Usual rights reserved. Hand-bids to Tom M. Moore, School Tax Collector, at City Hall, Crockett, Texas. 21.

Price Control Suspended.

The Office of Price Stabilization suspended price controls on raw cotton and a wide variety of cotton, wool and synthetic textiles, effective May 20.

The action is in line with OPS policy of suspending or otherwise re-

BACCALAUREATE BY SAME PREACHER OF 25 YEARS AGO

Last week's Courier related that Rev. A. S. Lee, Baptist minister, delivered the baccalaureate sermon Sunday morning at the First Baptist church for the senior class of Crockett High school. That item of news was taken from the Courier of twenty-five years ago. But the Courier had recently an-

nounced that Rev. A. S. Lee will preach the baccalaureate sermon for this year's class, which may be termed a coincidence. To preach a sermon of this kind twenty-five years ago and to be selected to preach a similar sermon twenty-five years later does not come too often in the life of a distinguished speaker, such as Mr. Lee has been blessed with. It is an act of Divine Providence that the Godly may continue in godliness in order that their influence for good may be prolonged in the land, of brotherliness and worthy understanding. It is hoped that Mr. Lee may live to preach more baccalaureate sermons.

taxing price controls on commodities whose selling prices generally are materially below ceilings and which are not expected to reach ceiling prices in the foreseeable future, the Houston OPS announced.

Card of Thanks.

For the many thoughtful deeds and acts of kindness; for the flowers and tender words of sympathy during the illness and death of our husband and brother, we do wish to thank each and every one of you. May God bless you in our earnest prayer.

Mrs. Dock Stubbelfield, Henry Stubbelfield.

Market for Road Food.

John Spinks, president of the local chamber of commerce, stated today that a market has been found for the abundant supply of Singletary peas, vetch and other cover crops that are due to be harvested shortly. He asks that any one having any need for sale to contact the chamber of commerce, giving the acreage and harvest expected.

Cherry Gets Letter.

Gerald Cherry of Crockett is one of the track letter men announced recently at Stephen F. Austin College in Nacogdoches. Besides winning numerous places in other meets throughout the year, Cherry placed second in the mile run and third in the half mile, besides running a lap on the third-place mile relay team, in the Lone Star Conference meet at Beaumont.

Entertaining Young Visitors.

Mr. and Mrs. Morton Bigger of Dallas spent the week-end in Crockett enroute to Princeton, N. J., for the graduation of a cousin of Mr. Bigger, following which they will go to New York and Philadelphia and visit friends in Virginia. Anne and Margaret Bigger and Mrs. Ida Garber will visit Mrs. Byrde E. Woodruff and Mr. and Mrs. E. W. Craddock while their parents are away.

Enjoyed Reading Letters.

Mr. and Mrs. Clint Anderson of the Dairy Queen were host and hostess to 60 children of the first grade for a little end-of-school party for the small group. Mrs. Oscar Maxwell and Mrs. Beatrice Griffin accompanied the group. We saw Mr. Anderson Monday and he reported that he was having one great big time reading sixty thank you letters from each of the first graders.

For High-Grade Cattle.

Robert Mercer Sims is improving a tract of pasture land formerly farmed on the Palestine highway, about three miles north of Crockett, or about half way to Latexo. It is opposite the railroad crossing for the

Crockett Country Club. His plans are to shape this property into a model breeding ground for high-bred cattle. The land includes that level tract opposite the former M. M. Baker home place.

JUST A WORD WITH OUR SUBSCRIBERS

We wish to thank our subscribers and renewals this week. Not as many as last week, but each name is as thoroughly appreciated as if there were more of them.

Mrs. Henry Puckett, Crockett
Mrs. E. B. Kellery, Crockett Rt. 1
Mrs. Linda Rice, Crockett Rt. 3
A. R. Daniels, Crockett
Mrs. W. F. Morgan, Kennard Rt. 1
Mrs. Emma Milliff, Crockett Rt. 2

MILL DAM BREAKS BLOCKS HIGHWAY

The heavy rains of Friday night caused the dam of a mill pond at Murdock, Kiell Murphree's sawmill, some four or five miles south of Grapevine, to break about midnight. Rushing waters covered highway 287 some thirty or forty minutes. Highway Patrolman John Hayne and Deputy Sheriff Ben Hill checked traffic, which was very light, during the time. Not all of the dam gave way and some water was retained in the mill pond.

CROCKETT-WACO ROUTE CONTRACT

An important link in the highway 164 (Waco to Crockett route) completion program was let at a bid opening of the state highway commission in Austin last week. The stretch of highway is in Leon county and is part of the direct route from Buffalo to the Hurricane Shoals bridge over Trinity river. The following appeared in the daily papers:

ASH HIGHWAY WORK RUSHED

Commissioner Fred Thomas of precinct 2 said Monday morning that he was nearing completion of the task of obtaining right-of-way easements for the Ash farm-to-market highway. Under original plans, this contract

was not expected to be let before January, 1953, but recent reports from highway commission officials indicate that the letting may be as early as August, if all arrangements can be completed.

ANNUAL AWARDS PRESENTED

Mr. William Schmidt, principal at Crockett High School, presented the following awards during the Class Day program:

The Student Council award for citizenship went to Ann Arledge and Reed Ferguson. Ann also received a subscription to the Readers' Digest for the highest scholastic achievement and the Halfour award based on scholastics, loyalty and achievement.

COUNTY CHAPTER OF NATIONAL FOUNDATION

At annual meeting of the members of the Houston county chapter of the National Foundation for Infantile Paralysis the following officers were elected:

Miss Erma English, chairman.
Mrs. E. D. Rawls, vice chairman.
Mrs. Wayne Maples, secretary.
Mrs. Roy Skipper, treasurer.
Mrs. J. E. Dawson Jr., chairman of women's activities.

In addition to the above officers, Mrs. Lon Jeter and Mrs. Frank Beath and were elected to the executive committee.

WACO TECH WINS BASEBALL REGION

Waco Tech High School reigns as champion of region 5-A in baseball. May 20 at Jacksonville the Jacksonville High Indians (17-A) downed Cleveland High (18-A) 6 to 0 behind two-hit pitching of Righthander Bobby Worby. Worby gave up one hit in the first inning and one in the second, walking one man and striking out eight. Ned Adams gave up eight hits over the route for Cleveland.

Saturday at Jacksonville, Waco Tech downed the Indians 1 to 0 for the regional title. Fields for the winners and Worby for the losers each gave up three hits. Waco's score came in the sixth. Centerfielder Truett Thompson singled through second, went to second on Shortstop Bill May's single, and scored when the Jacksonville second baseman overthrew home plate in an endeavor to cut off the run on a double steal relay.

Waco Tech (19-A) eliminated Meigs (20-A) in bi-district play. William Schmidt of Crockett is regional champion.

DEPENDABLE

You Take
That for Granted
— And Here's
Why!

Of every 100 students who enter the stiff four-year pharmacy course at a university, more than a third flunk out.

That means that a graduate registered pharmacist has "been through the mill" before he is allowed to fill a single prescription.

It means his dependability is as much to be trusted as your doctor's.
