**LOVELADY LIONS SPONSORING DECORATIONS**

The Lovelady Lions Club is again sponsoring its annual Christmas decoration campaign at Lovelady this year.

First and second prizes will be given best decorated homes and business houses.

All homes and businesses will be judged either Friday night, December 7, or Saturday night, December 23.

**PYTHIANS HONOR VETERAN MEMBER**

Tuesday night, November 28, was the annual roll call meeting of Darcy Crockett Lodge No. 193, Knights of Pythias, and on that occasion the lodge honored its oldest member in point of continuous membership in the local lodge.

John S. Cook was presented a pin and other mementos making him a life member of the order in recognition of fifty years of continuous membership. Mr. Cook became a member August 29, 1900. Past Chancellor J. B. Humphreys made an appropriate address in presenting this life membership to the recipient, who responded in a few well-chosen words.

**DR. RHEA WILLIAMS FOOTBALL BANQUET SPEAKER TONIGHT**

Dr. Rhea Williams, director of athletics of the University Interscholastic League, is scheduled to be the principal speaker at the annual banquet, honoring the Crockett High Bulldogs football squad of 1950. Dr. Williams is an able speaker and is, of course, thoroughly familiar with all the workings of the league.

The banquet is scheduled for Thursday evening, Dec. 7, at 7:30 o'clock in the high school gymnasium. Mothers of the squad are in charge of arrangements. Tickets have been printed and placed on sale.

**COLDEST MORNING OF THE WINTER ALREADY HERE**

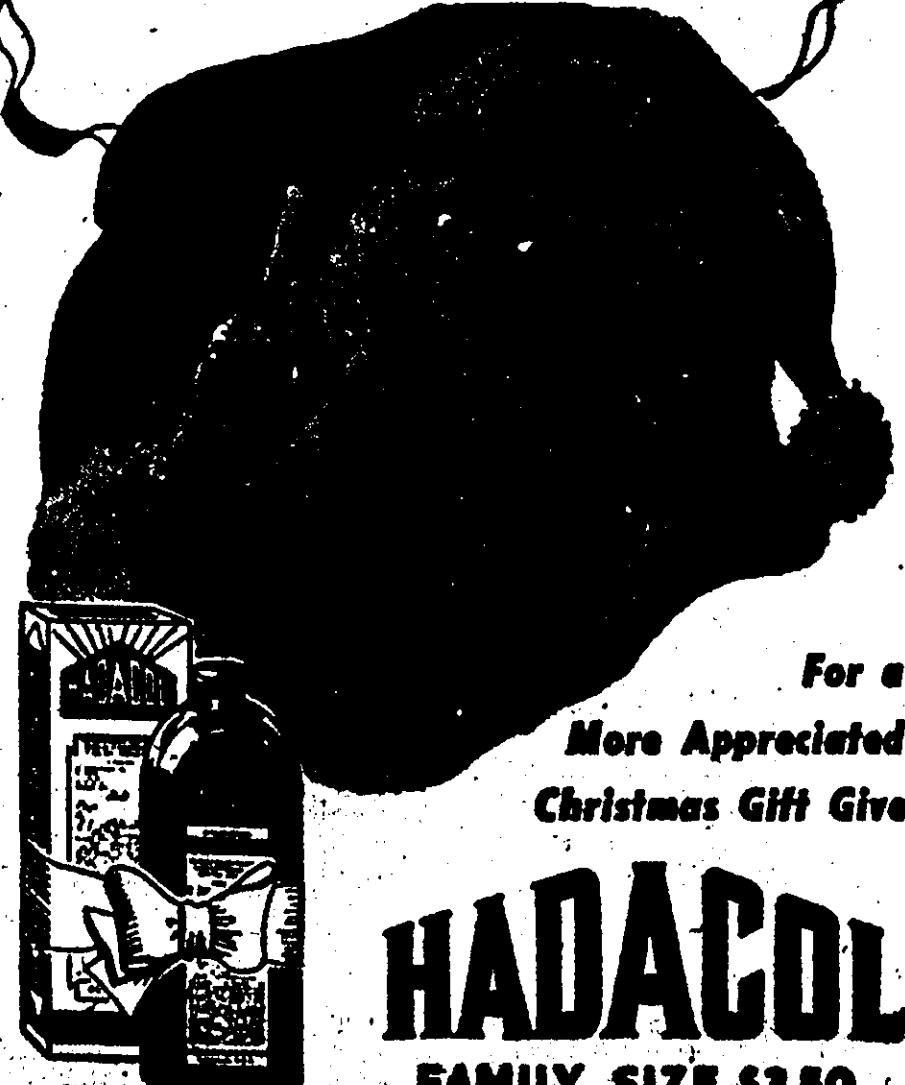

We are all talking about the weather, but nobody is doing anything about it. Some people are reporting that their thermometers "went down to ten above zero Wednesday morning—just as this editor was about to report ten below in his room. But ten below is fiction and ten above may be romance. It was cold enough, however, to make you believe any hearable report. Like fishing, the weather does not always bring out true reports from us. The only people who did not realize how cold it was were those in the hospitals or others who could not get out in it. It was cold enough to make you shiver out your false teeth, an exaggerated report or a natural look on your face—to keep you ducking and dodging the wind—more ice than you ever saw without some rain. And that is about as near the truth as we can get.

**ELKHART, VALLEY MILLS MEET WACO**

The Elkhart Elks will journey to Waco Friday night to meet Valley Mills at 8 o'clock for region 6-B football honors.

Elkhart waded through District 24-B with five wins and then downed Yalokoff Friday night in Palestine, 26 to 20, to grab bidistrict honors and to remain undefeated in season play. Valley Mills had seven victories over 21-B members and then downed Corsican State Home 26 to 14, to grab bidistrict honors and to remain undefeated in season play.

Elkhart will be shooting for its third consecutive regional title. They defeated Midway High Consolidated, 14 to 2, in 1948 and last season edged Academy High of Little River, 7-6.

**The Actual Science of Prayer**

The kind of prayer to which the Founder of Christianity referred when he said unequivocally, "Ask, and ye shall receive"—which accounts for his own great work and the ever-widening healing and liberating work of Christian Science today—is explained scientifically in the first chapter of the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

In eighteen chapters, this single volume gives the complete explanation of Christian Science. Price, \$1.50. Sent postpaid on receipt of remittance, by HORACE J. CARVER, Publishers' Agent, One, Norway Street, Boston 15, Massachusetts.

**CROCKETT BAND WINS HONORS**

The Crockett High School band won division II rating in the region V marching contest at Huntsville Saturday, as well as a twelfth place rating in the state contest at Houston, Texas.

In recent years in class B, only four bands have been rated. Division I, Am Arledge, Peggy Rodd, Betty Ellis, Jane Ellis, Cynthia Gaila and Darcy Crockett, division II rating. Besides Crockett, division II ratings were given Navarro, Silber and West Columbia.

Crockett's twelfth place rating in the state contest was a feat, considering that he was well placed in the showing of his band members in the state. Crockett was competing in class A, whereas this school had competed in recent years in class B.

**SIX HORNETS AND THREE BULLDOGS ALL-DISTRICT 18-A**

By Harvey Bennett.

Six members of the championship Huntsville High Hornets made the all-district 18-A football team, compiled on ballots of the coaches. Partly eclipsing in the balloting were Crockett's Dariusson of Grapeland, Ray of Madisonville, Charles Vary and Luther Ray of Huntsville, and Bobby Timmer of Crockett and Pack of Huntsville. But it was not received in time for computation from Coach Hightower of Livingston. The coaches will please accept our thanks for their cooperation.

Crockett High's Bulldogs, numerals, graded three places and the Livingston Lions and Grapeland Bulldogs kept the remaining places.

Thundarums picks were Sheffield of Huntsville and end and backline of Huntsville and Crockett in the backfield.

Voting was close in many positions, so much so that the coaches in 150 men playing on the second team, instead of eleven.

ES, even that busy little fellow in the ermine-trimmed suit will take time out for a delicious electrically cooked meal. He knows... as housewives the country over know... a modern electric range is the difference between really good cooking and ordinary cooking!

The accurate temperature control of an electric range cuts on and off automatically... maintains uniform heat as low as 150° for foods that need to be cooked slowly, thoroughly. That's why you get wonderful cookbook results so easily, every time! What's more, electric cooking is clean, cool, safe... and economical.

The fortunate woman who finds a new electric range in her kitchen Christmas morn will be happy with electric cooking at least three times every 365 days!

**TEXAS POWER & LIGHT COMPANY**

**CHRISTMAS SPIRIT ON DISPLAY IN CROCKETT**

Clever Christmas window decorations are helping to turn the town of Crockett into the Christmas holiday mood.

With imagination and originality, the store owners are producing some wonderful results already. In another week the windows in the downtown section will sparkle with silver and tinsel, or lend a bit of typically east Texas charm with decorations of real mulles and bolls, with red berries from the woods of east Texas.

It is amazing how many clever ideas are worked out in the decorating. Each is a particular appeal to the eye, but carries out one particular theme that of depicting the "Night Before Christmas," and showing the children "vested all snug in their beds," while visions of sugar plums danced through their heads and with Santa Claus down the chimney. The huge wreath in a newspaper window is likely to look at, too. A young lady there is quite clever in making angle decorations out of just pipe cleaners and wire.

The flower shop windows on Houston avenue have a display of decorated pieces that are unusually different. The windows of a dress shop nearer the square are lovely with its background of silver metal cloth that glows and shimmers when the lights are turned on and form such an effective background for the lovely dresses on display. This shop, at Christmas time, has always made use of the lovely native holly and vines in some way in decorating during the holiday season.

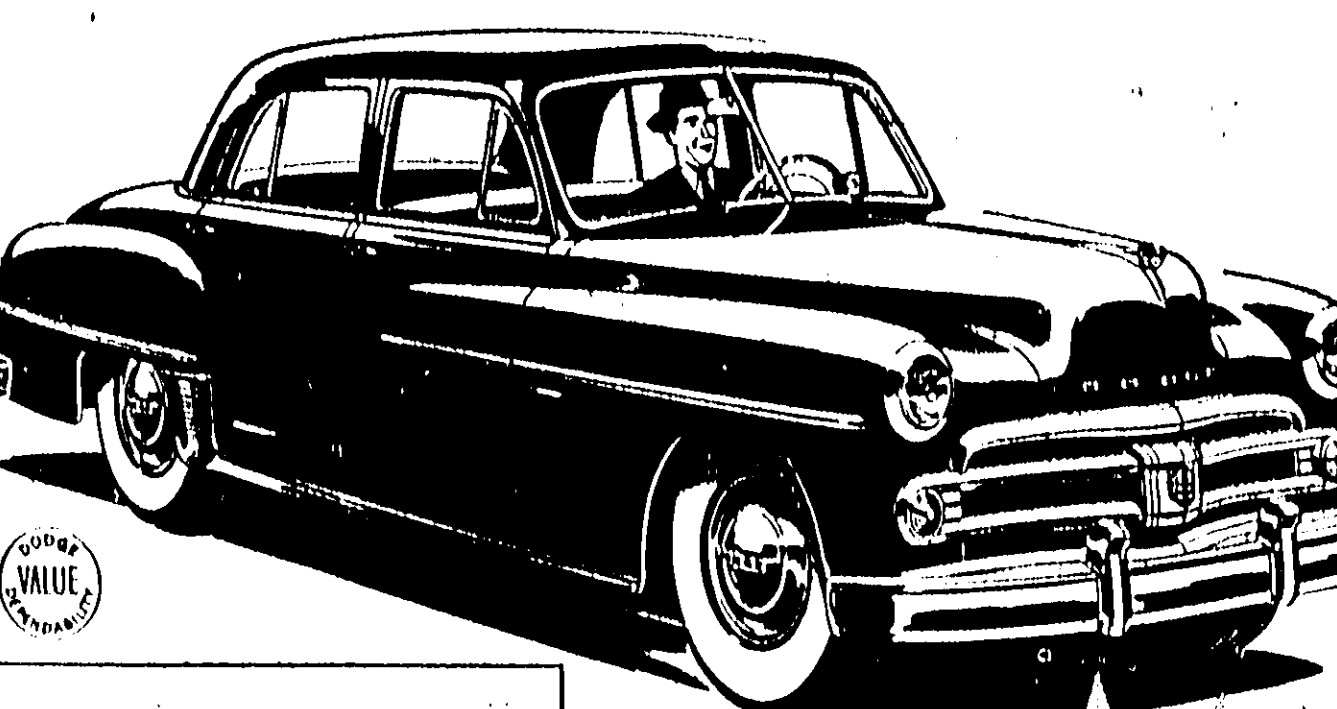

These shops are among others that have been first in decorating and heretofore the approach of the holiday season, but two weeks from now the lights will be on all over the town and the windows in all sections will sparkle and attract many to look at the gay and glittering display of Christmas merchandise.

Mr. John Bear of this city, accompanied by Mr. Burd and Mr. Burton of the Lufkin Supply Company, are on an extended trip to Michigan and Ohio.

Conservation Sam sez: "Make use of the dry weather to get terraces worked up and drain ditches cleaned out."

### TRINITY COUNTY SOIL CONSERVATION

Conservation plans were completed this week on Carroll [Hastepps] [uncertain] farm south of Kennard iv Pine [Prairie] [uncertain] community, Mr. Kastepp has [260] [uncertain] acres of Singletary peas that are coming up to n good stand. He is going to [huil] [uncertain] a large diversion terrace to turn hill. [waterroofé-.of-flat-] [uncertain] cultivated land ant soon as possible,

Practically every district cooperater in the Jones School community planted no [Jargo] [uncertain] acreage of winter cover crops on his farm, They planted from 30% to 100% of the cropland to Hairy [veteh] [uncertain] and Dixie Wonder pens and a large acreage of pasture land to Singletary peas.

[Light.rains] [uncertain] over much of this area have been helpful in suppressing grass fires and will help to bring late planted cover crops up to a stand, Several district cooperaters are going to plant [resecding] [uncertain] Crimson clover on the mois- [ture] [uncertain] that they now have. Much of the early planted Crimson clover has dried from dry weather and freeze.

It [wasnt] [uncertain] many years ago that a field of winter cover crops along the highway was a novelty and many peo- [ple] [uncertain] would ask what it was. Now the fall planting of cover crops is just as much a part of the farming pro- gram as the spring planting of cot- ton and feed crops with a lot of farmers. People can drive any di- [rection] [uncertain] from Crockett on the high- way and see fields of winter cover crops.

Conservation Sam [sez:] [uncertain] Make use of the dry weather to get terraces worked up and drain ditches cleaned

The flower ship windows on Houston avenue" have a display of decorated pieces that are unusually [difforentoin] [uncertain] design, [Tha] [uncertain] windows-of at dress shop nearer the square are lovely with its background of silver metal cloth that glows and glitters when the lights are turned on and forms such an effective background for the lovely dresses on display. This shop, at Christmas time, [bas] [uncertain] always made use of the lovely native holly and vines in some way in decor eating during the holiday season,

These shops are among others that have been first in decorating and heralding the approach of the holiday season, but two weeks from now the lights will be on all over the town and the windows in all sections will sparkle and attract many to look at the gay and glittering display of Christmas merchandise.

Mr. John Bear of this city, accompanied by Mr. Burks and Mr. Burton of the Lufkin Supply Company, are on an extended trip to Michigan and Ohio.
