Visit Crippled Childrens Hospital i By D. F. FYOUNGBLOOD t On Sunday, May 28th J had an been experience which I would like to share with you and [othera] [uncertain] The Crockett Elks Lodge No. 1729 t chartered a Mack Motor Coach bus ae oa [aod] [uncertain] made all preliminary arrancre- 4 j Tent [tur] [uncertain] Elks aba [thelr] [uncertain] wives to make a free trip to Ottine, Texas and visit the Texas Elka Crippled [Childrens] [uncertain] Mosplal. Our group gathered at the Club at 7 am and put ourselves in the capable hands of Tom Bullock who kept us on schedule.

We arrived at the hospital in Ottine at 2 p.m and were cordially received by Miss Fannie Fox, hos- [pital] [uncertain] administrator. Sht made us all feel at [bome,] [uncertain] and personally showed us over the nice, modern

balling, explaining as we went along the methods of treatments used who was accepted for treat- open how [jong] [uncertain] they saved, [etc.] [uncertain] Miss Fox is a most competent, efficient person with a background l experience of teaching orthopedics and doing other lecturing work, laboratory experience, [supervieiog] [uncertain] 2 1,900-Ded hospital for the Army in Cairo, Egypt and [apotber] [uncertain] later during the war in Dakkar. She is assisted by four registered nurses, 10 nurses aides, three workers in the kitchen, three workers

handling the complete laundry set-up, and two maintenance men. It [waa] [uncertain] interesting to note that most of the workers were young and ane could sense the [devation] [uncertain] the children had for those in charge.

[yor] [uncertain] raises a toast" to Jume Dairy" jake drinks a glass [cftmilk] [uncertain] between in its own right on the American [onancullve] [uncertain] year. [iis purpuse] [uncertain] la to 1g of the contribution dairy foods [labUization] [uncertain] of [uur] [uncertain] economy n [WUVelihood] [uncertain] from the production, such as ice cream, milk butter ike The dairy industry contributes commerce [ibe] [uncertain] motion picture comedy, Were

The hospital is under the special schools program of the State of Texas, and [Sfiss] [uncertain] Fox said [ahe] [uncertain] was) indeed fortunate in having three extremely fine teachers one for primary and [cietnenlary] [uncertain] work, [apecch] [uncertain] teacher and a music teach- er. Three children having the ad- vantage of music [in*] [uncertain] the hospital found their talent there, and [arr] [uncertain] majoring in music.

We caw every facility needed in the [rehabilitstlon] [uncertain] of children crip- pled from any cause [pollo,] [uncertain] in- [fantile] [uncertain] paralysis, spinal meningi- [tls,] [uncertain] rheumatic fever, cerebral pal- walking bars, floor [mata,] [uncertain] muscle builders, swimming pool, special tables and chairs sid down [16] [uncertain] the children special built beds and stretchers

for use by those who [could_not] [uncertain] stand or walk, 2 [xrl] [uncertain] equipped examination room, complete dental act-up, full laboratory where all kinds of blood examina- [tions] [uncertain] are made, [tsvlation] [uncertain] rooms for those who become ill, all kinds of games, a Music room, television.

movie room, school rooms just everything one could think of" All this In a spotlessly clean, beau- [tifully] [uncertain] and tastefully decorated building each rooms different color making i all most [attractire.] [uncertain]

Only the best [avallable] [uncertain] in foods and other services are given the children," said Miss Fox. A glance

In the pantry and deep freezers verified her [siztement,] [uncertain] and when we looked over the menu for the week we all wanted to be boarders.

A dentist [whe] [uncertain] is an Elk comes over from Seguin every other week on his afternoon [aff] [uncertain] and gives his time and service in taking care of the [childrens] [uncertain] teeth. Medical doc- tors come up from Houston every two weeks to do routine checking and go over any health problems which may arise. Extensive cilal- cal facilities, X-ray, [ete.,] [uncertain] are avall- able free in Austin from doctors there.

Children from 1 year through age 13 are accepted the only en- trance requirement being that they ore crippled" and that there be some [poasibiliy] [uncertain] that they can be

[Scife>] [uncertain] Mach child ls [obwrven] [uncertain] tor a tarce-week period lo [actermine] [uncertain] whether or not he can be helped.

If it is believed he is beyond aid he is released otherwise, he ts retained for rehabilitation treat- [ment.] [uncertain] Thre is no maximum lure limit the child can slay too many factors entering in much [metter—] [uncertain] bu Alias Fox said they had found the maximum benefit usually was attained in from three to six months. Often these children are brought in with nothing but the clothes they have on, and the hospital furnishes clothing in such instances. All braces are fur- [nished]

Crockett Courier — May 29, 1952

[uncertain] free, and all operations are performed without [cust] [uncertain] to the In- [dividual.] [uncertain] No charge bs ever made, but Hf a family desires to do so they may make a free will [contribullon] [uncertain] to the hospital fund. [This] [uncertain] hospital [i@] [uncertain] owned, maln- [tained] [uncertain] and managed by the Elka of the State of Texas. There are 46

Lodges [throughodt] [uncertain] the stale rang- ing in membership [frdém] [uncertain] WO fo 2.-

360. Each Lodge ls assessed \$4.00 per member per year for this par- [ticular] [uncertain] hospital fund, but this as- [sesement] [uncertain] is a part of the members due and not in addition to them.

The [maxmium capecity] [uncertain] of the hospital is 80, but If there are many stretcher or wheelchair cas-

CROCKETT COURIER:

es the capacity le cut down. [Gince] [uncertain] the hospital was opened in June

[146,] [uncertain] 100 children have been retained for care and rehabilitation treatment. At [thia] [uncertain] time there [arr] [uncertain] 37 children in the hospital, and it in an interesting fact to know that not ane uf these children is from the home of an Elk. Muss Fox told ws sadly that 80 per cent of the children come from broken horses, and that presents a definite problem So often neither parent ts able to care for the child, yet b unwilling to Jet the other parent assume [respanasihiity] [uncertain] or fo let the child go into a fuse home Howewr many children have gone into [fuster] [uncertain] homes and are living happl-

The hospital [alte] [uncertain] originally contained 3 acres but [recently] [uncertain] an adjoining S-acre tract was acquired At that time a 1,600-foot water [wel]) [uncertain] was drilled. This well is artesian and has the capacity of 250. [QOOO gallona] [uncertain] every 24 hours The water comes from the [wel!] [uncertain] at 110 degrees fahrenheit and must be allowed to act for several hours before It is coal enough [forthe] [uncertain] children to swim in

The first thing each child is taught Is to feed himself, no mat- [ter] [uncertain] how difficult the struggle [hor] [uncertain] he mess be makes. From thu [bre.] [uncertain] begins to become aa self-reliant at has deformities will permit The a children [arr] [uncertain] taught to share to be neat and clean to take carr ol the buildings, property and equipment and [cach] [uncertain] child is taught to be worshipful.

The greatest thrill Ive had Lately was in averting the happy [amiles] [uncertain] end noting the [conleztment] [uncertain] af the [children—even wariching] [uncertain] some parents leave and see their [chijd] [uncertain] return with complete contentment to play with his friends. Their laughter was recent music to my ears.

am proud to be a small [cohtributor] [uncertain] in this wonderful hospital am also proud end happy to belong to this wholly American [traternal] [uncertain] order, [tbe] [uncertain] principles and precepts of which are basically belief tn God, loyalty to country, faith in fellowman, and CHARITY FOR ALL.
