CROCKETT HIGH SCHOOL RECEIVES ANNOUNCEMENT

College Station, March 2. The principal of the Crockett High school received this week an announcement and application from covering the 1950 opportunity awards scholarship competition of Texas A. & M. College.

Four-year scholarships, paying the winners \$200 to \$400 each year, are available. They are designed to make a college education possible for boys of outstanding ability who require financial assistance.

William W. McPherson is a Crockett High School graduate now attending the A. & M. College as a previous scholarship winner.

25 YEARS AGO IN HOUSTON COUNTY

The following items are taken from the Courier files of 25 years ago this week:

Representative C. C. Rice advised the Crockett Lions' Club that the state highway commission had agreed to designate the highway from Lufkin to Spickard to Centerville and main-lane name if the road was graded and put in shape for maintenance.

The city auditorium, to be completed in May, had been leased to Mr. Callahan of Palestine.

George L. Porter had returned from Tennessee and the east, and announced that he planned another all test if enough leases were available to justify the operation.

The commissioners' court ordered an election held April 8, 1925, in the Grapeland road district for an additional maintenance tax; another April 11 in the Augusta district for like purpose.

Hugh Adams and family returned from Lubbock.

In basketball preliminary matches at Crockett, Ratcliff defeated Latexo 18 to 15 for the senior boys' title; Ratcliff won over Center Hill for junior girls' crown and Crockett downed Friendship 12 to 8 for junior boys' honors, but was declared ineligible. In senior girls, Latexo won over Friendship 22 to 12 and Kennard swamped Cooper. At Grape-

MRS. GOODWIN DIES AT SAN ANGELO

San Angelo Standard.

Mrs. L. C. Goodwin, 76, a legend of the west Texas night club life, died at her residence, 2109 W. Beane, at 3:30 o'clock Monday afternoon.

She had been ill for about five months, suffering a heart condition. Death of the long-haired gray-haired woman brought to end an area institution. She had resided in Tom Green county since 1906.

During that time she operated boarding houses, restaurants, and went into the big printing business. The Goodwin Tavern that Mrs. Goodwin met most of the hundreds of West Texans she knew personally. Services were conducted at 6 o'clock Tuesday afternoon from the Robert Maule Funeral Chapel. The Rev. Y. W. A. Johnston, officiating.

Interment followed in Falmouth cemetery. Pallbearers were grandsons. Her many West Texas friends were designated as honorary pallbearers.

West Texans in all walks of life alike mourned "Ma." They recalled her in a snap-him hat, her big farm lodged firmly in an old rocker which sat conspicuously in front of the Tavern bar.

She was born "Ma" McPherson in Houston county, December 23, 1874. She was the eldest child of a family of eight.

She married a stockman, L. C. Goodwin, in 1895. They moved to Carlsbad in 1906 where they operated a boarding house and bedded down cowboys on counters or any other available space.

Mrs. Goodwin moved to San Angelo in 1908. She kept boarders until the oil boom of 1923 when she moved to the blueprint business.

Later she went into the restaurant business. She operated a dining room in the Last Landon Hotel, September 23, 1923, the day beer became legal in Texas, she opened the Lone Wolf Inn.

In 1937 she erected the Tavern on the Mexican highway.

In 1944 the Tavern burned. For a year Mrs. Goodwin ran a restaurant in the present location of Sturge's store. The new Goodwin Tavern was completed in 1945.

Survivors include four daughters, Mrs. W. B. DeMott, Mrs. J. M. Wyatt, Miss Hallie Goodwin and Miss Grace Goodwin, all of San Angelo; two brothers, six grandchildren and six great-grandchildren.

Grandsons who were active pallbearers included Bill Wells, Bill

\$50,000.00 FIRE DAMAGE AT BASKET FACTORY

One of the largest and costliest fires in Trinity's history occurred last Tuesday afternoon when fire of undetermined origin destroyed the huge warehouse and two drying sheds of the Trinity Basket Company.

The drying sheds spreading fast to the other buildings. The warehouses and sheds were filled with baskets. A box car on the loading tracks was destroyed also.

The alarm was sounded at about 6 p. m., and the wind spread the flames quickly, with the firemen working steadily under difficult conditions to confine the flames to the buildings which adjoin the factory proper. According to Stinson Huston, one of the owners, the loss was partially covered by insurance. The loss was estimated to between \$40,000 and \$60,000.

The firemen fought the blaze until midnight, and local people were praising the members of the volunteer fire department for their untiring efforts to control the flames and save the machinery of the company and other nearby property.

The basket factory is one of the major industries of Trinity, employing about 130 workers exclusive of the loggers and woods crews who supply the wood for the baskets.

Mr. Huston stated Tuesday that the sheds and warehouse would be rebuilt—Trinity Standard.

NO OTHER METHOD OF COOKING IS AS

COOL

AS Electric Cooking

How many times have you wished that you didn't have to cook a meal, or bake a cake, because your kitchen got so hot?

That's one big complaint that has been eliminated by electric cooking. The new electric ranges do not release stifling waves of heat into the air and your kitchen remains degrees cooler. In addition to coolness, electric cooking is the safest, cleanest, and produces better cooking results than other methods of cooking. You'll convince yourself once you try a new electric range... join the swing to electric cooking today!

GARDEN CLUB PRESENTATION AT LUFKIN SATURDAY

Lufkin, Texas, February 28, 1950.

The Lufkin City Council of Garden Clubs is presenting a flower show entitled "Brunch of Spring" Saturday, March 4, from 3 to 8 p. m. at Shanda's Gymnasium on South Raguet Street in Lufkin. The public is invited.

Five local clubs are members of the council—the Lufkin Garden Club, the Flower Garden Club, the Gage Myrtle Club, the Elmwood Garden Club and the Dugwood Garden Club. Mrs. B. W. Lang is chairman and Mrs. Harvey Chappell Jr. is co-chairman of the show.

There are five sections of the show—floricultural specimens, artistic arrangements, tables, jewelry, and section for men only. The floricultural section will be open for members and non-members to exhibit. The artistic arrangements feature three novices classes, two blue ribbon classes and student classes open to all garden club members.

The three church arrangement classes will be especially beautiful in this section. Other interesting classes are the period arrangement, Tuscan, Mosaic, arrangements of dried materials, arrangement with tiny background, pitcher arrangement and all green arrangements.

The table section will feature bed-side table arrangements, breakfast for two, luncheon for five, dressing table, formal tea tables and special occasion tables.

The Junior Guild Garden Club will exhibit corsages. There will be a

water supply, and by immunization. The purity of water, milk, or food cannot be judged by looking at it, so the best thing to do is to play safe and have your physician protect you.

The message was signed, "The Tex. Ann."

Large display of children's arrangements.

Judging will be done by nationally accredited flower show judges governed by the scale of points in the National Handbook.

If possible we will appreciate a story in your paper before the event.

Mrs. Edridge B. Ryan, Publicity Chairman.

Bring to Take Time Out for Operation.

Hollywood, March 3.—In between broadcasts that casual singing fellow, Bing Crosby, will have his appendix out next week.

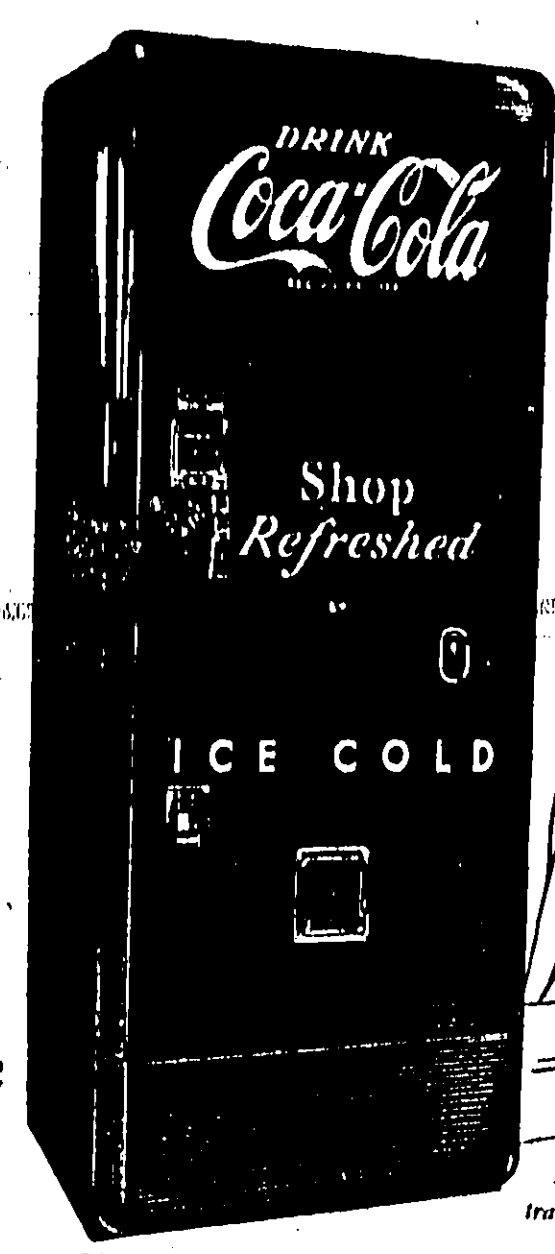

The appendix has been giving Bing trouble off and on for some time.

The typhoid germ travels from an [bles,] [uncertain] infected person to the well person; [ocensi] [uncertain] this is generally accomplished by [wa-] [uncertain] The [ter,] [uncertain] milk, flies, fingers, or food. Every [exhibi] [uncertain] case ig contracted by way of the [mms] [uncertain] mouth and digestive system.

A carrier is a person who has had typhoid fever at some time and who even after recovery carried the germs of the disease in tho urine and dis- charge of the bowels, Carriers who are [carcless] [uncertain] in their personal habits are likely to infect any food they handle with unwashed hands. Some of the most serious and far-reaching outbreaks of the disease have been caused by drinking milk or eating foods that have been handled by car- [riers.] [uncertain] Persons may be

carriers with- out knowing it.

Typhoid fever is unnecessary and preventable. Every case is due either:

to community negligence cr to the carelessness of some individual, Per- sons planning a vacation or trip where sanitation may not be rigidly--en- forced should protect themselves against this disease by being immun- [ized,] [uncertain] Its prevention is accomplished by the enforcement of public health Measures to protect food, milk and
