well over 650 acre of [pangola]
[uncertain] grass, General [RoC.]
[uncertain] Kuldell, chairman of the
agriculture committee of the chamber of
commerce, pointed out.

Pangola grass is being brought to Texas
by members of the committee and the
Houston Farm and Ranch Club, who
sponsored a tour to Florida recently by 40
agricultural workers from east Texas to
see the grass growing en thousands of
acres throughout central Florida.

The group came back to Texas filled
with hopes that the grass would do well on
the wet soils of east and southeast Texas.

A statement of principles was then offered for the consideration of the convention by Tod R. Adanis, as follows:

According to an Associated [Press] [uncertain] release from Washington, dated only yesterday, President Truman has assailed the. Mundt-Nixon [(Republican] [uncertain] Sponsored) bill which passed the house last week, and also a similar anti- Communist bill now pending in the U. S: Senate, as being unnecessary and ineffective" and has stated that he would not sign these bills if passed by the congress of the United States. Mr. Truman, when speaking of Joe Stalin, not so many months ago, publicly stated I like Old Joe,

Let it be plainly understood that we Republicans of Houston county DO NOT LIKE OLD JOE we think that recent events have proved that the communist is NOT a red-herring" but is a vital issue, the outcome of which will control the security of United States and the peace of the world.
