SHIVERS SEES
DOGWOODS OF
EAST TEXAS

Palestine, Texas, March 17.—Gov. Allan Shivers began a series of week-end public appearances in his native east Texas. He flew here Friday to tour the Texas dogwood trails.

The governor stopped twice along the trails to pose for photographers and once to be served coffee and cake by members of Palestine Garden Clubs.

Shivers spoke briefly at the Anderson county court house after his return to the city.

"You people here have done a wonderful job in promoting the beauty of nature, and your work is appreciated by citizens throughout the southwest," he said.

The governor was presented with an honorary membership in the Texas Dogwood Trails Association by Ed Bigbee, president of the nonprofit organization.

"I was never much of a joiner until I became governor," Shivers said, "but since then I've become a member of practically every type of organization in the state. But it still gives me great pleasure to accept this membership to the Dogwood Trails Association."

Friday night the governor attended a veterans' rally in Crockett.

The chief executive was only one of hundreds who viewed the blooming dogwood trees Friday. Visitors came from Illinois, Connecticut, California, Louisiana and other states in addition to points throughout Texas.

Twenty new tree farmers have been added to the Texas Tree Farm System since September 15. A total of 129 tree farmers comprise the present Texas Tree Farm System.

The following owners with the acreage indicated have been incorporated into the Texas Tree Farm System: J. L. Delman, Caro, 80 acres; Caro Lumber Company, Caro, 200 acres; Charly Rogers, Overton, 55 acres; V. Bean, Kirbyville, 194 acres; M. L. Wilkinson, Lufkin, 150 acres; B. G. Hambley, Crockett, 70 acres; Arvine Skidmore, Grapeland, 470 acres; J. D. Humphrey, Houston, 100 acres; Mrs. Nobis Campbell, Burke, 30 acres; Herman Jacobs, Carthage, 3 acres; J. D. Bagley, Rusk, 80 acres; B. W. Jackson, Mt. Enterprise, 175 acres; T. B. Cutler, Augusta, 250 acres; E. O. Lowry, Etowah, 35 acres; Kurtz Lumber Company, Jasper, 50,000 acres; J. M. Lawrence, Trinity, 20 acres; Ben F. Predwell, Burke, 475 acres; W. F. Lufkin, Trinity, 8 acres; George B. Hudson, Woodville, 10 acres; and J. L. Griggs, Polk, 12 acres.

The new tree farms include 52,842 acres. The total forest area in the Texas Tree Farm System is now 2,486,965 acres.

It is not necessary to be certified as a tree farmer to practice good forestry. Timber owners desiring to be affiliated with the Texas Tree Farm System should contact the closest District Forester or write to the Texas Forest Service, A. & M. College System, College Station.

Both Wrong.

A parliamentary candidate was once addressing a political meeting at Brighton. The speaker made a remark that one of the audience resented and he called out, "You're a liar!"

The speaker hesitated and looking at the interrupter, said: "Well I never; you take me for a liar; I took you for a gentleman and you are both wrong."—London News Chronicle.

NONE LIKE HARRY.

Inflation does not necessarily aid in depression, but when the purchasing power of the dollar falls below a certain point the result cannot be but disaster. As the value of the dollar falls, prices of higher wages increase, and this brings about still higher prices and a resultant further lowering of the purchasing power of the dollar. Fixed income groups are caught in the squeeze, and the cycle begins again.

When Mr. Truman referred to today's economic property, he was boasting about the dollar. He said the prediction of \$12,000 annual income could mean anything or nothing. But Mr. Truman, who knows more about politics than political economy, was relying on just such a factor, and his boast was an unscrupulous as it was misleading. Yet, when our public debt greater than it has ever been, and with the value of our dollar falling consistently until it has reached its present low level, we are told that the Democratic party is omnipotent and all-wise, and that there is no economy like the Fair Deal economy and no economist like Harry Truman.

—Virginia Doss in Southern Weekly.

EVERYBODY IS SOMEBODY

Not just the generals and the financiers, the bandits and the inventors, but everybody. Take any individual—he is born, he learns the difference between sunshine and shadow, between smiles and frowns. He masters the art of crawling and goes exploring. He takes the first faltering step and soon is running. He achieves the miracle of speech. He has the consciousness of a dog; he goes hunting; he fishes; he plays and he fights with other boys.

He knows the love of mother and father, the comradeship of brothers and sisters, the repression of school-room, the joys of holidays, the anticipation of vacation, the long days of summer with the vague visions of boyhood.

At last he grows up, falls in love, marries, has children of his own, beholds the footsteps of his father and mother over fossils and sees their eyes close forever.—Boyce House.

Bob Wills Hears Folks Tell
Of Hadacol's Many Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL, met at the Triano Building in Oklahoma City where Bob Wills, famous western music band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL, because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessings of HADACOL and the following statement by Miss Carol Jean White, 3838 West Park St., Oklahoma City, is a good example:

"One of the luckiest days of my life was when I heard Bob Wills tell about the wonderful blessings of HADACOL. I had lost my appetite, my energy was down. I suffered with gastric disturbances and indigestion. I took the advice of Bob Wills and took HADACOL. I felt better right off and have felt better and better as I have continued to take HADACOL. I now recommend HADACOL to my friends."

Miss White suffered with a deficiency of B vitamins and important minerals which HADACOL contains.

A lack of only a small amount of the B vitamins and minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburn. . . . You will have a headache. . . . You will have a nervous condition. . . . You will be able to eat the things you like for fear of being indigestible. . . . THAT INQUITOUS
WITHHOLDING TAX

The withholding income tax is the greatest injustice ever imposed on a supposedly free people. Talk about people losing their freedom. They haven't had any freedom for seven years. Democracy was discarded to make room for socialism, organized labor, the fair employment group and other leftists and off-colors. The National Democratic party was tried for selfish political gain and selfish political control. No true southern Democrat is in harmony with the Truman organization and administration, not even southern senators and southern congressmen, because they know it does not represent true southern Democracy.

Black Walnut Seed
IS STILL AVAILABLE

A large supply of black walnuts is still available from the Texas Forest Service for planting this winter. These nuts can be purchased for 50¢ per hundred. The Texas Forest Service does not plan to continue the practice of growing walnut seedlings in the past.

Black walnut is adaptable to moist, fertile sites in East Texas. One advantage of planting nuts in preference to seedlings is the ease of planting them. Planting of seedlings in the past has been very costly.

DALTON LOSER
IN NAME SUIT;
TOLD TO PRAY

Union, Mo., March 11.—A hard-litten old man went back to his big room in the Missouri Ozarks with a judge's advice that if he really is the old-time bandit, Jesse James, he should ask the Lord's forgiveness for his many sins.

J. Frank Dalton, 102-year-old and ailing, was told to pray for forgiveness for his many sins. He was told to pray for forgiveness for his many sins. He was told to pray for forgiveness for his many sins.

With the forecast looking an ominous one for the future, the circuit court yesterday formally declared that he is the legendary bandit.

Dalton, who recently suffered a broken hip, endured a white-hot 44-caliber pistol under the other arm, and was told to pray for forgiveness for his many sins.

The hearing was rich in Missouri history and the operations of the James gang had experts tended to doubt some of the "disclosures."

But, logically, it left the latest claimant to the name of Jesse James in the lurch.

Circuit Judge Ransom E. Brewer said the court could not rule on Dalton's claim.

"Petition dismissed," said Brewer, who heard a striking resemblance to Abraham Lincoln. "There is nothing for me to rule upon."

"If this gentleman had never changed his name with which he was christened, if he is Jesse James, I suggest he retreat to his hideout and ask forgiveness of the Lord."

"If he is not, he has tried to perpetrate a fraud upon this court. We love Missouri and Missouri people but the criminal conduct of the James gang has left a black spot on the state and will never be erased."

WRONG AND UNFAIR.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

The withholding tax system of collection is a government scheme of "paltry taxation" . . . that is not a sound or even a wholly honest policy. It is the case of the tax collector, Justice James B. Byrnes speaking.

You people here have done a wonderful job" in promoting the beauty of nature, [And] [uncertain] your work is appreciated by citizens throughout the southwest," he said.

The governor was presented with an honorary membership in the Texas Dogwood Trails Association by Ed Bigbee, president of the nonprofit organization. [uncertain]

[Prigay] [uncertain] night the governor attended a veterans' rally in Crockett.

The chief executive was only one of hundreds who viewed the blooming dogwood trees Friday. Visitors came from [Illinois,] [uncertain] Connecticut, California, Louisiana and other states in addition to points throughout Texas.
