SOCIALISM

Socialism will when he said last summer: "The Socialist party is far too much given to control for the love of control. In restricting liberty in small matters, they are playing into the hands of those who would suppress liberty in the greater things of life. The more we are conditioned to control, the weaker becomes that sense of personal responsibility that in the past has been our strength as a nation."

"Control for the love of control" is a characteristic of all the isms—socialism, communism, nazism or what have you. The appetites of these who seek ever-increasing power over others is insatiable. The ideals of sincere men are perverted to the use of the tyrant. Classical socialism stands for the maintenance of individual liberty—yet never in history has been possible a practical nation, as weary England has demonstrated. We must nip socialism in the bud or it will engulf us. Could

PHONE SERVICE IN PERCILLA AREA

Loch Cook, owner of the Grapeland Telephone Exchange, has assured the North Houston County Planning Committee that a telephone line will be constructed to Percilla area.

Approximately twenty Percilla citizens signed up for the telephone service. Joe Collins, acting manager of the Houston County Electric Cooperative, told Shultz that other sections were slated to receive REA power lines and service before Reynard. Collins explained that the other areas had signed up for service before Reynard.

However, Collins did assure Shultz and the committee that the REA firm would construct a power line to service the Reynard church. This project is to be completed in the very near future—Grapeland Messenger.

BROOKS, RAMSEY ARE HEADED FOR AUGUST RUNOFF

Houston Chronicle

Plenty Brooks and Ben Ramsey were headed for a runoff for lieutenant governor of Texas. Governor Allan Shivers was back in the governor's chair and said he was humble and grateful to be there. Ramsay, unsuccessful in his third bid for governor, said he would run again.

Unofficial and incomplete returns from the Texas election bureau Sunday showed:

1. A runoff for lieutenant governor. 2. A runoff for agriculture commissioner. 3. A runoff for state auditor. 4. A runoff for state treasurer. 5. A runoff for state comptroller. 6. A runoff for state attorney general. 7. A runoff for state judge. 8. A runoff for state legislator. 9. A runoff for state senator. 10. A runoff for state representative.

When Is He Going? Oklahoma City, July 21.—A 20-year-old boy shuffled into the Associated Press office here Friday and said he wanted information—about love and the Korean war.

"What's the latest," he asked, "on Oklahoma's Marine Reserve unit being called to duty?"

The Associated Press editor said the state's 20th Infantry Reserve Battalion had been placed on a 20-hour alert for an expected call to active duty.

"You in the marine reserves?" he asked.

"Well, no," the boy answered, "but my girl friend's boy friend is—and I want to know when he's going to get out of town."

GOVERNOR SHIVERS HUMBLE AND VERY GRATEFUL

Houston Chronicle

Woodville, Texas, July 23. Gov. Allan Shivers, had a winning smile and a heart full of gratitude Saturday night as vote returns poured in virtually assuring his re-election. "I feel very humble and very grateful," he said. "It makes me want to work that much harder to give Texas a good administration."

"Texas is going to have a lot of special problems during the next two years and I'll need the continued help of all the people of Texas."

Cano March, his principal opponent, conceded the election at 10 p. m. It was a fine evening for Texas' 42-year-old governor and his wife, the former Marjorie Shivers of Mission, who for the three Shivers children, John, John Jr., and Allan Jr., were given a had name in that game. Royce City was coming to Crockett Thursday night and Crockett was to be here Sunday, Monday and Tuesday.

A fire at the Raroka Hotel at 6 o'clock on Tuesday morning was put out with small damage by the Crockett volunteer fire department. J. Dickman was moving his store from Fort Arthur to Crockett.

Mrs. W. G. Cartwright was visiting friends in Virginia before going to market in New York City. Ordinances establishing a sewer district in Crockett and prohibiting livestock from running at large in the city were published in the Courier.
