The 22nd [annus!] [uncertain] report to stockholders of United Gas Corporation showed the year 1951 as one of major increases in revenues and operating expenses, and major investments in new pipe lines and other properties. AGAINST DEM SPLIT
SHIVERS WARNS

Cleburne, March [4.—Governor] [uncertain] Allan Shivers [wants] [uncertain] Texas Democrats to join in protecting [4be] [uncertain] party from [extremist] [uncertain] who right now are doing their best to divide the Democratic

[7] [uncertain] party in Texas."

[well] [uncertain] He made the appeal in a brief speech at a civic clubs banquet [here] [uncertain] Monday night. Shivers, obeying [his] [uncertain] doctors orders to hold down his speechmaking because of a throat infection, brought Secretary of State John Ben Shivers with him to do most of the talking. Shivers once more asked for Texas to send an uninstructed delegation to the [Democratic] [uncertain] National [Convention] [uncertain] at Chicago hope you will rally with me and all other good Democrats of Texas behind a program to send an [uninstructed] [uncertain] Texan delegation to the [Democratic] [uncertain] Nat: ional Convention, as That we [may] [uncertain] our views in the most effective manner possible and do our best to preserve the great

Democratic [party] [uncertain] of Texas, and pro- bow [text] [uncertain] it

from the extremists, within and without, who [eight] [uncertain] now are doing their best to divide the Democratic party in Texas," Shivers said.

C. DAVIS PASSES TO
REWARD

Our city [was] [uncertain] deeply saddened last week because our beloved friend and kindly neighbor, Rev. [O.] [uncertain] C. Davis, [passed] [uncertain] away. Although [his] [uncertain] death [was] [uncertain] not unexpected, no one was prepared to give him up, as his long residence in Crockett, genial manner, friendliness and constant helpfulness to all in need had endeared this man of God to every one [fortunate] [uncertain] enough to share his acquaintance.

For more than fifty years Brother Davis [has] [uncertain] tried faithfully to guide his [flock] [uncertain] of parishioners along the straight and narrow way. His daily life has been a Christian example to thousands, because his pastorate took him to many, many churches throughout Missouri and Texas. It mattered not if his charges were large or [small—firmly] [uncertain] established or newly [begun—Brother] [uncertain] Davis gave his whole soul to any task assigned. [He] [uncertain] for opportunities to [render] [uncertain] assistance and he was never too busy to help those in [distress,] [uncertain] either personally or by soliciting funds from friends. He knew the [trial] [uncertain] of the poor and underprivileged, just as he [realized] [uncertain] the problems of the privileged and well-to-do. He never [failed] [uncertain] to visit the rich, whether in their homes or the hospital, even though he might be weary and worn [himself,] [uncertain]

He cared not for worldly riches, which [must] [uncertain] be left behind, but placed all his treasures in Heaven, where

[Hers 4] [uncertain] gives [approach] [uncertain] to steal Truly, Brother [Darix couly] [uncertain] well say, as did Jesus to His Father: I have glorified Thee on Earth;

He practiced [hls] [uncertain] religion to earn [eatly] [uncertain] that [hia] [uncertain] life was gentle, and the elements so [mized] [uncertain] in him that nature might well [atand] [uncertain] up and [aay] [uncertain] to all the world: [Thi] [uncertain] was man!"

No individual can [aay] [uncertain] anything to [aeauage] [uncertain] or alleviate the great sorrow of his [grieving] [uncertain] family only time can do that. But for them to know that friends do care means [rouch,] [uncertain] as ail) [the-4wautiful thoughta] [uncertain] in this poem [from]] [uncertain] my late mother's pen;

A life that never dies."

BE ON TIME OR BESORRY

Burnham, [Englarid.—] [uncertain] Brides who arrive late for their wedding at Bt.

Peters church here may find the church locked and the ceremony postponed, [uncertain] the vicar, James Wildman, warned recently.

The fiction that it is lucky for a bride to be late for her wedding [i»] [uncertain] but for us," he wrote in his pariah [maguaine, Et] [uncertain] should be clearly understood [uncertain] that if on such occasions the bride is late, the officiating minister [uncertain] will, at his discretion, defer the ceremony to a more convenient time."

Word of Thanks.

We wish to thank our friends for the liberal consideration, kindness and generosity following the loss of money

and valuable papers by theft from our residence during our absence, while we were in attendance at church. The money taken is inconsequential in comparison with the [lexprentions] [uncertain] of sympathy and the [unxolirited] [uncertain] contributions of our friends, whom we hope to be of some service to while we yet live. Please accept our appreciation and thanks. Whether your contribution was small or large, it was [appreciated] [uncertain] Just the same

CRUICKETT. [cou] [uncertain] RIER: WASHINGTON LETTER ON EXPENSE

REDUCTION

The first of a series of eleven major appropriations bills to run the government for the fiscal year beginning next July [3] [uncertain] was brought to the floor of the house and debated March 2) It was the bill providing funds for the treasury and [post] [uncertain] office departments, The total amount recommended for the post office department was nearly \$2 billion 704 million. The [cust] [uncertain] of postal [operational,] [uncertain] principally the payment of salaries of [postmasters,] [uncertain] clerks, carriers, [etc.] [uncertain] is by far the largest item in the [BIT, reprecating] [uncertain] \$2 billion 150 million. Mail transportation costs took up nearly all the cost, being a total of \$016 million.

The total recommended in the bill for the department of the Treasury was about \$6464 million. The largest item in that section of the [bill] [uncertain] was \$270 million for the salaries of the [L010] [uncertain] employees of the Bureau of Internal Revenue necessary to administer the tax collecting [preparation.] [uncertain] The second largest item [wae] [uncertain] for operating expenses of the Coast Guard with a total in [excess] [uncertain] of \$195 million. Another item not [articled]

[uncertain] as an appropriation for either of those two branches of the government, but a! [solutely rasptial,] [uncertain] is the sum of more than billion to pay the interest on the public debt.

There is no way to reduce the amount of money required to pay the interest except to reduce the debt. That can be done only by balancing the budget and leaving surplus to pay a part of the [dett] [uncertain] from [year] [uncertain] to year. A renewal of efforts to

[L] [uncertain] federal [expenditures wae] [uncertain] made on this appropriation bill. While there [waa] [uncertain] not much that could be cut without reducing mail service, impeding tax collection and interfering with the necessary functions of the Coast Guard, the [committe] [uncertain] itself cut nearly \$73 million from the administration's budget request. The house [wae] [uncertain] able to make further minor reductions. As was the case in 1951, those deductions were made as a result of concerted [action] [uncertain] by economy-minded Republicans and southern [Democrats. Sincerely,] [uncertain] Your Congressman. Tom Pickett.
