Thin is the second year that Mr. McCullar han been awarded the appointment.

In talking with Mr. McCullar re guarding this he said I [dont] [uncertain] think we can do too much td educate your people to be careful about driving and especially to stay on their side of the road when driving."

Mr. McCullar thinks that moat accidents are caused by pure carelessness and by wot using the proper [pre-] [uncertain] cautions. [Ele] [uncertain] nays, too, that many people are prone to pass another car when they shouldn't. He says hilltop passing is one of the worst rules that motorist can break and that [aceing] [uncertain] and hearing about drivers [such}] [uncertain] ne [thia] [uncertain] worries him considerably when it comes to the public obeying [aafcty] [uncertain] rules on the highway.
