TEXAS HYBRID CORN

The history of corn is as old as the history of mankind. From the earliest records which show that man left around his campfires down through medieval and modern history, civilizations have achieved greatness or have crumbled according to the supply of corn. In this sense, corn is the "bread" of the world. It is the most abundant of grains and it is the most versatile. It is the most important of crops. It is the most important of crops. It is the most important of crops.

One of the first incidents concerning the founding of our nation is the story of the Pilgrims. They landed on the rocky eastern shore, they were met by friendly Indians who helped them prepare for the hard winter ahead. Perhaps one of the

ONLY SIX REMAIN WHO WERE IN BUSINESS THEN

Of the eighty people who started businesses in Crockett in 1918, according to an old report of Don A. Hubbard's commercial agency, only six are left. They are: T. W. Gaudin, J. D. Wooten, W. W. Allen, Will Miller, Will Shivers and B. L. Satterwhite. If there are any others they were not listed in 1918.

THE BIRTHDAY CALENDAR TOLD US

You had a birthday this week, didn't you? We know because the birthday calendar told us. May we add our bit of friendly greeting with "Happy Birthday and Best Wishes to you."

Now... Home is as COOL as the Office!

ENJOY cool, refreshing comfort this summer right in your own home by installing a unit air conditioner. It cools the air, lowers the humidity, keeps you comfortable, no matter how hot it is outside. It provides relief to hay fever sufferers, too, because it filters out dust and pollen in the air. Installation is quick and easy. So stop in at your electric dealer's this week and take a look at the new models. A room air conditioner is your best investment in hot weather comfort.

See the new 1952 model air conditioner at your electrical dealer's today.

TEXAS POWER & LIGHT COMPANY

SIXTY-TWO YEARS AGO IN HOUSTON COUNTY

The following items are taken from the Courier files of 62 years ago this week:

Announcements included J. R. Howard and J. F. Martin for county clerk, T. S. Brown of Hickory Creek for constable of precinct 1 and J. S. Gilbert for justice of the peace of precinct 3.

John A. McConnell and Miss Louella Nations were married Tuesday evening at the residence of Mrs. A. R. Spence, Rev. J. T. Smith, Methodist minister, officiating.

T. H. Stout, county and district clerk of Trinity county, was a Crockett visitor.

Mrs. D. A. Nunn, Miss Mary Nunn and Miss Lattie Aldrich were on a trip to the Fort Worth Spring Palace and the northwest.

Major W. H. (Howdy) Martin was announcing for reelection to congress, Rev. and Mrs. J. M. McCarter of Moscow were visiting in and near Crockett.

John T. Bever opened an undertaking establishment in connection with his livery business.

Mrs. Florence Peck, wife of Zach Peck, died Wednesday night.

Mrs. Mary Wright and children returned to Jacksonville, after visiting Mrs. Eicheberger.

Robert McConnell had attended the Spring Palace at Fort Worth.

TWENTY-FIVE YEARS AGO IN HOUSTON COUNTY

The following items are taken from the Courier files of 25 years ago this week:

A carload of Irish potatoes were shipped from Latexo, billed through Worth produce house.

Mr. Hubbard's commercial agency, 341-veston, only six are left. They are: T. W. Gaudin, J. D. Wooten, W. W. Allen, Will Miller, Will Shivers and B. L. Satterwhite. If there are any others they were not listed in 1918.

The same commercial agency gave Crockett a population then of 2500. The town had about 1500 when the Courier editor came here from Henderson in 1927. The six men have seen the town double its size, growing from 2500 to 5000, in forty years.

They do not seem to have had the town back very much in its growth, as claimed by some. Or maybe the town grew up spite of them, as others may claim.

G. C. DRISKELL BURIED MAY 14

G. C. Driskell, longtime resident of Lovelady, died May 12 at the home of his son, Alto Driskell. Funeral services were held at the Lovelady Church, Christ Methodist, after noon, May 14, at 3 o'clock by Fred Conner, Interment was in the Weldon cemetery under the direction of Rev. R. N. Aldridge.

Mr. Driskell had been in ill health for several years. He was a member of the Trinity Home of Trinity.

Palmer was Billy Lawrence Driskell, M. B. Eldridge of Huntsville, Rev. J. D. Wooten, Calvin Glaser of Lovelady.

Honorary pallbearers were Cooper Frisley, Joe Driskell and Douglas Ham. Survivors are his wife, Mrs. Mary Driskell of Lovelady; two sons, Alto Driskell of Trinity, and Troy Driskell, U.S.N., Bremerton, Wash.; six

daughters, Mrs. Bob Brown of Huntsville, Mrs. Clifton Hudson of Trinity, Mrs. Alton Hooper of Palestine, Mrs. Heavy Williams of Pennington, Mrs. Johnnie Stasson and Mrs. Walter Randolph of Houston; four sisters, Mrs. Will Lawson of Crockett, Mrs. Dallas Lawson of Lovelady, Mrs. C. H. Phipps of Fort Worth; two brothers, Joe Driskell of Fort Worth, and Lawrence Driskell of Huntsville; and 18 grandchildren.

MOTHER'S DAY CELEBRATION NEAR RATCLIFF

We like to hear and tell of the Mother's Day celebrations in the town and communities each year. We like to hear of the homecoming, too, at this time; for mothers deserve that extra interest, affection, devotion, consideration and love which is bestowed upon them on the second Sunday in May. In reality mothers deserve a big bouquet 365 days of the year, but as families must and do greater to the four corners of the earth at times, it is nice that some can observe a Mother's Day celebration near Ratcliff when quite a few gathered at the home of Mr. and Mrs. Alford Best. A wonderful dinner was

You'll say it more than once!

After you've owned one of our new International Trucks with stake bodies awhile, you'll say: "THIS is really a truck!" And, you'll say it more than once!

You'll say it when you discover the beautiful balance between pep and power built into these trucks. And you'll say it often as your International saves you money as it rolls through the years.

Why pass up performance like this? See our new International Trucks now.

Only Internationals give you—

- All-steel engine-hood in the world's largest truck engine plant.
- The "crane" most comfortable seat on the road—the Convex-Seat.
- Super-shocking system—more positive control, less bouncing and 27" turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- The truck engineered for your job... 113 body models, from 1-ton to 18-ton, 6x4, 6x2, 4x2, 4x4.
- Largest exclusive truck service organization.

Buy on Proof!

Before you buy any truck, get the facts about Internationals from actual owners. Let us give you a list of names in this area who have recently bought new Internationals like the one you are considering. Check with any or all of them. Find out how Internationals cut hauling costs on jobs like yours.
