Lion George Reed was the principal speaker Tuesday noon at the weekly luncheon of the Crockett Lions" Club in the Crockett Hotel. He was intro- on Frank Shanks of [the] [uncertain] program committee. Band Director Reed told of the band building the uniforms bought by the citizens of Crockett, under sponsorship of the Crockett Rotary Club the instruments obtained through-the army surplus, and of the progress of the organization.

Forest Supervisor Carl G. Krueger of the Texas National Forest announces.

Lyle Watts, chief of the forest serv- ice, states that continuation of the

years trials, when charges were made at [50°] [uncertain] areas on the nations forests, were inconclusive. He said that con- [gressional] [uncertain] sub-committees in both houses are desirous that recreation area visitors repay the government a reasonable amount for use of expen- [sive] [uncertain] facilities [provided_at.the.] [uncertain] expense of all taxpayers.

Charges for additional services and facilities will be nominal on the Rat- cliff Lake [recreatoin] [uncertain] area; Supervisor

Krueger said. Row boats will be available at the rate of [25¢] [uncertain] per hour or \$1.00 per day. Rental for use of the bath house and lockers will be rat the rate of 10c. Lockers will be [rovided] [uncertain] with [locks.] [uncertain] Rental for the

Shelter, including the use of lights after 6 p m. for any group will be \$1, 00 per evening. If the group desires to reserve the shelter after 6 p m. the rate will be-\$2.00.

The Ratcliff Lake area, approximately half way between Crockett and Lufkin, will be operated 6n the above charge basis by Mr. F. M. Boone, under a special use permit by the forest Service. Such merchandise as soft drinks, candy, cigarettes and wood will be available in a concession stand at the bath house.

The area will be adequately posted, notifying the visitors of the charges and services available. The collection of the charges, the maintenance and policing of the area will be handled by the above named attendant.
