John V. Dowdy, Democratic n

[illegible]

Dr. Joe Z. Tower.

Revival services at the First Methodist church of Crockett are announced by the pastor, Rev. Lester LeGrand, for October 5 to 12th. The public is invited to these services, which will be held twice daily. The morning service will be from 7:30-9:00 a. m., with the slogan, "Let's worship before we work." Evening services will begin at 7:20 o'clock.

Dr. Joe Z. Tower will be the evangelist for the revival services. Dr. Tower is a prominent evangelist of the Methodist denomination.

**LOVELADY HOSTS
ALTO FRIDAY NIGHT**

The Lovelady High Lions will be back Friday night in the Alto High Yellow Jackets in a district 19A contest which will open the Lions' season football season. Coach Jack Rutenber's Lions will be deced to underdogs. However, Alto's line, which averages less than 140 pounds, will more nearly match in size the powerful Lovelady eleven than perhaps any other team on the schedule.

Lovelady is due to have its only non-offensive game at Easternville 12 to 5 and its first district test at Elkhart 10 to 0. The Lions lack both size and experience, with only three 1955 letter men on the roster.

Alto has a good record, with a 5 to 1 victory over Ben Augustus, a 4-6 draw with Carlsale and a 7 to 0 loss to Granger in a district game last week. Granger is a perennial champion of the league, although the team will be hard pressed to win this season.

**WOODLEY WELL
FLOWS IN FORT
TRINIDAD AREA**

The Woodley Petroleum Co., Ltd., State of Texas, drilled in the Trinidad area, Trinidad, Guyana, on Monday, that a Georgetown line well was found to be successfully brought in.

The well was drilled from the Houston county side of the river in the Fort Trinidad area, where two discovery wells caused all the big show-ups in January.

It is located 1,067 feet northward from the first Woodley well about 80 feet up the structure, on a flat plateau.

A packer was set at 2,950 feet in

By Walter Dells Andrews
 Treasurer, the Cotton Growers

in discussing the status of Houston county with County Agent D. G. Tiller, he advised the Courier reporter that he had talked by telephone to state officials and that they had notified him that Houston county was definitely under the cotton quarantine. Leon county was quarantined about a week and a half ago; and then later, Madison, Anderson and Houston counties were added to the list and were also put under quarantine. "It is presumed that state officials are working out a more thorough and explicit program on this matter," Further information should be here within the week," said County Agent Tiller.

In talking with Mr. Leonard Arnold of Arnold's gin he advised that all gins in these counties were under the supervision of the U. S. Department of Agriculture. "Cotton bolls," he said, "must be burned, or ground up for cattle feed through the mill on the gin premises. The grinding of the bolls, of course, kills the pink boll worm, and can be safely used as feed for cattle. All gin trash must be burned. And farmers are not permitted to haul the bolls away as a fertilizer."

"Next year," he continued, "all gins will have to put in the stillers to crush this condition."

First Vice-President.

Miss Barbara Smith, daughter of Mr. and Mrs. Ben E. Smith, was appointed First vice-president of the Gamma Phi Beta society at their first night meeting held Monday night, September 27. Miss Smith is a sophomore at the University of Texas. She is also wearing the society ring given to her for last year's chosen the best pledge of last year.

Honoring Robert Lovett.

Representative Elbert James H. Clements was through Crockett on route Hamilton, where on Tuesday he was host to visiting legislators at the observance honoring Secretary of Defense Robert Lovett. Mr. Clements is a student in law school at the University of Texas in Austin.
