TEXAS DEMOCRATS WANT TEXAS-BORN IKE

"RESOLVED... that it is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice-President."

TEXAS STATE DEMOCRATIC CONVENTION
AMARILLO, TEXAS... SEPTEMBER 9, 1952

A MAN OF PRINCIPLE WHO THINKS AS WE DO

You can be a Democrat without being a Trumanite. Your party's state convention in Amarillo on September 9 passed the resolution quoted above. Texas who believe in the time-tested Jeffersonian principles of the Democratic Party are going to vote for Dwight D. Eisenhower on November 4. If you are tired of Trumanism and want to help elect Eisenhower, send in the coupon. Be a Texan—not a Trumanite—vote Ike.

MANY MORE MILLIONS INVESTED IN GAS SERVICE

Dependable natural gas service doesn't just happen. It takes a lot of manpower, and a lot of money, to keep a supply of gas at your burner tips, ready for use at any time you need it.

During 1951 and 1952 our company has invested many millions of dollars in the construction of some 1700 miles of pipe lines, eight new or enlarged compressor stations, eleven dehydration plants and other facilities... to be sure our customers, both present and future, will have dependable supplies of this world's finest fuel. We think you will agree the growth of the progressive natural gas industry has had an important part in the progress of the Gulf South.
