[illegible or non-text passage omitted — see scan]

[ihe] [uncertain] producers point of view ix that the market ls always ready, day in and [diy] [uncertain] out, year in" and year out.

The farmer and rancher can sell when- ever they choose, and they will receive the going price, That price naturally varied, sometimes sharply. But it is nn honest price, based solidly on the supply-demand [situntion] [uncertain] at the time the ante is made. Nobody controls"

the price paid for livestock, Nobody has.a monopoly of any kind, Every- body [concéred---producer,] [uncertain] packer, re- [tailer, consumer---operates] [uncertain] in a free economy in which prices automatically find their proper level.

Our livestock population is now rising, and substantial increases are forecast for future years. That is a healthy trend.

GOOD BUSINESS.

Ask any one what has [happened]! [uncertain] to railroad rates in the last 10 years, and the chances are [thoyll answer'] [uncertain] that they've gone up very sharply.

However, little known as tho [fact] [uncertain] may be, compared with the price of [()] [uncertain] other things railroad rates are [not?] [uncertain] higher but relatively tower than [theyt] [uncertain] wore 10 years ago.

To put it another way, the [general} [uncertain] 0 level of [prices—including,] [uncertain] of course, the cost of the thousands of [articles]4 [uncertain] the [railroadsmust buy---went] [uncertain] up [long] [uncertain] t before railroad rates did. On top oft that, they [havegone] [uncertain] up about twice 1s much, on the average, as the prices ts for which the railroads sell their Serrices. So, if railroad rates had [fol-] [uncertain] P owed the general trend, wed be pay- b ng a great deal more for transporta- mn ion than we actually do fi

This is largely the result of [the] [uncertain] t [vay] [uncertain] the

railroads have held [down] [uncertain] it heir operating costs while handling [nereased] [uncertain] traffic volume. There has [een] [uncertain] Much improvement in equipment [9] [uncertain] nd [methods---better] [uncertain] traffic [control,} nore] [uncertain] powerful and [economical--loco-] 7 notives,] [uncertain] improved rails, and so on he industry has spent [\$4,000,000,000 ince] [uncertain] the war for new equipment and or improving its plant.

The more the railroads haul in a ingle train or on o single track, [thé heaper] [uncertain] they can do the job. [Tist.] [uncertain] S mass-production in the factories [roduces] [uncertain] both cheaper and [betterommodities,] [uncertain] so does mass-transportation produce better and cheaper [serice] [uncertain] than would otherwise be available. [Av] [uncertain] saying is now going around [7] [uncertain] the effect that it is good [business}---] [uncertain] do business with the railroads, and he record proves [it.---Industrial] [uncertain] News

Obviously there is a limit to the [ension] [uncertain] burden that the national [ecoomy] [uncertain] can stand. We can not go on [yrever,] [uncertain] taking more and more tax one [fponr] [uncertain] those who [carn] [uncertain] to [suport inidleness] [uncertain] those who do not he more we do that, the more we duce, too, the actual buying value f what they have left. The pension burden of the country presses most grievously the [hardorking] [uncertain] group whose earnings reach [Dp] [uncertain] as far as \$10,000 to \$12,000, Be [reen] [uncertain] income" tax, [exciso] [uncertain] taxes, local [xes] [uncertain] and taxes implicit but hidden, their costs of living, they pay the lh. No theory of soak-the-rich can [reve] [uncertain] them. Nothing can relieve them kept removal of the cause of their [pression] [uncertain] in the pension burden. The current effort to saddle [indusy] [uncertain] with huge future pension costs deluding permanence of [the-bill-even}---] [uncertain] the worker quits his job), can never made actuarily sound for a simple [ason.] [uncertain] The plan can be shown [by}. mple] [uncertain] mathematics.to create an im- [ssible]

Crockett Courier — April 20, 1950

[uncertain] pension burden subject to the e redeeming factor that the money sure can be made to have no value, We will get the whole thing over th quickly if we simply legislate to re everybody at age \$100 a nth. It will n nothing. But ought to settle the [question.--Dal-] [uncertain] News oe

[TILEARS] [uncertain] OF AMBRICAN a DEMOCRACY, [i]] [uncertain] th Wy [Gon,] [uncertain] Dwight [DP. HMronhowes (from] [uncertain] an address to the [Davachtorn] [uncertain] of [Mi] [uncertain] the [Ammen] [uncertain] Revolution on May \$9, 1 dy): [t]] [uncertain] Thin nation, founded by our fore. [y]] [uncertain] fathers, wan recognized, at [itn] [uncertain] birth, fer a new And [ntardng] [uncertain] development,

It wan nv monarchy or [Olgarchys] [uncertain] Ht conformed to no familiar pattern, [Its] [uncertain] [dnthnctive] [uncertain] feature wan government by consent of the governed, coupled with

[Ktarantees] [uncertain] to every [fudividual,] [uncertain] great Jand [amall,] [uncertain] rich and poor, of the [muxfim] [uncertain] he person liberty," [5] [uncertain]

[Carried nevonn] [uncertain] the ocean [In"] [uncertain] the [Thenurtn] [uncertain] of the original [wottlorn,] [uncertain] indl- [jvidual] [uncertain] freedom on this continent wan [Ppractiod] [uncertain] In [connderable] [uncertain] measure long [Tbeforg] [uncertain] the writing of our [constitu.] [uncertain] ton, It wan in tho [alr,] [uncertain] the [forent,] [uncertain] the [ntrenms] [uncertain] of the Now World. It [Wan] [uncertain] understood [thon,] [uncertain] an now, that privileges and rights of individuals can bo exercised only no long an [thone] [uncertain] individuals, by cooperative action, nup- port and maintain the governmental mechanism which can protect each in those same rights and privileges, el- the from abuse or [déntruction.] [uncertain] The problem was to combine individual freedom with a Hnking together of the [poople] [uncertain] of the thirteen [cotonien] [uncertain] by bonds strong enough to keep the young nation intact and to enable it to carry on necessary central fune-

[tlont,] [uncertain] Including the baste ono of se- [curity,] [uncertain] os

[illegible or non-text passage omitted — see scan]

purposes their guiding star, The ar- [ticles.] [uncertain] of confederation declared the union perpetual" and when [thexo] [uncertain] articles were found to be an inade- quite binder, the constitution replne- ed them and set" forth ay [ite] [uncertain] initial purpose to form a more perfect un- ion."

[Insistence] [uncertain] upon individual freedom springs from [unshnkable] [uncertain] conviction [in.] [uncertain]

the dignity of man, a [bellef—a reli-] Kious belief—that [uncertain] through the [poa-] [uncertain] session of a soul he is endowed [with{:}] [uncertain] certain rights that are his not [by.] [uncertain] sufferance of others, but by reason of his very existence.

ROAD TO NATIONAL BANKRUPTCY.

The amount of taxes collected [from]] [uncertain] the American people by federal, [state]] [uncertain] and local governments is [approxim-] [mately] [uncertain] \$58,000,000,000 a year, or [26t] [uncertain] per cent of a national income [of-] [uncertain] \$221,500,000,000. But, say the freewheeling spenders, This nation will soon reach an income of \$800,000,- 000,000 a year." And what will that mean to the spenders? More [taxes?] [uncertain] to collect, more money to spend t

Does the prospect of a \$300,000,- t 000,000 income hold out the [promise]] [uncertain] of a sharp reduction in, the [national]] [uncertain] debt? Not at all! Yet, the best time i fo reduce the national debt, probably the only time when it can or ever [vill] [uncertain] be reduced, is when the nation 8 prosperous.

The United States is enjoying prosperity now. This year is expected yj y economic authorities to bring [no;] [uncertain] recession. But so far economy is b ighting an uphill battle in Washington, not to mention what is [happenng] [uncertain] in state and local governments m [ver] [uncertain] the country.

If the back-breaking national debt ay f the United States is not [reduced}] [uncertain] ts

THIS IS ABOUT OUR DOCTOR THOMAS

Kennard, Texas, [Krvcinte] [uncertain] ane were send [tbe sda BOs Bigs:] [uncertain] ro April 9, 1050, Mr. W. W. Aiken, Editor Crockett Courier,

May ask you, will you put these few lines in the Crockett [Courier?] [uncertain] Tam just moved in my heart to do so, I want to tell the [poople] [uncertain] what ho has done for the poor colored people when he wag a young

man" in good health. He is the cause of families of colored people owning their own homes in this county. I know this is true, and can bo proved. I just want..to tell some good things he did for the poor colored people. I know the Lord has blessed him to inherit the earth. He is a meek man, Dr. M. A. Thomag is a Joab and Samucl, Joab cared for the poor, also Samuel.

Dr. M, A. Thomas did so many good things for the poor, the half cannot be told. He would come out in this part of the country every year just before Christmas and give gifts to the poor colored people, May the Lord keep him in his sickness [ond] [uncertain] give his body rest, and give him joy [jin] [uncertain] his soul. He went to his patients, rain or shine. Oh, we miss him. May the Lord put another such doctor [in] [uncertain] his place. This is just a short [wish—] [uncertain] his place is hard to fill.

Dr. M..A. Thomas was and is al Christian. His works proved it. [The:] [uncertain] Bible says we will know them by [their|] [uncertain] works, Dr. Thomas" work was a-good work. I could tell you how he [had:] [uncertain] turnip patches planted and [watermel-' ons] [uncertain] planted on his place when he lived on his farm out here and gave [them|] [uncertain] to the poor for something to eat. [Oh,:] [uncertain] T tell you his place is hard to fill. Now, all I have said is true. This is [just!] [uncertain] a little. [I] [uncertain] can tell more. I will [next!] [uncertain] time if I am permitted.

Mr. Aiken, will you put this [in:] [uncertain] the Crockett Courier? i [Sarah Jones (colored) [uncertain] Kennard, Texas, Rt. 1, Box 52.

During the course of this week, the
senate has been considering a bill
authorizing further improvement [of1]
[uncertain] rivers and harbors and flood
control. The house passed the measure in
[Auc4c] [uncertain] gust, 1949. Senate
action is [expected]] [uncertain] t to be
completed before [adjournment]]
[uncertain] s tonight e

It was announced during the week that
the [adminsitrations legislative]
[uncertain] o program in the senate calls
for giving priority to the Marshall Plan
extension aver FEPC legislation. At the
present time it is contemplated that about
ten days will be required to complete
consideration of the Marshall Plan bill in
the senate after it is taken up. In
connection with FEPC, Senate Majority
Leader Lucas emphasized neither he nor
the president had lost any enthusiasm" for
the bill and said it would certainly be
taken up before congress adjourns this
year. Earlier this week, President Truman
took the position the administration will
make every effort to pass the FEPC bill as
soon as the foreign aid program is out of
the way. Some of the most [iniportant]
[uncertain] items remaining on the house
legislative calendar at what is
approximately the half-way point of this

session are the appropriation bill excise
tax reduc-
