CROCKETT PLAYS
IN HUNTSVILLE ON
TUESDAY NIGHT

The Crockett High Bulldogs will travel to Huntsville Tuesday night to engage Coach Jim Kethan's Huntsville High Hornets in a non-conference basketball game, to be played on the Sam Houston College diamond.

Coach Dusty Simmons will probably start Johnny Johnson or Herrell Carter, the left-handed, on the mound, with W. T. Hanks in reserve. Chester Stewart is slated to catch. The infield may include Terry Maxwell at first, Rex Blum at second, Joe Arledge at short and Jackie Gossitt at third. Hawkins, John Carter Hamer and either Ray Johnson or Neil Johnson may start in the outfield, although there is much competition in the outfield. Although the Bulldogs are not mentioned above, Jimmy Adams and Mel Luck are a pair of heavy hitters, both expected to start.

Coach Kethan has both a splendid club at Huntsville. Big White and Burns are a pair of capable pitchers returning from 1949. White is the left-hander. He also has most of the players who formed Crockett into a playoff for the state championship last year.

TRACK TEAM TO
FORT WORTH MEET

The Crockett High School track team will go to Fort Worth March 17 and 18 for the Southwest Relay, one of the biggest track and field carnivals held annually in this section of the country. This will probably be the first test for the Bulldogs, who will compete in the district meet at Huntsville on April 1. Paced by Gerald Cheney, star miler, the team consists of nine men, mostly sophomores and a number of other candidates. Track and field have not drawn enthusiastic work from C.H.S. athletes in recent years, but Coaches Dusty Simmons and Robert Simmons are hopeful of more effort in 1950.
