CROCKETT COURIER: MAY 18, 1950

Evangelist Clifton W. Brannon.

CROWDS ATTENDING OLD-FASHIONED TENT MEETING

The tent revival meeting on South Fifth street at the Pennington highway, conducted by Evangelist Clifton W. Brannon, president of the Baptist Brotherhood convention of Texas, is attracting large crowds, according to Rev. J. W. Burns, pastor of the Baptist church. The opening night, a capacity crowd jammed the tent, and the dynamic message of the nationally known evangelist brought scores to the altar for decisions. The revival has become the topic of almost every conversation, Rev. Burns stated.

The evangelist pleads with the congregation nightly, with the logic and persuasion of the lawyer pleading before the jury. He rose from a Georgia farm boy, providing for a widowed mother and six children, to practice for sixteen years as a prominent attorney before the United States Supreme court. He was led of the Lord to forsake the profession and undertake a place in "Who's Who" in America to plead with the lost souls of men. More than 1000 converts have been saved in Brannon's meetings during the past few months and great results are anticipated here in Crockett, Rev. Burns said.

Rev. Burns stated that he desired the public to avail themselves of the unusual opportunity to hear this mighty man of God. It is the desire of those sponsoring the meeting to make it a "Who's Who" in America wide in scope. The invitation for church membership is made nightly for those making decisions to join the church of their choice in this county-wide and association-wide revival. Rev. Burns said: "Our primary object is to win the lost to Christ and not to represent any particular church."

The public is urged to hear the timely topics and tremendous themes discussed by the dynamic evangelist, Friday night, May 19, at 8, the subject will be "God's Three Death Warrants." Rev. Burns predicts that this message will stir Houston county under the power of God as it has seldom been heard before. The subject list will answer the question, "Does God sign the death warrant for a Christian?" He will explain the unpardonable sin. Saturday night the masqueraders of Houston county will be unmasked during the message, "Unmasking the Masqueraders." Sunday afternoon at 3, Mr. Brannon will answer the question, "Will We Know Our Loved Ones in Heaven?" Sunday night's closing message will be "The Greatest Thing on Earth." Sunday school will be held in the tent Sunday morning and a record attendance is expected. The revival will close Sunday night, Rev. Burns said.

CIVIL SUIT IN DISTRICT COURT

A civil suit, styled Carl Christy vs. Harvey Richards, for foreclosure of lien, was taken up in Houston county district court Monday. Judge W. H. Hord of Fairfield was presiding for Judge V. Melvin Johnston of Palestine.

Jurors in the case are W. L. Van, Crockett; Truett Ray, Grapeland; Dennis Frazier, Grapeland; Mack Hooks, Crockett; John Cotton Lingold, Crockett; R. W. Webb, Crockett; O. W. Corbit, Crockett; J. A. Richardson, Rt. 1, Augusta; Curtis Tins, Augusta; A. M. Jeter, Lovelady; Cecil Roe, Lovelady; and Boyd L. Whitaker, Grapeland.

All testimony was heard in the case, but it was stated Tuesday afternoon that necessity for the judge to appear in other matters elsewhere resulted in the rest of the trial being postponed until Friday.

Harvey Richards, a Dallas resident, is representing the plaintiff and Attorney T. H. Clegg of Trinity is counsel for the defendant.

Black Friday, September 26, 1869, was the day of financial panic in Wall Street.

It was against the law to observe Christmas in the U. S. in 1869.

MAYOR AUTHORIZES BUDDY POPPY SALE

Whereas, By authority of congress the Veterans of Foreign Wars of the United States is granted due permission to conduct an annual sale of Buddy Poppy, and

Whereas, all proceeds of the sale are used to provide immediate aid for deserving veterans and for the widows and orphans of deceased veterans, and

Whereas, extending the hand of comradely to those who have suffered from war that we might live in freedom is, in my judgment, a fitting tribute, therefore,

I, T. D. Craddock, Mayor of the City of Crockett, do hereby authorize Houston County Post 5870 of the Veterans of Foreign Wars and the Ladies Auxiliary to offer for sale to the citizens of Crockett, the V. F. W. Buddy Poppy as made by the United States in government hospitals.

The date of the sale shall be May 20 and 27, 1950.

By giving generously to this drive, the citizens of Crockett will show that they are still mindful of the great war service performed by America's fighting men. I urge every one to support, unselfishly, this worthy cause.

Signed: T. D. Craddock, Mayor.

Attest: J. D. Woodson, City Secretary.

Attest: J. D. Woodson, City Secretary.

BULLDOGS TO VAN THURSDAY FOR SECOND GAME

The Crockett High Bulldogs will travel to Van Thursday for the second game of their best of three series for the bi-district baseball championship. The first game was to be played at City Park in Crockett Wednesday afternoon. A third game will be played later if the two teams split the first two contests.

The sheriff's department was called Tuesday at a meeting with the regional director. Plans, district 17, and Itasca, district 19, wanted to play a single game for the bi-district honors. Van, district 18, and Crockett, district 20, wanted three games. So the district winners were paired that way.

The Van-Crockett winner will meet the Plano-Itasca winner for the region I-A championship.

The Crockett team is entered in an invitational high school tournament at Conroe Saturday.

TEMPORARY FLIRTATION WITH TOO MANY PARTIES

A business man advertised for a secretary, and two secretaries walked in on him. Being a Fair Dealer and both girls being pretty, he couldn't decide which one to accept. The girls, seeing how perplexed he was, decided they would help him by making one of them sit on his knee, one on each knee. The business man's wife appeared unexpectedly about that time and neither girl got the job. That is the way "Friend Millard" reckons about the "Truman" election.

Senator Wherry of Nebraska, the Republican floor leader, said the labor board showdown "proved that Democrats and Socialists will not Harry's political flirtation."

FUNERAL SERVICES FOR JOHN HENRY McANALLY

John Henry McAnally was born November 31, 1889, and died May 16, 1950. He was 60 years of age.

His survivors are: Five sisters, Mrs. Arthur Holcomb, Rusk; Mrs. H. P. Cutler, Augusta; Mrs. W. A. Munoz, Houston; Mrs. Elsie Hivin, Augusta; Mrs. J. L. Potts, Galveston; four brothers, Walter and Marion McAnally of Augusta, Virginia; McAnally of Waco; Alvin, Ruby McAnally of Galveston.

He was a member of the Methodist church. Was employed and lived in Houston county for the past thirty years.

Funeral services were conducted at 3 p. m. Wednesday, May 17, at St. John's, Dallas, by Rev. Dudley Dwyer. Burial was in the St. John's cemetery. Flowers were pallbearers.

Arrangements were by the Waller Funeral Home.

SOME HAVE DAYS SOME WEEKS AND SOME MONTHS

Next week is National Fisherman's week. Let every man or woman who likes to clean fish go fishing. June has been designated as the National Dairymen's month. It is also a good month in which to go fishing. June 17 has been set aside as Expectant Father's day and June 18 as Father's day, after which it is time for more fishing.

June 21 is the First Day of Summer, also a good time for fishing. June 23 to 29 is National Farm Safety week—a better time to go fishing than to fool with a tractor, tickle a mule's heels, clean out the well or cover the house. June 25 to 28 is National Coin Machine week, according to a well-known advertising agency, a dog's day is in celebration of parking meters.

GRADUATION NEAR FOR CROCKETT SENIOR CLASS

On Friday the senior class of Crockett High School will present the Class Day program in assembly. Following this program, the seniors will leave for the annual swimming party at the Spring Creek Country Club.

The baccalaureate service will be Sunday, May 20, at the First Christian church. The sermon will be by Rev. C. M. Ashmore.

Commencement exercises will be at the high school Tuesday evening, May 30. Former Congressman Martin Dies of Lufkin will deliver the commencement address on the subject, "The seniors enjoyed the annual Friday night party at the country club Friday night."

GRAPELAND HIGH SCHOOL SAFE WAS CARTED AWAY

Grapeland High School had uninvited visitors Monday night, and they did not leave their cards. Unknown persons entered the school and took the safe away. It is reported that the safe contained approximately \$200 in money.

The sheriff's department was called Tuesday morning, after discovery of the burglary, but had no clue as to the perpetrators of the crime up to noon Tuesday. Other officers were expected to assist in locating the parties sought.

It is reported that a similar incident occurred in Elkhart Monday, following rise to the belief that the acts were committed by the same persons, and that they were no amateurs in the activity.

TWO TRUMAN BILLS DEFEATED IN SHOWDOWN

Washington, May 12—Senate rejection of a presidential plan to reorganize the National Labor Relations Board was cited by Republicans Friday as proof that congress won't go for the Truman Fair Deal.

By a 59-to-30 vote, with 18 Democrats abstaining, the Senate voted with 35 Republicans the senate nullified the N. L. R. B. revision that Mr. Truman wanted.

About an hour later it jumped by a 66-to-13 count another Truman proposal, insulating the controller of the currency.

Senator Wherry of Nebraska, the Republican floor leader, said the labor board showdown "proved that Democrats and Socialists will not Harry's political flirtation."

CONGRESS CAN BLOCK LAWFUL TAX DODGING

Today the biggest wheat ranch in America belongs to a corporation owned by a church and pays no taxes. Yale University, through a subsidiary, owns a department store in San Francisco. Other universities and colleges own factories, radio stations, airports and even rare birds. Usually the former owners still control these industries. But by placing technical ownership in the name of a nonprofit organization, they escape taxation. All of this is lawful under our present statutes.

Most of the co-operatives escape much or all of the taxation that their competitors bear. That is another loophole that congress should close in trying to balance the budget. These various loopholes are costing the National Treasury about a billion dollars a year. They soon may cost more as other persons discover law they can remain in control of their business and yet escape paying taxes on them. Some labor unions have begun organizing drives.

Fortunately, not all churches and colleges engage in these loopholes. Some of the churches have refused to accept gifts of industries that had no connection with their educational activities. The Mormon church and several Catholic bishops have taken the stand that church-owned commercial enterprises should pay taxes. So has one Protestant weekly, the Christian Century. Some of the co-operatives pay at least part of the taxes levied on their competitors. Congressional action to tax all business and industry on the same basis is needed in the interest of fair play, as well as in that of federal revenue. Dallas News.

WASHINGTON FIGHTS FOR ITS PAYROLLS

Washington, D. C., May 17, 1950.

Editor Courier:

Those of us who have long advocated economy in federal government operations have finally achieved some success. After several weeks of deliberation of the "one package" appropriation bill to provide money for governmental operations during the next fiscal year, the house passed the bill on Wednesday.

The bill as passed and sent to the senate contains one billion \$18 million dollars less than the president asked for in his budget. In addition to the actual cut reduction, the house passed two amendments designed to reduce the federal payroll by possibly \$300 million a year.

One amendment requires a 10% reduction of civilian employees in all non-military agencies and in the civilian service of the defense establishment. The other amendment provides that federal agencies may fill only one out of ten vacancies which occur in their civilian personnel during the next fiscal year. Certain branches of the government are exempted from these provisions.

Congressman Albert Thomas of Houston offered the first amendment to cut a substantial sum out of the bill. He proposed to make a \$500 million cut. An amendment was adopted to his proposal to increase the cut to \$600 million. In a speech on the floor of the house, I stated in part, "I expect to support the Thomas Amendment." Further, I said, "I expect to support any other proposal that is reasonably sound to effect an economical appropriation bill as it passes this house. I want to vote, and shall vote, for the best proposal to effect the greatest practical economy the pending parliament."

My Congressman, Tom Pickett.

OUR MOTHERS

Dedicated to Mrs. Fannie Walker and Mrs. Sallie Jackson by Mrs. Jean Jackson.

God gave us our mothers for love, tenderness and care; When all others fail us, Only mothers our sorrows will soothe.

Mothers stand by our sides, Sharing in trouble or pain; Lending a helping hand, Though it be again and again. Her hands may be wrinkled and old, Yet she will never fail us; Never leave us to fend for ourselves. Mothers to us are more precious than gold.

May we never, never fall them, And down this road of life we tread; Whether in happiness or sorrow, Remember dear mothers were sent to us from God.

The other amendment provides that federal agencies may fill only one out of ten vacancies which occur in their civilian personnel during the next fiscal year. Certain branches of the government are exempted from these provisions.

Congressman Albert Thomas of Houston offered the first amendment to cut a substantial sum out of the bill. He proposed to make a \$500 million cut. An amendment was adopted to his proposal to increase the cut to \$600 million. In a speech on the floor of the house, I stated in part, "I expect to support the Thomas Amendment." Further, I said, "I expect to support any other proposal that is reasonably sound to effect an economical appropriation bill as it passes this house. I want to vote, and shall vote, for the best proposal to effect the greatest practical economy the pending parliament."
