**PALESTINE PLAYS
CROCKETT HERE
FRIDAY AFTERNOON**

The Palestine American Legion Junior baseball team will meet the Crockett Legion who at City Park Friday afternoon at 4 o'clock in the first of a five-game series for the district 18 championship. The second game will be in Palestine July 2 and the fourth will be in Palestine July 14. Other games are scheduled in Crockett for July 11 and 18. The first team to win three games will win the title, but all five games are due to be played.

Palestine defeated the Crockett team at Elkhart Monday afternoon in a practice game, 11 to 3. "Thunk" Donnan, Grapeland high boy starting for the Houston county team, was relieved in the sixth inning with the second out at 3rd. Lawrence Chapman proved in puzzle to the Anderson county boys. Jackie Corbett moved from third base to the mound and had no more luck. But worthy foul play quelled the uprising, after the Anderson county boys had control of total of eight runs in the inning. Paul Donnan (Crockett) was the starting pitcher for Palestine.

Harrell Carpenter, left-handed, probably will start for Crockett Friday, with other Bobby Hallmark or Jimmie Adams. Both the pitcher and Donnan and Chapman may also see mound duty.

**HONORARY CITIZEN
OF FORT WORTH**

The Courier editor desires to thank Mayor Edgar Dean of Fort Worth for a complimentary membership card in Fort Worth's "Honorary Citizenship" club, in recognition of the editor's many worthy achievements. Achievement No. 1 was perhaps in staying sober—absorbed in sober thought. No. 2 might be as follows: "I'm better to keep the mouth shut and be considered a fool than to open it and leave no doubt." The third achievement might be the knowledge to "know each other and you will understand each other." Give other people a chance to unravel you, even though you can't unravel yourself. We wish to thank Mayor Dean for his fine letter of appraisal. We feel complimented to have been made an honorary citizen of Fort Worth, an achievement which might not have been accomplished without the mayor's help.

**TOM PICKETT
OPENS CAMPAIGN**

Rusk, Texas, June 28.—Congressman Tom Pickett of Palestine will open his campaign for re-election to the House of Representatives from the Seventh District with an address Monday night, July 3, at 8 o'clock at the Cherokee county district court room here, it has been announced. **WARS AND RUMORS
OF WARS**

In view of the "wars and rumors of wars," and other "fearful sounds" which we are again hearing, and of which our Lord said we would hear, I am asking the editor to please publish in his paper a short sermon by Rev. Charles C. West entitled, "None Other Name" from the "Southern Presbyterian Journal."

True Christians may find their hearts and souls strengthened through faith, in His Name, and may readers, who are not Christians, take heed and low their knees to this Name of Jesus Christ who, alone, can save and redeem us and the world from chaos and destruction.

The late President Woodrow Wilson said: "The world can not be redeemed materially, except it be redeemed spiritually."

I am reminded that during World War I when "men's hearts were failing them," some were committing suicide. My father, the late Rev. S. F. Tenney, who had been a man of his life, and knew of it's experiences, offered a most comforting text from the prophecy of Isaiah, chapter 26:3—"Thou wilt keep him."

Unsolicited??? Unbiased???

Folks, I do not find it necessary to resort to recommendations or commendations from some out-of-county firm or persons. Instead, I rely upon and refer you to my good life-long friends of Houston County with whom I have had personal and business dealings.

We, the undersigned, have concluded that a one-party political system, which once served the needs of Texas, is now a handicap to the State and an obstacle in any attempt to get just consideration from the national government. We further consider it suitable to solicit the advice and counsel of one who has long studied and advocated a two-party system in Texas, so that ACTION may be taken NOW.

It is our opinion that a great number of our fellow citizens of Houston County have the same ideas and thoughts. We have, therefore, constituted ourselves "The Houston County Committee for Two Party Government in Texas." Any person who shares our convictions will be welcomed to join us. By contacting any of the undersigned, you can be enrolled on our Committee without any obligation, donation, or contribution.
