FANTASTIC CHARGES BY
TRUMAN-PICKED

CANDIDATE

Governor Allan [Khivere] [uncertain]
this week accused hie [oppowutlen]
[uncertain] of making fantastic" charges in
[a»] [uncertain] lset-minute effort ta
[minimise] [uncertain] the greatest
farmto-marbhet road [Luiiding]
[uncertain] program am Texas" history

[Tr] [uncertain] record shows that
during my administration, there have been
more miles of pared rural roasts
completed in [Texme] [uncertain] than
[eny] [uncertain] lime in history,"

Crockett Courier — July 24, 1952

Gerernor Shivers said. And this ie just the [deginning—the] [uncertain] program te" jet getting [etarted™] [uncertain]

Yet in a desperate effort to confuse the people, this Washingtona picked candidate for governor has plucked a lot of figures out of thin [alr,] [uncertain] placed therm with some utterly ridiculous conclusions [am]] [uncertain] passed them out ar true facts."

Governor Shivers said that tao nation of the distribution ef state highway use tar [meney] [uncertain] te counties revealed that \$1,159,298 had been channeled te [Howston] [uncertain] county for road building [perpoers] [uncertain] in the county during the [Shivers] [uncertain] administration

The figures show that since [Shisers] [uncertain] became the states chief eaecutive,s local of \$444,200 had been spent of fe being [speat] [uncertain] in Huasten county for the [copsiroction] [uncertain] ef 22 miles of farm to-mathet roots In addition, the ex- [Perditure] [uncertain] of [\$0200] [uncertain] for [JI] [uncertain] mere miles ef [peved] [uncertain] rural reed has Leen [autherieed] [uncertain] for this county [orl] [uncertain] con [etructen] [uncertain] will begin in the immediate future

These figures prove [conelueitely] [uncertain] that the [Ehkivets] [uncertain] administration has ws tee A

[SASTHAM] [uncertain] PRISON FARM BECOMING UP-TO-DATE UNIT

Doyle Gougler in [Houston] [uncertain] Post.

One of Texas" oldest prison farms is in the process of [becuming] [uncertain] the most modern agricultural unit in the states entire prison [ayetem.] [uncertain]

Though the guidance of Warden: Alva McGill and Assistant Werden W. L.D. Lawler Jr. the Eastham State), Prison Farm, near Weldon, Houston county, has become a model of up-todate methods of crop si animal production. The second largest unit in the state, Easthams 13,969 acres [resvit] [uncertain] in the farm [belng] [uncertain] almost wholly self-sustaining In addition to providing many essentials for other prison farm in Texas.

Richard Jones, assistant manager of the Texas Prison System, believes that the farm will soon be the top prison farm in the state.

It is potentially the beat farm In the system, This is because there are all types of [soll] [uncertain] here in the uplands, [pruirfes] [uncertain] and bottomlands that make up the farm. Almost everything can be grown here," Jones said.

The farm is now engaged in a long, range soil survey program in co-operation with the Soil Conservation Service. Purpose of the survey ls to determine exactly what kinds of solve are present, lay out terrace lines where needed and to Improve pasture land.

Livestock at Eastham are many verist and include 2,217 beef cattle, tues hogs,

121 Jersey [dalry] [uncertain] cattle, TR horses and 673 poultry birds, The farm ales maintain a complete dog kennel for lte [Lalling] [uncertain] pack to discourage escgpe-minded prisoners.

The [Idef] [uncertain] cattle are mainly cross berets made up of three-eighths [Herefort] [uncertain] and five-eighths Brahman. Only registered bulls are used.

The cattle [atand] [uncertain] sleek and fat in pastures that grate one head to five acres in [cotitruet] [uncertain] tu the county aver- age of about" 10 area to the cow,

Crockett Courier — July 24, 1952

[pys,"}] [uncertain] paid Avalatant Warden Lawler.

When the pig reach fceder-ahoa size, they are sent to the other prison) farm to be fattened and slaughtered.

Using registered Jersey bull? with the milk cow herd [Is] [uncertain] rapidly improv-

Ing milk production, Lawler said. [A!-] [uncertain] though no [recortia] [uncertain] have been kept in the past, a system of [tattooing] [uncertain] for cow identification is being started so that records may be kept for culling practices.

Of the 3,106 acres in crops that are cultivated by a large part of the 356 inmates of the prison, 191 acres are in edible produce. Part of the crop la used to feed the prisoners and the [temalnder] [uncertain] is sent ts other prison

While the prisoners are cultivating the crops, horse-mounted guards Jealled high riders" watch over them with [flrearmsa] [uncertain] and two-way radios.

These [guarda] [uncertain] check in to prison head- quarters every hour with their [rajdion.] [uncertain] A prisoner [cacape] [uncertain] attempt or machinery breakdowns in the field can be quickly reported,

There [mre] [uncertain] 300 acres in corn, 560 [Jectes] [uncertain] In [hegari] [uncertain] and combine mate and 1,200 acres in cotton.

Only certified seed is used for planting the cotton. Seed extracted by the farms own gin is sent to the other prison units for planting. This keeps the seal from being mixed up, Mr.

Lawler said,

The farm also has its own timber [patand,] [uncertain] sawmill and the prisoners saw and produce all the lumber used al [Rastham.] [uncertain]

To take care of the crops, [aclected] [uncertain] inmates drive a feet of 1f tractors.
