirt-sleeve" temperature... with just the right amount of moisture for healthy indoor living. Get complete information on the new, improved GAS heating equipment from your dealer. Be sure it's adequate. Be sure it's vented. Be sure it's automatic. Be sure it's GAS.

The economy and dependability of natural gas service help bring about many of the modern conveniences that make our standard of living the highest on earth. Many factories that supply our daily essentials are fueled by natural gas. Yes, natural gas... and the companies which produce, process and deliver it... are an integral part of our economy... a good example of American private enterprise operating for the benefit of people in all walks of life.

SERVING THE Gulf South

NAVY STATEMENT ON RESERVE RECALLS

Estimate of Involuntary Officer Recall.

It will be necessary to replace some of these Reserve officers by other Reserve officers also involuntarily called to active duty. Every effort will be made to reduce to an absolute minimum the number of Reserve officers so called involuntarily. It is not possible at this time to estimate accurately the number and categories that will be required.

Patrolmen Governing Recall of Enlisted Personnel.

By January 1, 1951, the Navy will have completed the major portion of USNR enlisted recalls.

There will remain a further requirement for 31,000 Reservists to be recalled during the first six months of calendar year 1951; spread evenly over that period.

This number will be comprised of approximately one-half petty officers and one-half nonrated personnel in pay grade E-2 (seaman or equivalent) or in pay grades E-1 (recruit) and E-2 (apprentice) who have had at least six months' prior active duty experience.

Enlisted Recall Quotas for January Through March 1951.

The quota for the recall of personnel to report for active duty in January, February and March 1951 has recently been issued. It is comprised of:

(a) CPDs in the ratings of Inshore Technician, Personnelman, Storekeeper, Ship's Serviceman, Journalist, Draftsman, Machinery Repairman, E. C. Electrician, Pipe Fitter, Builder, Blacksmith and Utility Man.

(b) Petty officers first, second and third class in the following ratings: Quartermaster, Torpedoman's Mate, Gunner's Mate, Instrumentman, Teller, Communications Technician, Personnelman, Storekeeper, Hullman, Clerk, Communicator, Ship's Serviceman, Journalist, Draftsman, Musician, Machinist's Mate, Machinery Construction Electrician's Mate, Diver, Radioman, Blacksmith and Utility Man.

(c) Nonrated personnel in the ratings of Quartermaster, Storekeeper, Hullman, Clerk and Dental Technician.

(d) Waves in the ratings of Telecommunications Technician, Personnelman, Storekeeper, Hullman, Clerk and Dental Technician.

(e) A limited number of men in various ratings who are qualified in mathematics.

(f) A group of general service ratings and airmen of the Organized Air Reserve.

Enlisted Recall Quotas for April Through June 1951.

The exact numbers in ratings to be included in the April-May-June 1951 recalls have not yet been determined. The general pattern of ratings will be similar to the first three categories listed above, with some additions and deletions to the listed ratings as may become necessary, but the basis will continue to be:

(a) Calls on chief petty officers limited to ratings in which active shortages exist.

(b) Calls on other petty officers in the ratings wherein the need is greatest.

(c) Calls in order of 7,000 nonrated personnel.

Enlisted Recall Quotas After July 1, 1951.

After 1 July 1951, enlisted recalls will be composed of:

(a) About 5,000 nonrated men per month.

(b) Negligible numbers of petty officers, and these only as necessary to meet shortages in certain rating groups that may develop.

COTTON BOWL GAME ON AIR BY HUMBLE

Observing its 17th year of Southwest Conference football coverage, Humble Oil & Refining Company will broadcast the Cotton Bowl game on January 1, with Ken Tipton and Alce Chesser at the microphones.

The description of this fifteenth Cotton Bowl Classic, its prestige at a new high with top-ranked Texas and Tennessee as opponents, will be carried over a comprehensive radio

network that crisscrosses the state. Twenty-eight stations are listed, including outlets from Wendover to Amarillo, and from Texarkana to Orange.

The veteran announcing team for the Cotton Bowl Tipton and Chesser represent a total of 23 years of Humble football broadcast experience, and a total of 35 reports between them during the 1950 season alone. Tipton will handle the play-by-play account of the contrasting styles of the single wing Vole and T foundation Steve Chesser will describe pregame and halftime pageantry.

Breakout time for the January 1 game is 1:31 p. m., with the kickoff set for 1:41 p. m.

The complete list of stations includes WAAA-WHAT-299, Dallas; Fort Worth; WOAI, San Antonio; KRIS, Houston; KRIS, Corpus Christi; KRIS, Austin; KRIS, Lubbock; KRIS, Amarillo; KRIS, El Paso; KRIS, San Antonio; KRIS, Big Spring; KRIS, Midland; KRIS, Brownsville; KRIS, Sherman; KRIS, Greenville; KRIS, Sulphur Springs; KRIS, Pampa; KRIS, Texarkana; KRIS, Longview; KRIS, Marshall; KRIS, Pecos; KRIS, Alpine; KRIS, Monahans; KRIS, Odessa; KRIS, Wichita Falls; and KRIS, Lamesa.

Along with several hundred other men, they will spend the first eight days taking shots, watching orientation films, practicing close-order drill, and completing questionnaires. Many of the men are reservists recalled to active duty, but the majority are leaving army ways for the first time. When processing is completed, the reservists will be assigned to permanent units, and the inductees will report for six weeks basic training at various posts throughout the country.

The wife of the congressional representative sat up in bed, a startled look on her face. "Jim," she whispered, "there's a rubber in the house." "Impossible!" was the reply. "In the state, yes, but in the house, never!"

Attending the wedding of Miss Pauline Durd and Judge L. L. Moore in Houston from Crockett were Mrs. and Mrs. J. P. Hall and sons, Eben and Jack; Louis Durd, B. F. Thomas and Mrs. A. M. Durd.

Mrs. J. S. Wooters was hostess at a bridge party honoring Mrs. Smith B. Wooters, Mrs. John H. Wooters and Miss Jennette Grubbs. Assisting in hostess duties were Miss Mary Catherine Oiler, Julia Elizabeth Satterwhite and Mary Eleanor Shivers.

Earl Bryan bought the interest of J. G. Monk in the Mecca Cafe and was to operate the business with Homer West.

Ephesus and Latex schoolboy basketball teams split games, Latex winning one 10-4 and Ephesus the

CROCKETT DOWNS ELKHART AGAIN

The Crockett High Bulldogs made it two straight over the Elkhart High Elks in basketball by winning on the parlor Elkhart floor Tuesday night, December 19, by a score of 38 to 14.

Elkhart threw up a very effective zone defense against Crockett, but the Bulldogs also turned in a good defensive performance. The Bulldogs were ahead at the half by 10 to 0.

The Crockett team also defeated the Elkhart team handily at Elkhart.

The games wound up the pre-holiday schedule for the Crockett High

Elkhart team.

The Crockett team will be in action again on January 1, when they will play the Elkhart team at Elkhart.

The Crockett team will be in action again on January 1, when they will play the Elkhart team at Elkhart.
