Miss Carol Ellison, daughter of Mr. and Mrs. E. A. Ellison of Tyler, will reign as Queen of the 1952 Texas Rose Festival October 3, 4 and 5. Announcement of selection of the queen was made this week by Glenn Elkins, president of the Texas Rose Festival association.

Queen Carol is the granddaughter of Mrs. E. B. Stokes and the late Dr. E. B. Stokes of Crockett. Her aunt, Mrs. Raymond Cornelius and Mrs. Smith Stokes, and an uncle, Dr. Paul Stokes, also reside in Crockett.

Queen Carol will succeed Miss Catherine Roberts, 1951 Rose Queen.

Eighteen-year-old Carol is a pretty, blue-eyed blonde who moved from Houston to Tyler with her parents when she was only a month old. Her father is an independent oil operator.

Carol graduated from Tyler High School last year and is now attending Hollins College at Rome, Va.

Carol was vice president of the Girls' Forum, a social class favorite, a member and singer of the A. Capella choir, and a member of the Blue Brigade, Tri-Hill and the Paul Stokes, who was elected to the National Honor Society.

At Hollins, Carol takes an active part in choral singing and is a member of the swimming club. Horseback riding is her favorite form of recreation, and she is taking riding lessons at Hollins. While attending Camp Waldemar, she was elected to ride in the Mounted Quadrille, and she placed second one year at the Camp Waldemar horse show.

Attractive Carol will be the 15th Queen to reign over a Texas Rose Festival.

MEETING IN AUSTIN HIGHWAY 164 MOVED TO TUESDAY, 19TH

County Judge Roy Selman, secretary of the Highway 164 Association, has been advised that the hearing for completion of Highway 164 from Buffalo to Hurricane Shoals bridge has been changed to Tuesday, February 19, by the state highway commission. This hearing had previously been announced for February 21.

A delegation of Crockett and Houston county citizens is expected to join others from other interested counties in appearing to ask completion of this final link in the highway from the farm to market program. Buck Sullivan of Crockett is president of the association. Completion of this highway would give a direct route from Waco to Crockett, and from Crockett to many other points.

SCOUT DISTRICT MEETING HELD IN CROCKETT

The district committee of the Trinity-Texas District, composed of Trinity and Houston counties, met in Crockett on Tuesday night, February 5. All towns and communities of the district were well represented at the meeting which was the first of the combined district. Representing Trinity at the meeting were T. G. Hemby, Dan Callahan and Bill Epperson. W. D. Julian, Crockett attorney, was officially elected chairman of the committee and he in turn appointed the various district subcommittees, made up of representatives of the two-county area.

COMMISSIONERS IN REGULAR SESSION

The commissioners' court of Houston county was in regular session Monday and, among other things, accepted the report of a jury of view in consideration of proceedings for right-of-way for the proposed farm to market highway from Bellett to Greath. The right-of-way in question crosses property of Clifton Anderson of Houston. The jury of view included John L. Spinks, F. M. Boone and C. L. Hooker. The highway requires about 300 acres of land and the jury of view recommended that Mr. Anderson receive \$30 for the property.

The court also officially accepted proposals of the state highway commission for farm to market highway work in Houston county from the 1952-53 program under the Cohen bill. Projects include completion of the F. M. highway east of Lovelady from the end of current construction to the Trinity county line. This highway, when eventually completed, will connect Lovelady and Groveton. Funds for the project will be expended on the highway from Raliff toward Tador.

A unique part of the program was two letters from exchange students from Japan and Korea, now attending one of our colleges, reflecting their attitude toward these national heroes.
