FRIEND MILDEW IS
FOR KINDNESS WEEK

Friend Mildeu writes in that, in this is "The Kind to Animals" week, he thinks the people should start in this week practicing kindness to all animals so that they will be better able and more experienced in showing kindness to each other after this week. Our friend says he is showing more kindness to his mule, which objects to being killed, having the mule put on he is just leaving the mule on all the time to keep from bothering the mule about putting on the mule, which also objects to be muzzled. The calf objects to being pulled away from the cow. Mr. and Mrs. Mildeu are going to let the cow and calf run together this week. The dog looks down when he attempts to jump over the fence and run after an automobile, so they are going to let him have the fun this week, as he wouldn't know what to do with the car if he caught it. Our friends think the experience people gain in being kind to animals this week will be worth much to them in the matter of being kind to each other in the week ahead.

MISS CLAIR JEAN
CLICK HONORED
AT LOVELADY

Miss Clair Jean Click, bride elect of Mr. Fred Clapp of Huntsville, was complimented with a magnificent shower at the home of Mrs. Joe Driskell Friday, May 6, from 2 to 6 p. m. The house was beautifully decorated for the occasion with arrangements of Easter lilies and Queen Anne's lace and fern.

The dining table was adorned with an Italian cut work cloth, and a miniature wedding party which stood before an improvised altar. At the other end of the table punch was served with individual bride cakes which were embossed with tiny white rose buds.

Out of ten guests present besides the honoree were: Mrs. Eula Click of Huntsville, Mrs. Owen of Baytown, Mrs. Tom Clapp, Mrs. Will Forest and Mrs. Stuart of Midway.

Assisting Mrs. Driskell with hostess duties were Mrs. A. B. Milliken, Mrs. J. H. Click, Mrs. Lon Jeter and Mrs. W. L. Maxwell.

Singing Convention Held.

The semi-annual Houston County Singing Convention was held Sunday at the Memorial Building in Davy Crockett Park. Those attending reported that the attendance was large and the singing excellent, which added up to a most enjoyable occasion. Many visiting singers, including some fine quartets, were present to add to the enjoyment of this convention, which was in keeping with the many other fine events of like nature held here in previous years.

DYNAMIC SPEAKER
FOR FISH-FRY
AND BARBECUE

Rev. Thomas W. Currie, pastor of the Oak Cliff Presbyterian church at Dallas, is to be the dynamic speaker at the fish-fry and barbecue sponsored by the Men of the Church of the First Presbyterian church of Crockett, on the Alto highway, starting at 6:30 p. m.

Rev. Currie, a graduate of the University of Texas and of the Union Theological Seminary of New York, is one of the most dynamic speakers in the ministry and has gained wide recognition in Texas and all over the world through the Texas Presbytery. He has been a member of the Texas Radio Hour which he conducted every Sunday at 8:30 a. m. over KRLD in Dallas. He is a native of the late Dr. Thomas W. Currie Sr. who was for many years president of the American Presbyterian Theological Society. Those who have heard him speak on previous occasions are unanimous in their enthusiastic commendation that he has a message of unequalled importance.

The annual meeting of the Men of the Church in this meeting. More than 1000 members of the First Baptist church, Central Baptist church, Methodist church, First Methodist church, and All Saints Episcopal church are joining the Presbyterian Men of the Church in this meeting. More than 2000 Christian men of all denominations are expected to attend, and it is safe to say that this coming together of men with one accord in place will be to be called the beginning of a new spirit of Christian brotherhood in our community.

LOVELADY
READING CLUB
MEETING

Mrs. L. J. Young was hostess for the May meeting of the Lovelady Reading Club at her home Thursday, May 4, from 3:30 to 4:30 p. m. A color scheme of green, white and pink was carried out with the use of Easter lilies, white lilies of the valley, and pink roses.

New standing committees were named by Mrs. Collins, as follows: Social committee, Mrs. V. L. Word; Book committee, Mrs. W. H. Word; Little's Year book committee, Mrs. Ralph Westmoreland; Miss Willie Hawkins and Mrs. Nan Russell; Book committee, Mrs. Pauline Sherman and Mrs. L. J. Young; Reporter, Mrs. L. S. Stevenson.

Mrs. Morgan, program chairman, gave an outline of the year's program, naming the leaders for each program. Mrs. Truman Little was welcomed into the club as a new member, and Marshall Hays.

Also, new plans for the club's meetings were discussed by the club. Following this the hostess assisted by Mrs. Muenker, served delicious pineapple cake and strawberry ice cream.

PUBLIC HEALTH
TRAINING UNIT
OPENS BRANCH

The Houston county branch of the East Texas Public Health Training Unit opened Monday. While opening of the unit branch was not scheduled until later, nearness of the closing of the public schools resulted in decision to plunge into the work, announced Dr. E. W. Hawkins, director of the tri-county unit.

First work of the county branch was inoculation of negro school children against typhoid fever and vaccination of them against smallpox. About 650 children were treated Monday and about 800 Tuesday.

Headquarters of the unit is in Groveton, but Dr. Hawkins will be in Crockett one or two days a week. Among the personnel to be stationed in Crockett are Sam L. Warrington, sanitarian; Miss Eliza Bishop, clerk; and two public health nurses, yet to be assigned. Dr. Hawkins hopes that the nurses will be assigned within the next two weeks.

The branch here, located in the Eichelberger building at 518 East Goliad, will be open six days a week, closing at noon on Saturdays. It will be closed on Sundays and holidays.

Assisting in the work of the unit were Mrs. Zoe Hampton and Miss Alta Harrison, public health nurses assigned to Groveton and Livingston.

Ronald Amundsen discovered the South Pole.

Alexander Hamilton was the first secretary of the treasury.

DAVY CROCKETT
TRINITY COUNTY
SOIL CONSERVATION

Conservation plans were completed this week on Ed Pogue's farm in Pennington Conservation group. Mr. Pogue has a serious problem of outside water flooding his newly first field that needs drainage in some places and erosion control measures in others. He has needed down part of the tumbled area to be longed in a road, and is installing necessary drain ditches and diversions to protect the rest of it.

A stock pond was stocked out on James Sweeney's farm in Foster Springs group this week. This pond will be used for stock water and also provide stock water so that pastures can be divided and pasture rotation practiced.

White Dutch clover is in full bloom on Mike Yonks' pasture west of Crockett, on Hurricane Bayou. Mr. Yonks planted the clover in 1947 and has been fertilizing and mowing his pasture since.

The tour will originate in Groveton and will go to about three farms in close distance to Crockett. Conservation Sum see: "Many farmers have started mowing meadows and pastures to get these early weeks."

COTTON FARMERS
SHOULD FILE
APPLICATIONS

Cotton farmers can now secure their applications for 1950 Smith-Doxey benefits, according to John W. Doxey, in charge of the Austin office of the Cotton Branch, Production and Marketing Administration, U. S. Department of Agriculture.

Applications may be requested at county PMA offices, county agricultural agents' offices, or at the Austin cotton classing office before July 1, 1950, the goal date.

CHENEY FOURTH
IN MILE RACE
STATE TRACK MEET

General Cheney of Crockett High School won fourth place in the 440 yard race at the state track meet Friday morning, led by the band of Crockett High School. Rhythm bands from other schools also participated, along with decorated automobiles, buses, school buses, etc.

The line of race, but to make travel safer between Crockett and Huntsville. Too many lives are already risked on that race course—everybody trying to get to Houston first, or trying to get away from it like the proverbial bat out of hell.

BULLDOGS PACE
ALL-STAR NINE
FOR EAST ZONE

The Crockett High Bulldogs, one zone champions, grabbed a lion's share of honors in the coaches' east zone, district 28-A all-star selection for the current baseball season. Only one player was unanimous, W. T. Hoskins, big Crockett outfielder, who is a capable moundman on occasion.

No club was the cutting that a tie resulted at first base. The coaches were evenly divided between Terry Morrow of Crockett and John F. Brimley of Grapeland, and named them as their first choice.

With us to thank, Coach C. J. Solender of Grapeland, Jim Keaton of Huntsville, Marvin Gross of Trinity and Dusty Simmons of Crockett for their cooperation. Their prompt response is much appreciated.

GIRLS' GANGS
TERMED MOST
VICIOUS OF ALL

Denver, Colo., May 4. Denver police reported Thursday they have a lead in the girls' gangs, "more vicious than the boys."

Capt. Leonard Nevin, head of the juvenile bureau, and Policewoman Ruth Morgan made the report. She said she got for the girls have fought mainly over personal grievances between members of rival gangs. No criminal activities are involved. The number of girl gang members was estimated at 200.

"They're tough," Mrs. Morgan said. "None of their fights and until now one is severely hurt and we've heard of at least eight battles in the last two weeks."

The policewoman said only one fight has been reported to police. Otherwise, "two hours of them quite by accident," Mrs. Morgan continued.

"They fight with knives, teeth, fingernails and any other weapon they can get their hands on. There is no quitting when their victim falls."

"They have no code at all. When the fight is over someone has been severely hurt. A few have been hospitalized. The victims usually are afraid to complain to the police."

The juvenile aid fighters wear blue jeans and "fighting clothes."

If a gang member fails to show up for a battle call goes out, others of her own group turn on her and the result usually is a severe beating. Mrs. Morgan said. Those who want to resign get the same treatment.

AMERICAN
FOUNDATION FOR
ANIMAL HEALTH

Austin, Texas, May 5.—A 9-point program to help farmers keep their cattle thriving on pasture this season was issued today by the American Foundation for Animal Health.

The foundation's checklist for farmers stressed these points:

Don't let animals gorge themselves on lush, young pastures.

Protect the herd against flies by spraying with an approved insecticide.

Examine pastures periodically for the presence of poisonous plants.

Check the herd regularly for wounds through which parasites and disease germs may enter.

If suspected cases of lumpy jaw develop, get the affected animals off pasture and away from the rest of the herd.

Have them treated promptly before the condition gets worse.

Bovine tuberculosis is still a problem, and cattle should be tested periodically for it, as well as for brucellosis.

Ocean waves have been known to go as high as 80 feet.

EDRIS DARE BULLER
WEDS JAMES
HOWARD GIBBS

Miss Edris Dare Buller, daughter of Mr. and Mrs. Ed Buller, 910 South 10th, became the bride Saturday evening at 8 o'clock of Mr. James Howard Gibbs, son of Mr. and Mrs. Howard Gibbs, 1611 South Fourth. The double-ring wedding ceremony was performed at the First Methodist church with the Rev. Leslie LeGrand officiating.

The church's altar arch was filled with greenery, flanked and covered with flowers, and the cathedral organ filled with soft strains.

The ceremony was completed on a white prayer pillow before a colonial arch, flanked by two white pillars.

The bride wore a long white gown, and the groom wore a dark suit.

The bride's bouquet was a cascade of white and pink flowers.

The groom's boutonniere was a single white rose.

The bride's veil was a long, flowing tulle veil.

The groom's ring was a simple gold band.

The bride's shoes were white satin pumps.

The groom's shoes were dark oxford shoes.

Mr. Doremus points out that the
farmers belonging to organized cotton
improvement groups under the Smith-
[Doxey] [uncertain] act can get their
cotton classed by USDA without cost.
Also, they can get free market news
service,

Groups should file their applications for
Smith-Doxey benefits as soon as their
cotton is planted to make sure of getting
them approved in plenty of time to get
first bales classed. Applications should be
filed with the Austin cotton classing office
before July 1, 1950, the goal date.

EITHER TRYING TO GET THERE FIRST OR AWAY FASTER

This hard-riding editor rode again

Sunday afternoon, but, like the little
boy the calf ran over, he hasn't got much
te [ssy] [uncertain] about it. He went on an
entourage to Huntavilla and return,
Huntsville is a historic-looking old town,
full of historic- looking homes, stately
shade trees and pretty college girls, from
whom this editor got small recognition.
Huntsville is a good old town of the old
time [type—] [uncertain] looks like lots of
society, with plenty of southern belles, We
liked Huntsville, but the trip homeward
was not so pleasurable. A
[beautiful_bridged-] [uncertain]

the Trinity river, and there is a pretty
[stretch,] [uncertain] of forest between
Tantabogue [creek,] [uncertain] and the
railroad underpass south [of,] [uncertain]
Lovelady, which might have been enjoyed
more if so many people in automobiles
[hadnt] [uncertain] got in our way. Sunday
afternoon is the only time we have for a
pleasure drive. Those who fill the
highway, bumper to bumper, Sunday
afternoon [dont] [uncertain] seem to
realize j t. They [dont] [uncertain] do it-on
[allthe] [uncertain] other [roads—just
onthe road—hbetween] [uncertain]
Crockett and Huntsville. People are much
more considerate on some other roads.
Sunday afternoon cars were weaving in
and out around each other and doing it at
ninety miles an hour most of them
showing off their new Pars and yelling at
this editor, who drives from 40 to 45,
maybe fifty, miles an hour, to learn how to
drive or get off the road. We are going to
[tuke] [uncertain] their advice regarding
future pleasure drives on that road, and we
[idvise] [uncertain] those seeking
[pleasyrable] [uncertain] rides o seek out
other directions, not as matter of spite, but
to make travel safer between Crockett and
Huntsile. Too many lives are already
[isked] [uncertain] on that race

AMERICAN

[FOUNDATION] [uncertain]
FOR ANIMAL HEALTH

Austin, Texas, May [5.—A] [uncertain]
9-point [prograto] [uncertain]
help-farmers keep their cattle thriving on
pasture this season was issued today by
the American

Foundation for Animal Health.

The Foundations checklist for farmers
stressed these points:

Dont let animals gorge themselves on
lush, young pastures. Guard against bloat
and grass tetany by making the animals
change to green feed gradually.

Inspect the herd once a week for
evidence of pink-eye. Remove any
animals with eye troubles to a dark- [ened]
[uncertain] stall, and get an immediate di-
[agnosis] [uncertain] of the trouble.

In blackleg areas, have all calves
vaccinated against the disease.

Protect the herd against flies by
spraying with an approved insecticide.

Examine pastures periodically for the
presence of poisonous plants.

Check the herd regularly [for_] [uncertain]
wounds through
which-parasites and [disease-gérms]
[uncertain] may enter.

If suspected cases of lumpy
[jawdevelop,] [uncertain] get the affected
animals off pasture and away from the rest
of [the'] [uncertain] herd. Have them
treated promptly, before the condition gets
worse.

When calves are unthrifty, [suspect]]
[uncertain] the presence of parasites. The
parasite danger is especially great on old
pastures and community pastures,

Bovine tuberculosis is still a problem,
and cattle should be tested periodically for
it, as well as for. [bruéel-] [uncertain] his.

Ocean waves have been known to go as
high as 80 feet.
