entomologist for the Texas Agricultura)
[Extenaion Service.] [uncertain] It is a
known fact, emphasizes the specialist, that
[ies] [uncertain] carry the germs of many
diseases and with the increasing amount
of polio in the state, it is more Important
than ever to [eet] [uncertain] rid of the
flies carly.

Gunter says tf DDT Is not giving good
results, try a 2 per cent chlordane
household spray. It should get the [fies]

that are bothersome ip and armand the
house.

Premises should be kept clean at al)
times. Keep garbage in covered containers
and be [aure] [uncertain] the lids are in
place. Clean up and destroy breeding
Places around the farmstead and don't
expect insecticides to do the [entlre]
[uncertain] job. Theyll help, says Gunter,
but there is nothing that can be substituted
for cleanliness. Mix liberal [amounta]
[uncertain] of sanitation with smaller
amount of insecticides and use them to
keep Mies [ander] [uncertain] control.
