Yes folks, it's hot, but now is the time to be looking for the home farm you would like to have, come fall. After all, it is just around a few corners and so far, it hasn't been too hot for us to go show you some nice places.

This week, I want to spotlight a nice place convenient to town. It is on Highway 1, or rather just across the R. R. from it. It is four-room home, good well, spring, about 12 acres open land and some marketable timber. Can be bought on terms. Call for particulars.

Also, 42 acres on Augusta Rd. Out-of-state buyers are anxious to sell. This has all minerals, too. No more some open land, some timbered. \$2190.

Several other places up to 352 acres, as advertised before. A few good boys in well-located homes, one very desirable lot. Glad to tell you about them all.

PLEASE GIVE ME YOUR LISTINGS, IF PRICED WITHIN REASON, I CAN SELL THEM!

DAIRY QUEEN CELEBRATES

A huge crowd attended the first anniversary of the opening of "The Dairy Queen" on the Houston highway August 11. From the early crowd of the evening until eleven o'clock, cars were packed thick around the Dairy Queen, and for blocks on each side of the highway adjoining the Dairy Queen, to listen to the rhythm of popular music played by a group of fiddle band musicians.

Flowers for the anniversary celebration were sent in by friends and customers who came to this popular snack-shop on Houston highway.

CROCKETT STATION ENJOYS BIG VOLUME FREIGHT BUSINESS

Freight business continued good at the Crockett railroad station during July, when revenue exceeded \$100,000. According to C. M. Noel, local agent, June was one of the biggest months ever experienced by the local station and records were nearly equalled in July.

Cotton shipments are expected to begin soon. Some producers are picking already.

Pulpmong shipments are an important item of shipping freight. Last week's loadings were 19 cars and, if all loadings are completed as completed, this week will see 22 cars.

Log shipments are also an important item of shipping freight. These shipments go all over the country, from Long Island to the state of Washington. July shipments totaled 18 cars.

Adding to the steady flow of receipts have been 30 cars of rock shipped for highway purposes, received by the state highway department.

General merchandise and passenger business held a good and steady volume at the local station, according to Mr. Noel.

Mr. and Mrs. Travis King of Gainesville spent the weekend in Crockett with Mr. and Mrs. Steve King and their many friends here.
