WATERS OF TEXAS?**Price Daniel won in the recent pri- [4]
[uncertain] many largely because of his
fight for [7] [uncertain] the retention of
the tidelands by the states. Now some of
the supporters of Truman are alleging that
Daniel did not conduct the fight
[properly.] [uncertain] that he really did not
know. [Lis] [uncertain] speech" at the
closing of the Benbrook Dam near Fort
Worth shows that he has [7] [uncertain] a
profound grasp of the whole [soi]
[uncertain] and water conservation
problem as it [exiats] [uncertain] in Texas
and other states. The attempted [tidclanda]
[uncertain] steal in [7] [uncertain] part and
parcel of a grand conspiracy to increase
greatly federal powers over the nations
sell and water real sources, [4]
[uncertain] In this struggle between
federal [Pe ond] [uncertain] state
[gubernmngmta, Texas] [uncertain] has
more than average reasons for re- [alsting]
[uncertain] federal control. Passing the
tidelands case, for instance, and com- [4]
[uncertain] ing inland, Texas has urgent
reasons for a better water conservation
[pre-] [uncertain] gram. Daniel [mght]
[uncertain] in saying that the
conservation of water is the key to the
future economic and civic debt of
[telopment] [uncertain] of Texas. The
conservation of [ieee] [uncertain] of the
water can be much better administered
for the benefit of Texas if.[Texans] [uncertain] do the
administering in [The] [uncertain] theory
upon which the department [ment] [uncertain]
of the interior is working would be; Bx [2:]
[uncertain] crab outright ownership for
these waters for the federal government
wherever possible. The waters atBenbrook, Lake Dallas, Grapevine, H
Lavon and other big projects, con-[eteucted] [uncertain] by the army
engineers, are specifically allocated to
municipal and flood control use. Under
the new theories being advanced by the
de- [partment] [uncertain] of interior, all
right and power over the [watera]
[uncertain] are vested in the federal
government. The [people] [uncertain] of
Texas are rapidly awakening to the
imperative need of [dving] [uncertain]
something about their water resources.
Daniel is right in saying that we should
have more adequate law, The next
legislature meeting,In January should give this problem"
[prompt] [uncertain] attention. Neglect of
it will amount to default to the [federa!]
[uncertain] gov-**OVER LIBERTIES ARE
TAXED AWAY.**The people [arr] [uncertain] not in a
spirit to vote away more taxes upon
themselves.The [nationa] government [uncertain]
has taxed them [antil] [uncertain] they feel
that the tax- paying limit has [boen]
[uncertain] reached. Some [buatneas]
[uncertain] firms are now paying their
withholding taxes with borrowed![tnoney.] [uncertain] The desire for
further taxing of any [usture] [uncertain]
has been destroyed, even where
focal improvement is in!Yolred Those whose pockets are

cannot be to do mw, but may be to have a [rebsilicus] [uncertain] spirit The war in [Korea] [uncertain] is an in- [stance—a] [uncertain] war to keep prices and profits as high as taxes are heavy.

Profita, prices and taxes must be kept high even at the blood cost of [homan] [uncertain] lives, The nations) government, terming it prosperity, adds more [tarece] [uncertain] [tand] [uncertain] spends more money in its efforts

to maintain a false prosperity. It is true the national [gorenment] [uncertain] has

helped same people and through them it has helped others, but it ia destroy-ing some people and their businesses to do wo, [It] [uncertain] is w form of [sociallam] [uncertain] op the heels of which communism has never failed to follow.

THE IRRESPONSIBLE SMOKER.

Negligence ia a curse that dogs the tracks of civilization. There [ary] [uncertain] al-

ways those who [refose] [uncertain] to take re [sponsibility] [uncertain] seriously. An Individual who intentionally burns down house and cremates [a»] [uncertain] living person, or burns down barn and animals, or ignites a forest, or [deatroys] [uncertain] someones prop- j [erty] [uncertain] by fire, ls punished as an arsonist, And yet careless smokers who [Fjare] [uncertain] pot apprehended and punished

cause hundreds of deaths and millions d bed dollars of property damage ani dually, including destruction of Irre- [placeable] [uncertain] wildlife. They create havoc through negligence instead of Intent, put the results from their act are

as deadly as though premeditated. Smokers who use no caution in the

handling of a cigaret are a [menace.] [uncertain]

They refrain from throwing a [match}] [uncertain] into flammable [material—but] [uncertain] not al

cigaret, They may not light a [match] j@round] [uncertain] a gasoline [pump—but they}] [uncertain] will [amcke] [uncertain] a cigaret. They hesitate) about tossing a match Into dry grass

but not cigaret. What is it about a-cigaret that numbs the individual jt its deadly qualities?" With-tknowledge of the destruction

[cigarcta] [uncertain] cause each [ysrar,] [uncertain] is it not possible to make the smoker conscious!

of his [reaponaibility—to] [uncertain] make him realize that cigarets are fire and not chewing gum?

SPARKMANR STATEMENT.

Sen. John J. Sparkmans picture of j [hia fingnecial] [uncertain] statue is m bit fuzzy in 1 pets. [Besides] [uncertain] a rather liberal use 1 of [abouts"] [uncertain] in giving his own [assets,] [uncertain] be refused to make any statement) about Mra [Sparkmans] [uncertain] finances, and

Nra, Sparkman owns a considerable! interest in a [sitable] [uncertain] business.

Technically he ix right in [aaying}] [uncertain] that Mrs. [Sparkmans] [uncertain] business is

Mra. [Sparkmans] [uncertain] business, and that he has no right tu review rt, but Mrs.

Sparkman hae been on the federal payroll long time, and [thers] [uncertain] is oj doubt that money derived from [thie] [uncertain] source is involved in the business." i Sinoe Mia. Sparkman ia an employer

of Senator Spaikrman, there is a re- [pponaibity] [uncertain] for w import in [thie] [uncertain] instance

[St] [uncertain] ds noticeable alas that [Benator!] [uncertain]

Sparkman did not tell what salary Nea. Sparkman ls drawing. Her base:

pay is \$4,500 year, bul he says that the [hee] [uncertain] head the norma! [ine,] [uncertain] creases" [besed] [uncertain] on length of service; and [seaponalbility.] [uncertain] Why [didnt] [uncertain] he!

co on and may whet there normal.

[incivrascs havebeen?] [uncertain] How much is [ber] [uncertain] salary at [preent!—Dallas News.] [uncertain]

EISENHOWER SPEAKS. J

Listen tu the general:

1. Korean [War.—The int atep]] [uncertain] toward winning peace [thal] [uncertain] we can trust to endure is to establish in; [Washington] [uncertain] an administration which we ourselves can trust. We will win this battle for peace only after we have [wun] [uncertain] the Battle of Washington." [True] [uncertain] er false [Tt)] [uncertain]

Commeniat [Threst.—We] [uncertain] can i never [rest—aod] [uncertain] we must so inform all the world, [Including] [uncertain] the Kremlin that until the enslaved nations of the world have [tm-4he] [uncertain] fullness of freedom the right to [chuose] [uncertain] their own path, that then, and then only, can we [asy] [uncertain] that there is a possible [wey] [uncertain] of living peacefully and permanently with [Communism] [uncertain] in the world" [(True] [uncertain] or false?)

[WANTED—A] [uncertain] GENIUR. A few rats ago the people of England were sold the idea that gov- [ernment] [uncertain] was far more efficient man- age of [industria!] [uncertain] enterprise than private citizens. Since then, England has save

CROCKETT COURIER:

Crockett Courier — October 16, 1952

[becoms] [uncertain] a state and the theory of [thh Atupericrity] [uncertain] ef the state a2 a producer [withia] [uncertain] the framework af democratic government has been put to the acid test. The result has been tragically disillusioning. Ja the words of Bernard Harris, writing ln the Sunday Expreas, London, Engiand, Socialization has failed, because the genius who might make it work cant be found"

The people of England are discover-

Ing that [goremments] [uncertain] are run by or-: [dinary] [uncertain] men with no greater [capaci:] [uncertain]

ties for pulling [rabbita] [uncertain] out of hat, than the rest of us. Thry have also found [thet] [uncertain] a2 a producer, government in utterly incompetent, measured by!

the standards of free enterprise.

WOOLANDS MORE OR LESS.

owner

According to the 1950 census the area of woodlands on farms in Texas) is approximately 33,000,000 area and they are 94 per cent grated. This is the highest farm woodland figure! Indicated in probably all census tak-! rings. There was almost as large [a] [uncertain] figure in 1910. It is assumed according to the [cenaus] [uncertain] definitions and over surveys that these woodlands contain more or leas timber or [potentia!] [uncertain] Lim-! [ber] [uncertain] trees capable of producing some! [suwtimber] [uncertain] and a variety of other products. Therefore, woodlands should not be confused with brush lands which [epread] [uncertain] over more land and [aad gions.] [uncertain] For ordinary [sawtimber] [uncertain] par-: Poses, the smallest tree that might be used [thould] [uncertain] hare clear log length of about eight feet and a top di-: [ameter] [uncertain] of five to eight inches, Brush might be [emal]] [uncertain] weed trees in most forests, but ia usually considered shrub [apecles] [uncertain] or type. 7 we [ele] [uncertain]

[On] [uncertain] land Signa) Vol. Bable, a [7-year!] [uncertain] ald [Jerer]] [uncertain] cow in the herd of [ter Ettitf,]

[uncertain] Tula, Texas, has an) other Jersey record. She has most completed 308-day production [recerd] [uncertain] of 16,130 pounds of milk and 1,052), pounds of [butterfat—more] [uncertain] fat than any Jersey in this country has ever produced im 305 days. She was the), M3 day [natwnal] [uncertain] butterfat champion in 1949-with production of 13) pounds of fat and now [ahes] [uncertain] the 105 day [terord] [uncertain] holder [aleo.] [uncertain] The average! Texas dairy cow produces about [140),] [uncertain] pounds of butterfat during a lactation period [olt] [uncertain] pays to keep the good one

That higher prices are predicted by the government" stabilization: [chicfa,] [uncertain] does nog ace like an unusual" forecast. Moat of us could make [euch] [uncertain] predictions with [strikeenforces]] [uncertain] wage, increases and [reaulting] [uncertain] higher pro [duction] [uncertain] costs [forring] [uncertain] price [increneas.] [uncertain]
