1 HAILED FOR ITS RDS TWO
PARTY MENT? ar

After the recent Democratic State convention in Mineral Wells, the Dalas Morning News, Friday, September 5, 1950, advocated a plan, which we n Houston County have already [dopted,] [uncertain] in the editorial, as follows:

DEM POST-MORTEM

The News may be politically [thickkulled,] [uncertain] but it cannot understand the [ractical] [uncertain] wisdom of the old refrain which the Mineral Wells State [Cons ention] [uncertain] sang: The way to improve the democratic Party is to staying it and [ght] [uncertain] for improvement, Let us imagine Harry Truman, Bill [oyle,] [uncertain] Hubert Humphrey and Comany reading the reports of the Minal Wells state convention. Said [exas] [uncertain] Democracy, in effect, to Truan and Company: We [dont] [uncertain] like [yur] [uncertain] stealing our tidelands we don't ce CIO dictation of party policy. But ell string along at the polls," [NY] [uncertain] Suppose the Mineral Wells [convenon] [uncertain] had sent them a storm warning nat [bandon] [uncertain] your fight to steal our [tidends] [uncertain] and to ram FEPC down our [roats,] [uncertain] or we go Republican for a rile."

Oh, The News will be accused of ing Republican for saying this. But le News would say the same thing" the GOP were the transgressor. The ly to stop political transgression is stop being a political cinch, It is tight for the convention to boast going down the middle of the road t as long as top-dog Democrats are at they are, the middle-of-the-road- is automatically on the left bank." Good

Texas Democrats who have ind beliefs, have in this off-presntial year apparently gained con- 1 of the Democrat Party in Texas e question is: When will the Texas [mocrat] [uncertain] Party have any voice in [National] [uncertain] Democrat VER, so long as Texas is a [one~] [uncertain] ty state, Fine resolutions at state [ventions] [uncertain] will continue to go [unded] [uncertain] in Washington and will not the job done, until Texas is a real party state.
