MAUDE HALL TELLS OF REVOLUTION IN PUERTO RICO

Sancti Spiritus, Puerto Rico,
Nov. 6, 1950.

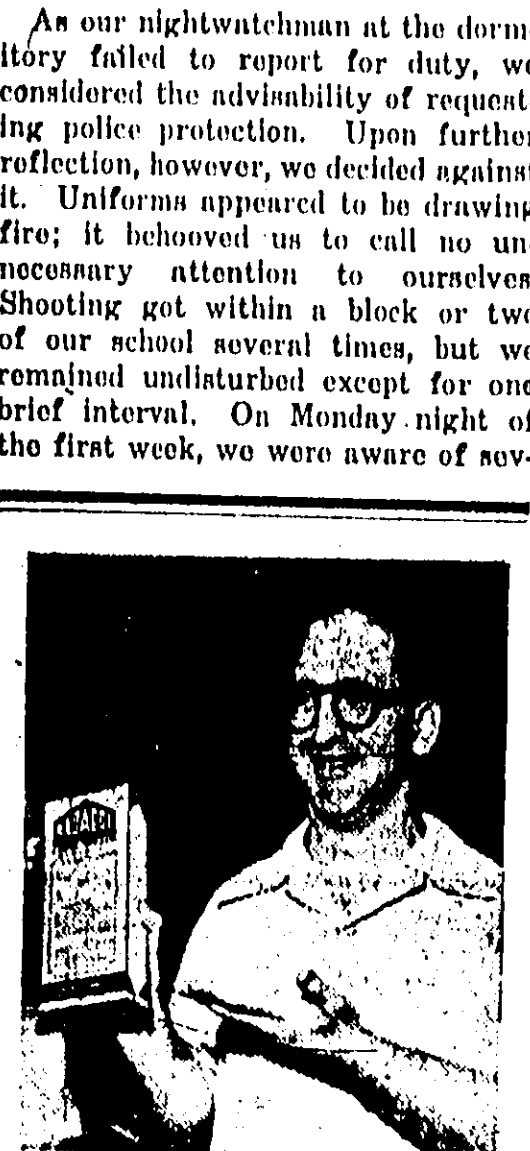

Editor Courier:

So many people from home have written to know what is it like to experience a revolution that I decided to write you my impressions.

The huge jail break on Saturday was the first disturbance, and all that day and night we were constantly aware of the possibility of having a riot. A riotous party was held at the hotel, and the police were kept busy with firing down in the north part of the island. Some of our teachers and pupils were worried about their parents and their homes, for we soon heard that the police were killed or injured and that the national guard was also surrounded. The tanks were sent in to capture the city, and this meant additional danger for family and home.

Monday noon there was firing in the postoffice at San Juan. This was getting closer home. Parents began arriving at the school within the hour to remove their children. One reason they gave was that buses were stopped and searched. Another more frightening reason was because we are known to be American teaching in English, we would be the subject of their fanatic hatred. The daughters of naval officers were taken for safekeeping to the nearest naval base; even there the girls were confined to quarters.

As our night watchman at the dormitory failed to report for duty, we considered the possibility of a riot. Upon reflection, however, we decided against it. Uniforms appeared to be drawing fire. It behooved us to call so unnecessary attention to ourselves. Shooting got within a block or two of our school several times, but we remained undisturbed except for one brief interval. On Monday night of the first week, we were aware of day.

Mrs. J. I. Butler returned to Mr. Pleasant Thursday following a visit to the home of Mrs. H. E. Stone and other friends.

The many friends of Dr. Glover Worthington, who was killed in the battle of the first week, were in the city. He is now in the hospital, but is expected to return to his home in the near future.

Services were held in the church where the family has lived for years. Mrs. J. I. Butler, Mrs. J. B. Allen, Mrs. Beatrice Flippo of Houston spent the week-end in the J. B. Allen home.

Mr. C. T. Stevenson and Miss Mildred Stevenson returned Tuesday from a visit with relatives in Fort Arthur.

Miss Callie Fay Milliken of Houston visited her parents, Mr. and Mrs. A. B. Milliken, over the week-end.

Mr. and Mrs. Harold Jones and daughter, Ann, returned to Huntsville Sunday following a visit in the home of their mother, Mrs. Ida Jones.

Mr. and Mrs. H. E. Albright and son, Kenneth, of Houston have been visiting Mrs. C. C. Allen.

Mr. and Mrs. Sherard Shaw of Houston visited in the home of Mr. and Mrs. J. H. Shaw and other relatives on the week-end.

L. E. Stone of Mt. Pleasant visited his mother, Mrs. H. E. Stone, last week.

Mr. and Mrs. Leon Arnold and Miss Mary and Betty June Arnold were in Houston Sunday.

Mr. and Mrs. H. E. Driskell were guests Sunday of Mr. and Mrs. Lawrence Driskell in Huntsville.

Mrs. J. L. Berry, Houston; Mrs. Pat Cook, Palestine; and Mrs. J. E. Tribble of Bush visited their mother, Mrs. Della Starkey, in the home of Mrs. Nina Russell last week.

Mrs. and Mrs. Clyde W. Mainer of Glendwater visited relatives here Sunday.

Mr. and Mrs. J. H. King and sons, Jack and Larry, attended church services in Kennard Sunday and were guests of Rev. and Mrs. C. L. Moore.

Mr. and Mrs. C. E. Matlock, Jasper, and Mr. and Mrs. George Shaver of Lufkin spent the week-end in the A. M. Jeter home.

R. B. S.

Houstonians who have found it almost impossible to live within their means during recent years have generally blamed their plight on rocketing taxes and devalued dollars. The increasing burden of relief and welfare seems to have escaped many. Yet that is one of the few things that seem to have risen, as rapidly as taxes and the cost of living.

CROCKETT COURIER: NOVEMBER 23, 1950

DOE CLUB MEMBERS ARE COOPERATING

Report by Jack Ashby,
Crockett, Texas.

The 2,000 Houston County Doe Club members are looking, with watchful eyes, on all hunters to see that there are no deer killed in Houston County this season.

These Doe Club members have pledged themselves not to shoot, kill or harm the deer for the next ten years. Why? Because we need them for the hunting season.

Campan, the leader who had never a stretch in the Federal penitentiary, had surrounded at the point of no return; his leaders in all of the other towns had been jailed; the majority of the thousand or so members of their party were killed or captured. Normally released and the emergency was officially over on Monday, November 6.

In our school we acknowledged the emergency only to the extent of discussing school Friday. We did not talk about the situation of the country, but all other abuses were reported. Pupils have already forgotten that trouble in the face of a much greater term exams have started.

(Miss) Maude Hall.

LIONS HAVE FUN WEEKLY LUNCHEON HERE TUESDAY

Members of the Crockett Lions Club went in for fun and entertainment at their weekly luncheon in the Crockett Hotel dining room Tuesday.

"Ribbing" Lion Past President William Schmidt, an ardent alumnus of Southern Methodist University (Saturday's football score was A. & M. 25, SMU 20, with Bob Smith making two long touchdowns) members had Marie Lusk Crockett High in a battle, and with the estimated 200 head of deer now located in this county, in ten years we should have produced approximately 20,000 head of deer. Think of this figure. What an increase. A deer for everybody is not expected to reduce this tremendous increase for the first two or three years, but by the last three or four years, you should see deer hopping around everywhere.

Getting back to the 32,000 head of deer, normally, one half of this number (16,000 head) should be bucks, which are expected to be killed off by the hunter each season, as they become old enough to have three or four years, you should see deer hopping around everywhere.

First—Be a good sport; don't kill any unlawful game. Protect the game around you from unlawful hunters. Report all violations to your local wardens. If you have no warden handy, report your case to the nearest peace officer, or the justice of peace, or your county attorney or the sheriff's office. They will gladly assist you. It is our plan to appoint one or more game wardens in every community throughout Houston county. Make your choice now. Select a good man to serve you. Let him be a land and home owner in your community. Send his name in to the following address: Captain E. M. Shott, State Game Warden, Lufkin, Texas.

Mr. and Mrs. J. H. King and sons, Jack and Larry, attended church services in Kennard Sunday and were guests of Rev. and Mrs. C. L. Moore.

Mr. and Mrs. C. E. Matlock, Jasper, and Mr. and Mrs. George Shaver of Lufkin spent the week-end in the A. M. Jeter home.
