The Texas Hotel Association direct- [ors] [uncertain] recently voted to sponsor a [pro-]] [uncertain] gram among members to require all hotel employes to sign a loyalty pledge, [Copies] [uncertain] of a pledge were sent out to the member hotels,

There is nothing in the pledge itself that any loyal American could 5 object to signing. But at the bottom b of the pledge is a note which reads:

It is requested that you [wport] [uncertain] the t names of any persons who signed this pledge in falsehood by writing such t names on a piece of paper and mailing f it to the manager of your hotel. We are ready to credit the [hotelmen] [uncertain] with the admirable desire to [emphab] [uncertain] size patriotism among their employes fe The note asking their workers to serve [t] [uncertain] as spies is something else.

DRAFT POLICIES EXAMINED.

[Tinpertant] [uncertain] military manpower con- [siderations] [uncertain] are involved in the examination of the draft policies of the defense department which has been begun by the armed services [commit-] [uncertain] tee of the house of representatives, There are controversies and conflicts which need to be ended in order [tol] [uncertain] make certain that the degree of [sac-| tific] [uncertain] is equal and the usefulness [to:] [uncertain] the government as great as it should be.

The renewal of compulsory service, limited to the very youngest age group, has raised a great many questions, [The] [uncertain] very fact that the segment of [man-] [uncertain] power involved is relatively so [small|'] [uncertain] should make it necessary that [there] [uncertain] be no mistakes made,

Obviously the committee should go t thoroughly into the standards, physical and mental, which have been established by the armed services, Actual figures and the statements of [General]} [uncertain] a Louis Hershey, draft director, point lo the fact that the sights have been set at a very high level. The rate of rejection has been great among those examined for the draft.

Some critics argue that it should possible to use men in uniform for the same Occupations at which hey have gained their livelihood in civilian life.

There has been a difference between he policy with respect to men in the [ganized] [uncertain] reserves and national guard ind those outside these categories fen with dependents have been [mused] [uncertain] in and not taken a3 yet under

On the basis of what is developed [hrough] [uncertain] a study of these and other [uestions] [uncertain] the house committee should prepared to recommend [amiendlents] [uncertain] to the draft act, if they..are [eeded,] [uncertain] at the time congress returns n November 27, mo

Dramatically, Miss Blair-was enor- [5

knuckle- headed" antics, serious [voncern]

well and has two slender reasons for
dancing, both well-turned,

Such is stage work of frightening
variety but Miss Blair was never
frightened, tentative or synthetic.

Maybe her [NelJlic] [uncertain] was
studied down to the last accent but it gave
off the champagne of spontaneity which is
all that is legitimately your business

Need we tell you at this late date that
South Pacific" is compounded of James A,
Micheners stories, in

Tales of the South Pacific," an ob-
servant and poetically touched book on
our sailors in the island hopping conquest
of Japan? Two plots, the romance of De
Becque and the Navy nurse, and of
Lieutenant Cable and the fragrant
Tonkinese girl come to

a focus on an issue of tolerance,

Nellie Forbush from Little Rock,

Ark. is temporarily repelled by De
Becque when she learns he once had a
Polynesian mate. Cable, despite his
passion for Liat, is shocked at the vision
of himself as father of mixed breeds and
renounces his sweetheart.

His problem is solved, if not happily,
by his death on a spying mission,

This, you can see, is less than

Hamlet," but more than Desert

Song" as a plot. It is social-minded,
