FINAL CALL FOR PMA ELECTIONS

Parmera of Houston county were [eminded Tuesday] [uncertain] that PMA farmer [ommittee clections] [uncertain] will be held Anrust 20. Chairman ef-the

county PMA committee im [jasuing thie] [uncertain] find) call, urges [al}] [uncertain] eligible farmers to vote. [Soramunity] [uncertain] committeemen, a delegates o a county convention to name the 1953 county committee and alternates will be elected this time.

Chairman Joe D. Beeson [stresecs] [uncertain] that the PMA committee election ts both an opportunity and a responsibility. Je is an opportunity to mais- tain [ona] [uncertain] of the basic [prisebples] [uncertain] of de- [mocrety—having] [uncertain] a [vole'] [uncertain] ix the se lection of people who serve in official positions and being able to crake that selection at the ballot box But with this opportunity comes the [respons!bility] [uncertain] to help make that [sclec'yon] [uncertain] by voting."

Mr. [Beeson] [uncertain] reminds farmers that farming in Houston county has come a long way in the past 15 years and that the work of these committeemen and the programs they administer have played an important part is the program. He cites the soil and water conservation work that has been dons under the [Agricultura!] [uncertain] Conservation Program as an indication of the pro [gress.] [uncertain]

He [adda,] [uncertain] however, that with popu- [lation] [uncertain] Increasing at the rate of 7,400 a day, we cant let up om cur conser- [vation] [uncertain] efforts. Thats why commun-

ty committeemen in 1952 will [vialt] [uncertain] each farm in their communities to help farmers use the program most effectively to carry out the conserva- [tlon] [uncertain] practices most urgently needed on the individual farm."

As the chairman sees it, because the work of [thesescommittermen] [uncertain] mean so much to farming in Houston county and because the programs they administer are so [casential] [uncertain] to the [welttare] [uncertain] of all the people, no farmer who [jis] [uncertain] eligible to vote should allow this election to pass without casting his ballot for the committeemen he thinks will do the Best job.
